Necessity for driving licence.

**3.** (*1*) No person shall drive a motor vehicle in any public place unless he holds an effective licence issued to himself authorising him to drive the vehicle; and no person shall so drive a motor vehicle as a paid employee or a public service vehicle unless his licence specifically entitles him so to do.

(*2*) Subject to rules made by the Provincial Government in this behalf, this section shall not apply to a person receiving instruction in driving a motor vehicle.

Age limit in connection with driving of motor vehicles.

**4.** (*1*) No person under the age of eighteen years shall drive a motor vehicle in any public place.

(*2*) Subject to the provisions of sub-section (*3*) of this section and of section 14, no person under the age of twenty-one years shall drive a locomotive, tractor or transport vehicle in any public place.

(*3*) A Provincial Government may make rules under section 21 providing for the issue of licences, to be effective only within the province, to drive locomotives, tractors or transport vehicles or any specified description thereof, to persons who have completed their eighteenth but have not completed their twenty-first year of age.

Responsibility of owners of motor vehicles for contraventions of sections 3 and 4.

**5.** No owner or person in charge of a motor vehicle shall cause or allow any person to drive the vehicle in contravention of the provisions of section 3 or section 4; and in the event of any such contravention a Court may presume that the vehicle was being driven with the consent of the owner or person in charge.

Restrictions on the holding of licences.

**6.** (*1*) No person shall, while he holds any licence for the time being in force except a licence issued under the provisions of sub-section (*3*) of section 4, hold any other licence except a licence issued in accordance with the provisions of section 14.

(*2*) No holder of a licence shall allow it to be used by any other person.

Grant of licences.

**7.** (*1*) Any person who is not disqualified under section 4 for driving a motor vehicle and who is not for the time being disqualified for holding or obtaining a licence may apply to the licensing authority having jurisdiction in the area in which he ordinarily resides or carries on business for the issue to him of a licence.

(2) Every application under sub-section (1) shall be in Form A as set forth in the First Schedule, shall be signed by, or bear the left thumb impression of, the applicant in two places, and shall contain the information required by the form.

(3) Where the application is for a licence to drive as a paid employee or to drive a transport vehicle, or where in any other case the licensing authority so requires, the application shall be accompanied by a medical certificate in Form C, as set forth in the First Schedule, signed by a registered medical practitioner authorised by the Provincial Government by rule made under section 21 to grant such certificates.

(4) Every application for a licence to drive as a paid employee and every application for a licence to drive a public service vehicle shall be accompanied by two clear copies of the photograph of the applicant.

(5) If, from the application or from the medical certificate referred to in sub-section (3), it appears that the applicant is suffering from any disease or disability specified in the said Form C or any other disease or disability which is likely to cause the driving by him of a motor vehicle of the class which he would be authorised by the licence applied for to drive to be a source of danger to the public, the licensing authority shall refuse to issue the licence:

Provided that—

(a) a licence limited to driving an invalid carriage may be issued to the applicant, if the licensing authority is satisfied that he is fit to drive such a carriage, and

(b) the applicant may, except where he suffers from a disease or disability specified in the Second Schedule, claim to be subjected to a test of his fitness or ability to drive a motor vehicle of a particular construction or design, and, if he passes such test to the satisfaction of the licensing authority and is not otherwise disqualified, the licensing authority may grant him a licence to drive such motor vehicle as the licensing authority may specify in the licence.

(6) No licence shall be issued to any applicant unless—

(a) he passes to the satisfaction of the licensing authority the test of competence to drive specified in the Third Schedule, or

(b) where the application is made within twelve months from the commencement of this Act, he satisfies the licensing authority that he is at the time when the application is made the holder of a current licence granted under the provisions of the Indian Motor Vehicles Act, 1914, entitling him to drive a vehicle of the class or description which he would be entitled to drive under the licence applied for: VIII of 1914.

Provided that, where the application is for a licence to drive a motor cycle or a motor car, the licensing authority may exempt the applicant from Part I of the test specified in the Third Schedule, if the licensing authority is satisfied that the applicant has had not less than twelve months' recent experience of driving a motor cycle or a motor car, as the case may be.

(7) The test of competence to drive shall be carried out in a vehicle of the type to which the application refers, and, for the purposes of Part I of the test,—

(a) a person who passes the test in driving a motor car or a motor cab or a delivery van shall be deemed to have passed the test for all of these vehicles;

(b) a person who passes the test in driving a light transport vehicle shall be deemed also to have passed the test in driving the vehicles referred to in clause (a); and

(c) a person who passes the test in driving a heavy transport vehicle shall be deemed also to have passed the test in driving the vehicles referred to in clauses (a) and (b).

(8) When an application has been duly made to a licensing authority and the applicant has satisfied such authority of his physical fitness and of his competence to drive and has paid to the authority a fee of five rupees, the licensing authority shall grant the applicant a licence unless the applicant is disqualified under section 4 for driving a motor vehicle or is for the time being disqualified for holding or obtaining a licence, or neither ordinarily resides nor carries on business within the jurisdiction of the licensing authority:

Provided that—

(a) the fee for a licence issued in accordance with the provisions of clause (b) of sub-section (6) shall be three rupees only, and

(b) a licensing authority may issue a licence to drive a motor cycle or a motor car notwithstanding that the applicant does not reside or carry on business within the jurisdiction of the licensing authority, if the licensing authority is satisfied that there is good reason for the applicant's inability to apply to the licensing authority within whose jurisdiction he resides or carries on his business.

**Form and contents of licence.**

**8.** (1) Every licence to drive a motor vehicle, except a licence issued under section 14, shall be in Form D as set forth in the First Schedule and shall have affixed thereto one of the signatures or thumb impressions given on the form of application for the licence and, in the case of a licence to drive as a paid employee or to drive a public service vehicle, one of the photographs referred to in sub-section (4) of section 7.

(2) A licence shall specify whether the holder is entitled to drive as a paid employee and whether he is entitled to drive a public service vehicle and shall further be expressed as entitling the holder to drive a motor vehicle of one or more of the following classes, namely:—

(a) motor cycle,

(b) motor car,

(c) motor cab,

(*3*) A Provincial Government may, by rules made under section 21, provide that a licence entitling the holder to drive a public service vehicle shall be issued only by or under the authority of the Regional Transport Authority constituted under Chapter IV, regulate the submission of applications for such licences to the said authority, require as a condition of its validity in a province that a licence entitling the holder to drive a public service vehicle shall be countersigned by a prescribed authority in the province and prescribe the conditions subject to which a licence issued in an Indian State or a licence other than an international driving permit issued in pursuance of the International Convention relative to motor traffic concluded at Paris on the 24th day of April, 1926, issued in the French and Portuguese Settlements bounded by India shall have validity in the province.

Currency of licences.

**10.** A licence issued under the foregoing sections shall, subject to the provisions contained in this Act as to the cancellation of licences and the disqualification of holders of licences for holding or obtaining licences, be effective without renewal for a period of twelve months only from the date of issue.

Renewal of licences.

**11.** (*1*) Any licensing authority may on application made to it renew a licence.

(*2*) An application for the renewal of a licence shall be made in Form B as set forth in the First Schedule and shall contain the declaration required by that form; and where the applicant is unable to subscribe to the said declaration the provisions of sub-section (*5*) of section 7 shall apply.

(*3*) The fee payable for the renewal of a licence shall be three rupees, if the application for renewal is made previous to, or not more than seven days subsequent to, the date on which the licence is due to expire and shall be five rupees in any other case, unless the licensing authority is satisfied that the holder was prevented by good cause from applying for the renewal of the licence within seven days after its expiry.

(*4*) When the authority renewing the licence is not the authority which issued the licence, it shall intimate the fact of renewal to the authority which issued the licence.

Revocation of licence on grounds of disease or disability.

**12.** Notwithstanding anything contained in the foregoing sections, a licensing authority may at any time revoke a licence issued by it, or may require, as a condition of continuing to hold such licence, the holder thereof to furnish the medical certificate referred to in

sub-section (*3*) of section 7, if the licensing authority has reasonable grounds to believe that the holder of the licence is, by virtue of any disease or disability, unfit to drive a motor vehicle in a public place.

Orders refusing or revoking licences and appeals therefrom.

**13.** (*1*) Where the licensing authority refuses to issue or revokes or refuses to renew any licence, it shall furnish the applicant or the holder, as the case may be, with reasons in writing for such refusal or revocation.

(*2*) Any person aggrieved by the refusal of a licensing authority to grant or renew a licence or by the revocation of a licence may, after giving to the licensing authority notice of his intention so to do, appeal to the District Magistrate of the district in which he resides, or to the Chief Presidency Magistrate in a presidency-town or to any other prescribed authority, and any order made on such appeal shall be binding on the licensing authority.

Licences to drive motor vehicles, the property of the Central Government.

**14.** (1) The authority specified in Part A of the Fourth Schedule may grant licences, valid throughout British India, to persons who have completed their eighteenth year to drive motor vehicles which are the property of the Central Government.

(*2*) A licence issued under this section shall specify the class or classes of vehicle which the holder is entitled to drive and the period for which he is so entitled.

(*3*) A licence issued under this section shall not entitle the holder to drive any motor vehicle except a motor vehicle which is the property of the Central Government.

(*4*) The authority issuing any licence under this section shall at the request of any Provincial Government furnish such information respecting any person to whom a licence is issued as that Government may at any time require.

Power of Provincial Government to disqualify for holding a licence.

**15.** (*1*) A Provincial Government may in its discretion make an order declaring any person disqualified, either permanently or for a specified period, for holding or obtaining a licence in the province.

(*2*) On the issue of any such order the person affected thereby shall forthwith surrender his licence, if it has not already been surrendered, to such person as may be specified in the order; and that person shall keep the licence until the disqualification has expired or has been removed and the person entitled to the licence has made a demand in writing for its return to him.

Power of Regional Transport Authority to disqualify.

**16.** A Regional Transport Authority constituted under Chapter IV may subject to any prescribed conditions declare any person disqualified, either permanently or for a specified period, for holding or obtaining a licence to drive a public service vehicle in the province.

Power of Court to disqualify.

**17.** (*1*) Where a person is convicted of an offence under this Act, or otherwise in relation to a motor vehicle, or the driving of a motor vehicle, or of an offence in the commission of which a motor vehicle was used, the Court by which such person is convicted may, subject to the provisions of this section, in addition to imposing any other punishment authorised by law, declare the person so convicted to be disqualified, for such period as the Court may specify, for holding any licence or for holding a licence to drive a particular class or description of vehicle.

(*2*) A Court may not order the disqualification of an offender convicted for the first or second time of an offence punishable under section 114.

(*3*) A Court may not on a first conviction of an offence punishable under section 115 order the disqualification of the offender for a period exceeding one month, or, on a second conviction, for a period exceeding three months:

Provided that any conviction of an offence punishable under section 116 recorded within the three years preceding a conviction of an offence punishable under section 115 shall, for the purposes of this sub-section, be deemed to be a previous conviction of an offence punishable under section 115.

(*4*) A Court shall order the disqualification of an offender convicted of an offence punishable under section 125 and such disqualification shall be for a period of not less than twelve months.

(*5*) A Court shall order the disqualification of an offender convicted of an offence punishable under section 117, and such disqualification shall be for a period of not less than six months.

(*6*) A Court shall order the disqualification of an offender convicted of an offence against the provisions of clause (*c*) of sub-section (*1*) of section 85 or of section 87, and such disqualification shall be for a period of not less than one month.

(*7*) A Court shall, unless for special reasons to be recorded in writing it thinks fit to order otherwise, order the disqualification of an offender—

(*a*) who having been convicted of an offence punishable under section 116 is again convicted of an offence punishable under that section,

(*b*) who is convicted of an offence punishable under section 120, or

(*c*) who is convicted of an offence punishable under section 123:

Provided that the period of disqualification shall not be less, in the case referred to in clause (*b*), than six months, or, in the case referred to in clause (*c*), than three months.

(*8*) A Court ordering the disqualification of an offender convicted of an offence punishable under section 115 or section 116 may direct that the offender shall, whether he has previously passed the test of competence to drive specified in the Third Schedule or not, remain disqualified until he has subsequent to the making of the order of disqualification passed that test to the satisfaction of the licensing authority.

(*9*) The provisions of this section relating to offences punishable under sections 114, 115, 116 and 117 shall apply also to abetment of those offences.

(*10*) The Court to which an appeal lies from any conviction of an offence of the nature specified in sub-section (*1*) may make any order of disqualification which could have been made by the Court below and may set aside or vary any such order made by the Court below.

**Effect of disqualification order.**

**18.** (*1*) A person in respect of whom any disqualification order is made shall be debarred to the extent and for the period specified in such order for holding or obtaining a licence and the licence, if any, held by such person at the date of the order shall cease to be effective during such period.

(*2*) The operation of a disqualification order made under section 17 shall not be suspended or postponed while an appeal is pending against such order or against the conviction as a result of which such order is made, unless the Court making the order so directs.

(*3*) Any person in respect of whom any disqualification order has been made may at any time after the expiry of six months from the date of the order apply to the Court or other authority by which the order was made, to remove the disqualification; and the Court or authority, as the case may be, may, having regard to all the circumstances of the case and the conduct of the person disqualified subsequent to the order, either remove or vary the order of disqualification:

Provided that where an application has been made under this section a second application thereunder shall not be entertained before the expiry of a further period of three months.

Endorsements.

**19.** (*1*) The Court or authority making an order of disqualification shall endorse or cause to be endorsed upon the licence, if any, held by the person disqualified particulars of the order of disqualification and of any conviction of an offence in respect of which an order of disqualification is made; and particulars of any removal or variation of an order of disqualification made under sub-section (*3*) of section 18 shall be similarly so endorsed.

(*2*) A Court by which any person is convicted of an offence specified in the Fifth Schedule shall, whether or not an order of disqualification is made in respect of such conviction, endorse or cause to be endorsed particulars of such conviction on any licence held by the person convicted.

(*3*) Any person accused of an offence specified in the Fifth Schedule shall when attending the Court bring with him his license if it is in his possession.

Transfer of endorsement and issue of licence free from endorsement.

**20.** (*1*) An endorsement on any licence shall be transferred to any new or duplicate licence obtained by the holder thereof until the holder becomes entitled under the provisions of this section to have a licence issued to him free from endorsement.

(*2*) Where a licence is required to be endorsed and the licence is at the time not in the possession of the Court or authority by which the endorsement is to be made then—

(*a*) if the person in respect of whom the endorsement is to be made is at the time the holder of a licence, he shall produce the licence to the Court or authority within five days, or such longer time as the Court or authority may fix, or

(*b*) if, not being then the holder of a licence, he subsequently obtains a licence, he shall within five days after obtaining the licence produce it to the Court or authority;

and if the licence is not produced within the time specified it shall on the expiration of such time be of no effect until it is produced for the purpose of endorsement.

(*3*) A person whose licence has been endorsed shall, if during a continuous period of three years since the endorsement was made no further order of endorsement has been made against him, be entitled, on surrendering his licence and on payment of a fee of five rupees, to receive a new licence free from all endorsements except an endorsement of a conviction for an offence specified in Part A of the Fifth Schedule or an endorsement of an order of disqualification:

Provided that in reckoning the said period of three years any period during which the said person was disqualified for holding or obtaining a licence shall be excluded.

(4) When a licence is endorsed by or an order of endorsement is made by any Court, the Court shall send particulars of the endorsement or order, as the case may be, to the licensing authority by which the licence was last renewed and to the licensing authority within whose jurisdiction the holder of the licence resides, or which granted the licence.

(6) Where on an appeal against any conviction or order of a Court which has been endorsed on a licence the appellate Court varies or sets aside the conviction or order, the appellate Court shall inform the licensing authority within whose jurisdiction the appellant resides and the licensing authority who granted the licence, and shall amend or cause to be amended the endorsement of such conviction or order.

### Registration of Motor Vehicles.

Necessity for registration.

**22.** (*1*) No person shall drive any motor vehicle and no owner of a motor vehicle shall cause or permit the vehicle to be driven in any public place unless the vehicle is registered in accordance with this Chapter and the certificate of registration of the vehicle has not been suspended or cancelled and the vehicle carries a registration mark displayed in the prescribed manner.

(*2*) Nothing in this section shall apply to a motor vehicle while being driven to or from the appropriate place of registration for the purpose of being registered or to a motor vehicle exempted from the provisions of this Chapter while in the possession of a dealer in motor vehicles.

Registration, where to be made.

**23.** Subject to the provisions of section 25 and section 39 every owner of a motor vehicle shall cause the vehicle to be registered by a registering authority in the province in which he has the residence or place of business where the vehicle is normally kept:

Provided that a motor vehicle already registered under any enactment in force at the commencement of this Act shall not until the 1st day of April, 1941, require to be registered under this Act.

Registration, how to be made.

**24.** (*1*) An application by or on behalf of the owner of a motor vehicle for registration shall be in Form E as set forth in the First Schedule, shall contain the information required by that form, and shall be accompanied by the prescribed fee.

(*2*) The registering authority shall issue to the owner of a motor vehicle registered by it a certificate of registration in Form G as set forth in the First Schedule and shall enter in a record to be kept by it particulars of such certificate.

(*3*) The registering authority shall assign to the vehicle, for display thereon in the prescribed manner, a distinguishing mark (in this Act referred to as the registration mark) consisting of one of the groups of letters allotted to the province by the Sixth Schedule followed by a number containing not more than four figures.

Temporary registration.

**25.** (*1*) Notwithstanding anything contained in section 23, the owner of a motor vehicle may apply to any registering authority to have the vehicle temporarily registered in the prescribed manner and for the issue in the prescribed manner of a temporary certificate of registration and a temporary registration mark.

(*2*) A registration made under this section shall be valid only for a period not exceeding one month, and the owner of the vehicle shall within that time cause the vehicle to be registered in accordance with section 23 unless the vehicle is removed from British India.

Production of vehicle at time of registration.

**26.** The registering authority may before proceeding to register a motor vehicle require the person applying for registration of the vehicle to produce the vehicle either before itself or before a prescribed authority in order that the registering authority may satisfy itself that the particulars contained in the application are true and that the vehicle complies with the requirements of Chapter V and of the rules made thereunder.

Refusal of registration.

**27.** The registering authority may decline to register any motor vehicle if the vehicle is mechanically defective or fails to comply with the requirements of Chapter V or of the rules made thereunder, or if the applicant fails to furnish particulars of any previous registration of the vehicle.

Effectiveness in British India of registration.

**28.** (*1*) Subject to the provisions of section 29, a motor vehicle registered under section 23 in any province shall not require to be registered elsewhere in British India and a registration certificate issued in respect of such vehicle shall be effective throughout British India but shall not exempt the vehicle from liability to any tax imposed in any province in which the vehicle is used.

(*2*) Subject to the provisions of section 23 and to any prescribed conditions, a motor vehicle registered by a competent authority in any Indian State or in the French or Portuguese Settlements bounded by India shall not require to be registered in British India, and any certificate of registration issued by any such authority in respect of such vehicle shall be effective throughout British India as if it were a certificate of registration issued under this Act.

(*3*) The provisions of section 33, and the provisions of section 34 in so far as they empower the cancellation of the registration of a motor vehicle when the vehicle has been destroyed or has been rendered permanently incapable of use or is in a dangerous condition and beyond repair, shall apply to any vehicle referred to in sub-section (*2*) while in British India, as they apply to motor vehicles registered under this Act.

Assignment of fresh registration mark on removal to another province.

**29.** (*1*) When a motor vehicle registered in one province has been kept in another province for a period exceeding twelve months, the owner of the vehicle shall apply to the registering authority, within whose jurisdiction the vehicle then is, for the assignment of a new registration mark and shall present the certificate of registration to that registering authority.

(*2*) The registering authority, to which application is made under sub-section (*1*), shall assign the vehicle a registration mark in accordance with the Sixth Schedule to be carried thenceforth on the vehicle and shall enter the mark upon the registration certificate before returning it to the applicant and shall, in communication with the registering authority by whom the vehicle was previously registered, arrange for the transfer of the registration of the vehicle from the records of that registering authority to its own records.

(*3*) A Provincial Government may make rules under section 39 requiring the owner of a motor vehicle registered outside the province, which is brought into or for the time being in the province, to furnish to a prescribed authority in the province such information with respect to the motor vehicle and its registration as may be prescribed.

Change of residence or place of business.

**30.** (*1*) If the owner of a motor vehicle ceases to reside or have his place of business at the address recorded in the certificate of registration of the vehicle, he shall, within fourteen days of any such change of address, intimate his new address to the registering authority by which the certificate of registration was issued, or, if the new address is within the jurisdiction of another registering authority, to that other registering authority, and shall at the same time forward the certificate of registration to the registering authority in order that the new address may be entered therein.

(*2*) A registering authority other than the registering authority in whose records the registration of the vehicle is recorded making any such entry shall communicate the altered address to the registering authority in whose records the certificate of registration is recorded.

(*3*) Nothing in sub-section (*1*) shall apply where the change of the address recorded in the certificate of registration is due to a temporary absence not intended to exceed six months in duration or where the motor vehicle is neither used nor removed from the address recorded in the certificate of registration.

Transfer of ownership.

**31.** (*1*) Within fourteen days of the transfer of ownership of any motor vehicle registered under this Chapter, the transferee shall report the transfer to the registering authority within whose jurisdiction he resides and shall forward the certificate of registration to that registering authority together with the prescribed fee in order that particulars of the transfer of ownership may be entered therein.

(*2*) A registering authority other than the registering authority in whose records the certificate of registration is recorded making any such entry shall communicate the transfer of ownership to the registering authority in whose records the certificate of registration is recorded.

Alteration in motor vehicle.

**32.** (*1*) If a motor vehicle is so altered that the particulars contained in the certificate of registration are no longer accurate, the owner of the vehicle shall, within fourteen days of the making of any such alteration, report the alteration to the registering authority within whose jurisdiction he resides and shall forward the certificate of registration to that authority together with the prescribed fee in order that particulars of the alteration may be entered therein.

(*2*) A registering authority other than the registering authority in whose records the certificate of registration is recorded making any such entry shall communicate the details of the entry to the authority in whose records the certificate of registration is recorded.

Suspension of registration.

**33.** (*1*) A registering authority or other prescribed authority, which has reason to believe that any motor vehicle within its jurisdiction is in such a condition that its use in a public place would constitute a danger to the public, or that it fails to comply with the requirements of Chapter V or of the rules made thereunder, may, after giving the owner an opportunity of making any representation he may wish to make, suspend the certificate of registration of the vehicle until the defects are remedied to its satisfaction.

(*2*) An authority other than a registering authority shall, when making a suspension order under sub-section (*1*), intimate in writing the fact of suspension and the reasons therefor to the registering authority within whose jurisdiction the vehicle is at the time of the suspension.

(*3*) Where the registration of a motor vehicle has been suspended under sub-section (*1*) for a continuous period of not less than one month, the registering authority, within whose jurisdiction the vehicle was when the registration was suspended, shall, if it is not the authority in whose records the registration of the vehicle is recorded, inform that authority of the suspension;

and when the suspension has continued without interruption for a period of not less than six months, the registering authority, within whose jurisdiction the vehicle was when the registration was suspended, shall cancel the certificate of registration and shall, if it is not the authority in whose records the registration of the vehicle is recorded, forward the cancelled certificate to that authority.

(*4*) The owner of a motor vehicle shall, on the demand of a registering authority or other prescribed authority which has suspended the certificate of registration of the vehicle under this section, surrender the certificate of registration and any token or card issued to authorise the use of the vehicle in a public place.

(*5*) A certificate of registration and any token or card surrendered under sub-section (*4*) shall be returned to the owner when the order suspending registration has been rescinded and not before.

**Cancellation of registration.**

**34.** (*1*) If a motor vehicle has been destroyed or has been rendered permanently incapable of use or has been permanently removed out of British India, the owner shall, within seven days or as soon as may be, report the fact to the registering authority within whose jurisdiction he resides and shall forward to that authority the certificate of registration of the vehicle.

(*2*) The registering authority shall, if it is the authority in whose records the registration of the vehicle is recorded, cancel the registration and the certificate of registration, or, if it is not, shall forward the report and the certificate of registration to the registering authority in whose records the registration of the vehicle is recorded, and that authority shall cancel the registration and the certificate of registration.

(*3*) Any registering authority may order the examination of a motor vehicle by a prescribed authority and, if it is satisfied that the vehicle is in such a condition that its use in a public place would constitute a danger to the public and that it is beyond reasonable repair, may cancel the registration of the vehicle.

(*4*) A registering authority cancelling the registration of a motor vehicle under sub-section (*3*) of section 33 or under sub-section (*3*) of this section shall communicate the fact in writing to the owner of the vehicle and the owner of the vehicle shall forthwith surrender to that authority the certificate of registration of the vehicle and any token or card issued to authorise the use of the vehicle in a public place.

(*5*) If the registering authority referred to in sub-section (*4*) is not the authority in whose records the registration of the vehicle is recorded, it shall forward the certificate of registration of the vehicle and a copy of the order of cancellation to the registering authority in whose records the registration of the vehicle is recorded.

(*6*) Any owner of a motor vehicle aggrieved by an order of cancellation made under sub-section (*3*) may appeal against the order to the prescribed authority.

**Special requirement for registration of transport vehicle.**

**35.** (*1*) After the 31st day of December, 1938, a registering authority shall refuse to register any transport vehicle other than a motor cab, unless the application for registration is accompanied by a document in Form F as set forth in the First Schedule signed by the maker or assembler of the vehicle stating the greatest laden weight and greatest axle weights for which the vehicle is and the several axles are designed.

(2) After the said date no transport vehicle, other than a motor cab, made or assembled in British India, and no chassis capable of being used in the construction of any such transport vehicle which is made or assembled in British India shall be issued from the place of manufacture or assembly, unless it is accompanied by a document signed by the maker or assembler of the vehicle or chassis, setting forth the particulars specified in sub-section (1).

(3) After the said date no transport vehicle other than a motor cab, and no chassis capable of being used in the construction of such a vehicle shall be imported into British India, unless the document referred to in sub-section (1) is produced to the Customs Collector at the port of entry.

(4) Where a transport vehicle or chassis, as the case may be, has affixed to it a metal plate, bearing the stamp of the maker or assembler and identified as appertaining to the particular vehicle or chassis to which it is attached, which contains the particulars specified in sub-section (1), that plate may at the discretion of a registering authority or a Customs Collector be deemed to be the document referred to in sub-sections (1), (2) and (3).

**Special particulars to be recorded on registration of transport vehicle.**

**36.** (1) A registering authority, when registering a transport vehicle other than a motor cab, shall enter in the record of the registration and shall also enter in the certificate of registration of the vehicle the following particulars, namely:—

(3) When by reason of an alteration in the number, nature or size of tyres attached to the vehicle the registered laden weight or any registered axle weight recorded in the certificate of registration no longer accords with the laden weight or the axle weight as determined in accordance with sub-section (2), the provisions of section 32 shall apply, and the registering authority shall enter in the certificate of registration a revised registered laden weight and registered axle weights.

**Certificate of fitness of transport vehicle.**

**37.** (1) A transport vehicle shall not be deemed to be validly registered for the purposes of section 22, unless it carries a certificate of fitness in Form H as set forth in the First Schedule, issued by the prescribed authority, to the effect that the vehicle complies for the time being with all the requirements of this Act and the rules made thereunder.

(2) Subject to the provisions of sub-section (3), a certificate of fitness shall remain effective for three years, unless a shorter period, not being in any case less than three months, is specified in the certificate by the issuing authority.

(3) The issuing authority or other prescribed authority may cancel a certificate of fitness at any time, if satisfied that the vehicle to which it relates no longer complies with all the requirements of this Act and the rules made thereunder; and on such cancellation the certificate of registration of the vehicle and any permit granted in respect of the vehicle under Chapter IV shall be deemed to be suspended until a new certificate of fitness has been obtained.

(4) Notwithstanding anything contained in sub-section (1), a Provincial Government may, until the expiry of three years from the commencement of this Act, by rules made under section 39, dispense with the necessity for a certificate of fitness in the case of all or any transport vehicles in respect of which certificates of registration and permits had already been issued before the commencement of this Act.

Registration of vehicles, the property of the Central Government.

**38.** (1) The authority specified in Part B of the Fourth Schedule may register any motor vehicle which is the property of the Central Government; and any vehicle so registered shall not, so long as it remains the property of the Central Government, require to be registered otherwise under this Act.

(2) An authority registering a vehicle under sub-section (1) shall assign a registration mark in accordance with the provisions contained in the Fourth Schedule and shall issue a certificate in respect of the vehicle that the vehicle has been registered under this section.

(3) If a vehicle registered under this section ceases to be the property of the Central Government, the provisions of section 23 shall thereupon apply.

(4) The authority registering a vehicle under sub-section (1) shall furnish to any Provincial Government requesting it so to do all such information regarding the general nature, overall dimensions, and axle weights of the vehicle as the Provincial Government may at any time require.

Provided that a stage carriage permit shall, subject to any conditions that may be specified in the permit, authorise the use of the vehicle as a contract carriage:

Provided further that a public carrier's permit shall, subject to any conditions that may be specified in the permit, authorise the holder to use the vehicle for the carriage of goods for or in connection with a trade or business carried on by him.

(*4*) Subject to the provisions of clause (*b*) of sub-section (*3*), no person who has any financial interest in any transport undertaking shall be appointed as a member of a Regional or Provincial Transport Authority; and if any person being a member of any such Authority acquires a financial interest in any transport undertaking he shall, within four weeks of so doing, give notice in writing to the Provincial Government and shall thereupon vacate office.

8. The driver of a motor vehicle shall, when passing or meeting a body of troops or police on the march or when passing workmen engaged on road repair, drive at a speed not greater than fifteen miles an hour.

9. The driver of a motor vehicle shall—

(*a*) when turning to the left, drive as close as may be to the left hand side of the road from which he is making the turn and of the road which he is entering;

(*b*) when turning to the right, draw as near as may be to the centre of the road along which he is travelling and cause the vehicle to move in such a manner that—

(*i*) it passes beyond, and so as to leave on the driver's right hand, a point formed by the intersection of the centre lines of the intersecting road, and

(*ii*) it arrives as near as may be at the left hand side of the road which the driver is entering.

## THE ELEVENTH SCHEDULE.

(*See* section 76.)

### SIGNALS.

1. When about to turn to the right or to drive to the right hand side of the road in order to pass another vehicle or for any other purpose, a driver shall extend his right arm in a horizontal position outside of and to the right of his vehicle with the palm of the hand turned to the front.

2. When about to slow down or turn to the left, a driver shall extend his right arm with the palm downward and to the right of the vehicle and shall move the arm so extended up and down several times in such a manner that the signal can be seen by the driver of any vehicle which may be behind him.

3. When about to stop a driver shall raise his right forearm vertically outside of and to the right of the vehicle, palm to the front.

4. When a driver wishes to indicate to the driver of a vehicle behind him that he desires that driver to overtake him, he shall extend his right arm and hand horizontally outside of and to the right of the vehicle and shall swing the arm backwards and forwards in a semi-circular motion.

## STATEMENT OF OBJECTS AND REASONS.

It has been recognised now for some years past that the Indian Motor Vehicles Act, 1914, which was framed to suit conditions at an early stage of development of motor transport, is no longer adequate to deal with conditions brought about by the rapid growth of motor transport in the past two decades. In the interests alike of the safety and convenience of the public and of the development of a co-ordinated system of transport, much closer control is required than the present Act permits, and it is necessary to take powers to regulate transport.

2. The question of the co-ordination of road and railway and the methods by which the object can be secured consistently with the public interest has engaged the attention of the Government of India for some years past. As early as 1933, Messrs. Mitchell and Kirkness carried out, at the instance of the Government of India, an enquiry into these problems and submitted a report in which they emphasized the importance of early action. The Road-Rail Conference convened by the Government of India in the same year passed a resolution, *inter alia*, recommending control of public service and goods motor transport. In January 1935 the first Transport Advisory Council made definite recommendations to the same effect. In the following year a Bill was framed to give effect to these recommendations which was approved by the second Transport Advisory Council who also recommended a complete overhaul of the Act of 1914 at an early date and the appointment of a committee to enquire into and report on the subject of compulsory insurance of motor vehicles.

3. A Bill was introduced in August 1936 to amend the Act of 1914 on certain points. It was, however, recognized then that a more comprehensive measure would have to follow. The Legislature decided that the Bill should be circulated and this was done, but before further action could be taken on it, the reports of the Motor Vehicles Insurance Committee and of the Wedgwood Committee were received. Government decided that in the circumstances it was preferable to drop the partial measure and to present a more comprehensive Bill. The present Bill incorporates the main recommendations of both these Committees and is the outcome of consultations with Provincial Governments and the third Transport Advisory Council which deliberated on it in December last. The principle of compulsory insurance has been approved by almost all the Provincial Governments, though there are differences of opinion as to whether its adoption should be entirely optional or whether, in the interests of uniformity, its adoption within a certain period of time should be obligatory.

## NOTES ON CLAUSES.

### CHAPTER I.

*Clause 1.*—"Extent"—Some provinces are not in favour of introducing compulsory insurance immediately. It is therefore proposed to allow five years as the period in which it may be introduced.

### CHAPTER II.

*Clause 3*—makes a distinction between professional and private drivers. Some provinces already have the distinction and others have an implied distinction in that drivers who intend to work as chauffeurs have photographs on their licences.

*Clause 4.*—Although most provinces agree to the 21-year minimum age limit for drivers of transport vehicles and have such provision in their existing rules, one or two others see no necessity for this restriction. Sub-clause (*3*) will therefore enable them to allow drivers under 21 to drive transport vehicles, particularly delivery vans, within the province only.

*Clause 7 (3).*—The concensus of opinion of Provincial Governments is that medical certificates should be obligatory for all drivers other than owner drivers, and even from the latter the licensing authority should be empowered to demand a medical certificate if he is not satisfied as to the applicant's general appearance of fitness.

*Clause 7 (4).*—The concensus of opinion of Provincial Governments is that photographs should be submitted by these two classes of applicants.

*Clause 7 (6).*—Since the intention is that licences should be valid throughout British India, all applicants for new licences should pass the test specified in the Third Schedule in driving the class of vehicle specified in the application. An exception is made of existing licences under the Indian Motor Vehicles Act, 1914, as it would be impracticable to insist on their passing the driving test.

The proviso will meet the case of applicants particularly from overseas who have previously held licences granted in their own countries.

*Clause 8 (2).*—The necessity for these various classes of licences is apparent. (*j*) covers the rare case of a man with some physical disability, *e.g.*, only one leg, who may be permitted to drive a very light car or one specially adapted for him.

*Clause 9 (1).*—There are varying opinions as to how far licences should have all-India validity. One or two provinces are in favour of extending all-India validity to all licences including those to drive public service vehicles. On the other hand, one province would not extend all-India validity to a licence to drive a goods vehicle. One or two would like power to impose special restrictions in special areas. The majority however feel that drivers of public service vehicles should be under stricter supervision in view of their responsibility for the safety of the public. It is therefore proposed that licences to drive public service vehicles should by provincial rules only be valid in the province when endorsed to that effect, and that, in view of the stringency of the specified test for drivers, all-India validity should be extended to all other forms of licences.

*Clause 9 (2).*—The position in respect of the validity of licences issued in States is chaotic. Most provinces have rules extending validity to licences issued in States specified in a schedule to the rules but these have not been uniformly amended and frequently differ in consequence. It is proposed therefore that licences issued by States to *bona fide* residents should generally be valid.

*Clause 9 (3).*—The general opinion is that while the licensing authority should judge as to a person's competence and physical fitness to drive, the transport authority in the discharge of its special responsibility for the control of public service vehicles should have the final say as to the persons by whom such vehicles should be driven. There is however some difference of opinion in this matter, and it is therefore left to the rule making powers of Provincial Governments.

*Clause 11.*—A uniform renewal fee is necessary. Provision is made for the renewal at ordinary rates of an expired licence by a person who, for example, has been ill for a sustained period or out of India on long leave and so genuinely unable to renew his licence in time.

*Clause 13.*—Sub-clause (*2*) provides the necessary check upon irregular or arbitrary use of power by licensing authorities.

*Clause 14.*—The intention of this is to continue and regularise the present arrangement under which Army and Air Force drivers are licensed by Army and Air force authorities. This is done at present by a long standing agreement with Provincial Governments, who have tacitly accepted the arrangement or formally granted exemption under section 13 of the existing Act of 1914. The holders of these licences will however be subject to the ordinary law (including punishment by Courts, suspension and endorsement of licence) and in addition will not be enabled by the licences to drive any vehicle other than one owned by the Central Government.

*Clause 15.*—This repeats, in a form amplified to meet present requirements, the provision in section 18 (*1*) of the existing Act.

*Clause 16.*—Transport authorities are responsible for seeing that public service vehicles are run in the best interests of and to the safety of the travelling public. It seems only reasonable therefore that they should have a deciding word as to the persons by whom public service vehicles are driven.

*Clause 17.*—Some Provincial Governments have made rules under section 18 (IA) of the Indian Motor Vehicles Act, 1914, delegating to licensing authorities power to suspend or cancel licences. Since disqualification is a severe punishment it is considered more satisfactory

to leave its infliction to the decision of the Court, after a proper trial. The offences themselves, however, are grouped in two categories: those for which disqualification should be obligatory, and those for which disqualification may be left to the discretion of the Court.

*Clause 19.*—In order to secure a reasonable measure of uniformity in respect of the endorsement of licences, the offences in respect of which the Courts shall be bound to endorse licences are specified in the Fifth Schedule. Licences will therefore invariably be endorsed by the Courts for these offences and by the Courts or other competent authority in respect of any period of disqualification. The offences specified in the Schedule will be those in respect of which endorsement is necessary. Other offences not specified will be of a technical nature and, although no specific provision is made, the intention is that they should not be endorsed.

*Clause 20.*—In order to secure uniformity in respect of the issue of a clean licence after three years' clean driving, in conformity with the views expressed by the majority of Provincial Governments, it is proposed that in the Schedule specifying offences, convictions in respect of which are to be endorsed on licences, shall be divided into two parts —Part A will contain the more serious offences, endorsements in respect of which should never be expunged and must be repeated on any new licence issued, and Part B will specify the offences the endorsements in respect of which can be expunged after three years' clean period of driving. Thus, in the event of any person being prosecuted for an offence under this Act, his licence will furnish a record of all previous convictions of a serious nature as well as recent convictions of a less serious nature, and upon demand by the prosecution for the disqualification of the holder the courts may normally be expected to disqualify a habitual offender. The power of licensing authorities to disqualify will therefore not be as necessary as it is held to be at present.

## Chapter III.

*Clause 22.*—*Cf.* Indian Motor Vehicles Act, 1914, section 10.

Sub-clause (*2*) usually appears at present in provincial rules.

*Clauses 23, 28 and 29.*—The increasing inter-provincial circulation of vehicles makes it very desirable that registration shall have all-India validity. The object of these clauses therefore is that a certificate of registration as such when once taken out shall be valid in perpetuity throughout British India, and shall remain as a history of the vehicle during the vehicle's life. But if the vehicle is transferred from one province to another for a period greater than twelve months, the owner will have to apply in the new province for the allotment of a fresh distinguishing mark (registered number) which will be entered in the certificate of registration. The documents and record of registration will then be transferred to the new province. This will necessitate amendment of some provincial taxation Acts, but it is felt that the disadvantages of linking registration to taxation out-weigh the advantages.

*Clause 24.*—The range of vehicles is extending farther and farther beyond provincial boundaries and the desirability of uniform distinguishing marks is becoming more evident.

*Clauses 26 and 27.*—These provisions already appear in provincial rules.

*Clauses 30-32.*—These reproduce the substance of what already appears in provincial rules, but to facilitate matters for the vehicle owner they enable him to report a change of address or of ownership, or alteration in the vehicle to a registering authority who is convenient for the purpose.

*Clause 33.*—This again appears in substance in provincial rules, but additional provision is included requiring that if a defective vehicle is not repaired within a reasonable period its registration shall be cancelled.

*Clauses 35 and 36.*—In order to check overloading the maximum permissible weight and axle weights must be specified in the registration certificate. The registering authority has no means of determining these and it is proposed therefore to require the manufacturer to certify

in respect of every chassis. To guard against the possibility of the certified weight being incorrectly specified, it is proposed that the legal weight on any axle shall be governed by the size of the pneumatic tyres attached to the wheels of that axle in accordance with scheduled permissible loads on tyres of different sizes.

*Clause 36 (3)*—is intended to meet the case of an owner who registers his vehicle for a specified laden weight on one set of tyres, and then puts on smaller tyres which have a lower carrying capacity. If the gross load on the smaller tyres exceeded the maximum load calculated in accordance with the provisions of the Tenth Schedule an offence of overloading would arise.

*Clause 37.*—As registration is not to be renewed annually, it is necessary to provide that transport vehicles shall be brought up periodically, or as required, for mechanical inspection. It is proposed to do this by attaching to the registration certificate a certificate of fitness which will specify the date by which the vehicle has to be re-examined. One real advantage to be derived from these certificates is that the inspection will take place as and when due, and there will be no necessity for any disorganisation of passenger services due to all vehicles being called up for examination at a particular time.

*Clause 38.*—This provides for the continuance of the existing arrangements under which Defence Department vehicles are exempt from the ordinary procedure of registration.

## CHAPTER IV.

*General.* This Chapter legislates specifically for the control of transport vehicles, *i.e.*, vehicles carrying passengers for hire or reward, or goods whether for hire or reward or otherwise. Such vehicles are divided into four classes, namely:—

(*a*) stage carriages, *i.e.*, motor buses on regular or quasi-regular services;

(*b*) contract carriages, *i.e.*, taxis and other motor cabs, and buses used for special occasions;

(*c*) private carriers (of goods); and

(*d*) public carriers (of goods).

The general scheme is that the control of these separate classes of vehicles should be in the hands of transport authorities constituted for specified areas within the province; and that for the purpose of co-ordination, hearing appeals, etc., there should also be constituted a transport authority for the province. The constitution of these bodies is a matter upon which the Provincial Governments have particularly been consulted.

All motor transport vehicles must be covered by a permit issued by the transport authority of an area, and the effectiveness of every permit will depend on the observance by the holder of recognised general conditions such as the satisfactory maintenance of the vehicle, the observance of prescribed speed limits, and the avoidance of overloading the vehicle or overworking the drivers.

*Clauses 40 (2), 49 and 50.*—The *bona fide* private carrier should not be required to justify his application in the face of opposition by other providers of transport although the private carrier will in other respects, *e.g.*, weight and speed limits, and safety regulations, be under the same obligation as the public carrier. All provinces, save one, have agreed that a differentiation between the two classes is necessary and that a private carrier should have a permit for identification on the road and to show that the vehicle is being rightly used. One province would make no distinction but the Bill follows the English practice in which this distinction is made. In England a private carrier's permit is easily obtained because the granting of the permit is not open to opposition by providers of public transport.

*Clause 40 (4).*—This sub-clause will enable Provincial Governments to deal with the private bus, control over which they may deem desirable.

*Clause 41 (1).*—The extent of the region and the constitution of the regional authority are left entirely to Provincial Governments, as it is impossible to specify in the Bill, except by way of the general indication given in clause 41 (*3*), a constitution which would suit the different conditions, sizes of region, etc., prevailing in each province.

*Clause 41 (2).*—The constitution of the provincial authority is permissive. It may be required for purposes of co-ordination or to settle differences between regional authorities or to increase control over through routes. Some statutory basis is therefore required.

*Clause 41 (3).*—This indicates how authorities may be constituted. What may suit one province may not suit another; but if a composite authority is constituted containing representatives of transport interests, then it is only equitable that the main transport interests should be accorded equal representation.

*Clauses 44, 47 and 52*—lay down the general principles which should guide transport authorities in granting permits for stage or contract carriages or to public carriers. These embody the accepted principles of public necessity and convenience, the prevention of uneconomic competition, and the suitability of the roads to carry the forms of transport requiring the permits. In the case of public goods traffic, the principle adopted is that, while the transport of perishables by short distance transport by road in order to avoid delay and damage caused by terminal transhipment should not be interfered with, long distance traffic should be left primarily to railways.

*Clause 45 (d) (ii).*—It has been urged from more than one quarter that a route permit holder in return for the security given to him against unreasonable competition should maintain a regular service, *i.e.*, have the responsibilities of a public utility company.

*Clause 50 (1).*—The roads generally are not fit for sustained heavy traffic and this is a consideration which must be taken into account.

*Clause 50 (2).*—For instance, the owner of a sugar mill might hold a private carrier's permit to carry cane, sugar, coal and mill stores within a radius of fifty miles from his mill. If found outside that radius or carrying other goods, breach of the conditions would occur.

*Clause 51 (d).*—The justification for using the roads for heavy goods traffic where alternative facilities exist depends to a large extent on the nature of the goods to be carried. For some the longer time taken by rail or water will be sufficient justification, for others the time factor can be largely discounted. Regional authorities will have to exercise their discretion.

*Clause 51 (e).*—It is desirable that the applicant should be called upon to show public need, *i.e.*, with reference to particular classes of goods, or that certain firms had agreed to employ him.

*Clause 52.*—These conditions are of common application; (*d*) is intended to indicate that regional authorities should consider any representation that if they allow much highly rated traffic to be diverted from rail to road other railway freights will inevitably be raised.

*Clause 59 (1).* Provision has been made in sub-clause (*2*) (*h*) of clause 64 for rules whereby provincial authorities may make mutual arrangements for validating permits outside their jurisdiction without countersignature.

*Clause 59 (4).*—This is necessary particularly for temporary permits for vehicles for feasts, weddings, funerals, etc.

*Clause 61.*—These provisions are desirable but are not likely to be generally enforced until more regularly timed services are established. But they will be used against an owner in the event of an accident where the driver has been grossly overworked, and also in well-known cases of abuse.

*Clause 65.*—The transitory provisions are required because the transport authorities contemplated in this Chapter cannot be expected to function effectively straightaway.

CHAPTER V.

*Clause 67.* The rule-making powers outlined in this section are unavoidable. Although uniformity in respect of rules in this Chapter is desirable, such rules cannot conveniently be incorporated in the Bill owing to periodical changes in the design of vehicles from time to time.

CHAPTER VI.

*Clause 68, sub-clause (1), and the Eighth Schedule.*—It may with some force be argued that speed limits are connected with the local strength of roads and should be left for local prescription. But, as in the case of permissible weights, there are advantages in making speeds uniform. It is true that motor transport vehicles will ply within the province but there will always be a good deal of traffic across provincial borders. There are other practical reasons why uniform speed limits should be uniform and imposed by the Act, *e.g.*, insurance risks may vary with permissible speed and it is desirable that premium rates should be uniform throughout India. If mechanical speed governors are introduced, as is to be hoped, they must be set for a certain speed and be sealed by some authority. A governor set for the legal speed in one province may be illegal in another if there is a difference in speed limits. Uniform reasonable speed limits coupled with the compulsory use of speed governors will tend to reduce not only accidents but also premium rates.

*Clause 69.*—The object is twofold. Firstly, to put a stop to gross overloading by specifying a maximum permissible weight and axle weight which is reasonable for vehicles at present in general use. Secondly, a reasonable limit is imposed which will generally apply but can be varied upwards or downwards by Provincial Governments to suit local conditions.

*Clauses 72 and 75 and Ninth Schedule.*—The signs included in the Ninth Schedule have from time to time been standardised for use in India in consultation with Provincial Governments.

*Clauses 75 and 76 and the Tenth and Eleventh Schedules.*—The substance of these Schedules appears in varying form in provincial rules, but it is desirable that driving regulations and signals should be uniform in respect of motor vehicles. For instance, a driver coming to a strange town should not be liable to commit an offence in passing a tram-car owing to local variations in traffic rules.

*Clauses 77-35.*—These will standardise similar provisions in provincial rules.

*Clause 85.*—This reproduces and extends existing section 4 of the Indian Motor Vehicles Act, 1914, which contains a definition of "animal".

*Clause 86.*—This allows appeals in provincial rules.

*Clause 87.*—This is very necessary and it is proposed that the penalty for its breach should include disqualification under clause 17 (*6*).

CHAPTER VII.

*Clause 90.* Under this, rules can be made not only to deal with vehicles, controlled by an International Convention but also those coming from and going to countries which are not signatories to the Convention.

CHAPTER VIII.

*General.*—The provisions relating to compulsory insurance in respect of third party risks follow closely the recommendations of the Motor Vehicles Insurance Committee and are almost wholly adapted from the English law.

*Clause 93.*—The limits of cover are those recommended by the Motor Vehicles Insurance Committee. In sub-section (*3*) power is given to Provincial Governments to require, in addition, that the liability of an owner in respect of claims arising under the Workmen's Compensation Act shall also be covered by insurance.

*Clause 94.*—Sub-clause (*3*) is a variation of section 38 of the English Road Traffic Act, 1930, and section 12 of the English Road Traffic Act, 1934. Those sections provide that an insurer could not repudiate liability on account of the breach of certain specified conditions that the insurer might have inserted in the policy. The general effect of this provision has been given close attention by the Cassel Committee whose report has recently been published and they have recommended that, instead of specifying conditions for breach of which an insurer would not be able to avoid liability, it would be better to specify those for breach of which liability could be avoided. The draft of sub-clause (*3*) follows their recommendations in this respect. It is more satisfactory as it defines the exact position of the insurer in relation to the conditions he may impose.

*Clause 100* (*2*).—This is as recommended by the Motor Vehicles Insurance Committee.

*Clause 103.*—This is as recommended by the Motor Vehicles Insurance Committee.

*Clause 106.*—This is as recommended by the Motor Vehicles Insurance Committee and incorporates the recommendations of the Cassel Committee in respect of mutual indemnity associations.

*Clause 107.*—This, as drafted, will enable Provincial Governments to take such action as they deem fit to ascertain that the purposes of this part of the Act are being generally fulfilled. Judicious action under this clause would lead to insurers relying on an authority of this nature for an unbiassed verdict as to their liability, and to a decrease in law suits.

*Clause 108.*—This is as recommended by the Motor Vehicles Insurance Committee and incorporates section 17 of the English Road Traffic Act, 1934.

## Chapter IX.

*Clause 117.*—This is at present only an offence against provincial rules with the penalty specified in section 16 of the Indian Motor Vehicles Act, 1914, and possible suspension of the licence under section 18.

The offence is one which should be penalised heavily and be accompanied by disqualification (suspension of licence). This has been provided for in section 17 (*5*). It has also been made cognisable, but the proviso has been added to section 128 to prevent undue detention of an accused person in custody.

*Clause 118.*—It is obviously necessary that persons who become temporarily unfit, *e.g.*, through a broken arm, extreme fatigue or illness should be barred from driving, and in case of accident from pleading temporary unfitness as the cause of the accident.

*Clause 121.*—This provision usually appears in provincial rules.

*Clause 129, sub-clause* (*2*)—has been introduced as much difficulty is encountered in getting offenders to comply with the summons served on them.

*Clause 130.*—The provisions in this clause are considered to be necessary in view of the prevalent practice of creditors taking a driver's licence as security for a loan, etc.

*Clause 131.*—This provides for speedy action in technical prosecutions.

*Clause 132.*—This provision is reasonable in the interest of the motorist, to prevent him from being charged, after an unduly lengthy period, in connection with an alleged offence the circumstances of which may no longer be easily remembered.

## Resolution on the report of the Director of Public Health, Bengal, for the year 1936.

## GOVERNMENT OF BENGAL.

### DEPARTMENT OF PUBLIC HEALTH AND LOCAL SELF-GOVERNMENT.

**Public Health.**

CALCUTTA, THE 11TH JUNE 1938.

RESOLUTION—No. 2038P.H.

Read—

The Report of the Director of Public Health, Bengal, for the year 1936.

**Vital Statistics.**—The Director of Public Health has given an interesting analysis of the vital statistics for the year under review. The number of births registered was 1,673,206, representing an increase of 39,077 over the number registered in the preceding year, and a rate of 33·5 per mille. The deaths in 1936 numbered 1,222,724 as compared with 1,131,427 in the previous year, representing an increase of 91,297 and a rate of 24·5 per mille. The birth rate was 2·4 above that of the preceding year while the death rate was 7·9 above that of 1935. The total births exceeded the deaths by 450,482 against an excess of 502,702 in the preceding year. The figures for the birth rate and mortality rate for the last ten years are as follows:—

| Year. | Birth rate per mille of population. | Death rate per mille of population. |
|---|---|---|
| 1926 .. .. | 27·4 | 24·7 |
| 1927 .. .. | 27·7 | 25·6 |
| 1928 .. .. | 29·6 | 25·6 |
| 1929 .. .. | 29·3 | 23·5 |
| 1930 .. .. | 26·6 | 22·4 |
| 1931 .. .. | 27·8 | 22·3 |
| 1932 .. .. | 26·6 | 20·5 |
| 1933 .. .. | 29·5 | 24·0 |
| 1934 .. .. | 29·3 | 23·6 |
| 1935 .. .. | 32·7 | 22·7 |

Although the birth rate in the year under review was the highest recorded since 1919, it was lower than the birth rate in the other provinces of India with the exception of the North-West Frontier Province, Assam and Sind. The highest birth rate recorded was in the district of Murshidabad (42·6) and the lowest in Calcutta (26·7). The number of males born to every 100 females during the year under report (108) as well as the proportion of male to female deaths remained the

same as in the preceding year. The lowest death rate was recorded in the district of Burdwan and the highest (32·6) in Calcutta. It must be observed, however, that in a very large proportion of the cases which ended fatally belonged to the category of what may be termed "imported" cases. Calcutta alone recorded an excess of deaths over births. The rate of natural increase in the province fell from 10·0 in 1935 to 9·0 in 1936. It was lower than in all other provinces except the Central Provinces, Sind and Orissa.

**Infantile and Maternal Mortality.**—The rate of infantile mortality, *i.e.*, the number of deaths of infants under 1 year of age per thousand births, which had shown a marked decrease in 1935, rose from 158·5 to 170·9 in 1936. The number of infantile deaths in 1936 was 285,956 representing 23·4 per cent. of the total deaths in the province. 56·5 per cent. of the total infantile mortality occurred among infants under the age of 1 month.

The number of still births showed a slight upward tendency, being 73,399 compared with 72,558 in the previous year. The ratio of still births to live births, however, remained stationary. The number of maternal deaths was 16,581 against 15,608 in 1935. The rate of maternal mortality per thousand live and still births (9·9) showed an increase of 0·4 on the 1935 figure.

The development of maternity and child welfare services is urgently needed to cope with this obstinate and difficult problem. Maternity and child welfare work is mainly a responsibility of the local authorities towards which Government make an annual grant inclusive of a grant for training of indigenous *dais*, besides making grants-in-aid to maternity and child welfare centres and towards educative propaganda through the Bengal Health Welfare Committee. The provision for training of pupil nurses and *dais* in the State and private hospitals continues to be inadequate. A number of proposals for coping with this problem of reduction of maternal mortality and morbidity and child mortality is engaging the attention of the Minister. In the meanwhile the Ministry would urge the local authorities to spare no efforts to put into operation all measures within their power for the benefit of mothers and children and to devote a larger share of their resources towards these services.

**Cholera.**—There was a serious increase in the incidence of this disease during the year under review, the total number of deaths from cholera being 76,100 against 59,605 in 1935 and representing an increase of 50 per cent. over the average of the preceding quinquennium. The provincial death rate from cholera per thousand of population rose to 1·5 from 1·2 in the preceding year. The districts which recorded the highest death rates were Faridpur (4·5), Dacca (3·3), 24-Parganas (2·8) and Jessore (2·8). The district of Darjeeling continued to maintain its freedom from cholera, while Dinajpur and Jalpaiguri returned the lowest death rate, viz., 0·1. The total number of deaths from cholera in rural areas during the year was 72,246, representing a death rate of 1·6 per mille. 3,854 deaths occurred in towns, the rate per mille being 1·1 against 1·4 in the preceding year. The incidence of mortality from this disease was higher than in any other province except Central Provinces and Bihar.

**Cholera-preventive Measures.**—The number of doses of cholera vaccine issued was 2,544,805 against 2,689,025 c.c. and the total number of inoculations performed was 2,211,678 against 2,329,326 in the preceding year. The Director of Public Health ascribes the decrease in the issue of doses of vaccine and in the number of inoculations partly to defective reporting and partly to defective organisation on the part of the local authorities in carrying out the work of preventive inoculation. The existing skeleton rural health organisation in each district with the District Health Officer at the head dealt with outbreaks with a fair measure of efficiency with the assistance rendered by the Public Health Department in the shape of additional staff for preventive and curative work wherever necessary. Preventive measures included disinfection of sources of water-supply, extensive public health propaganda work through the rural public health units and the divisional publicity staff and promulgation of regulations under the Epidemic Diseases Act, which gave power for securing summary abatement of causes of infection. Apart from the need for the development of a sense of community responsibility in the matter of personal and environmental hygiene, the prevention of this formidable epidemic disease is very largely bound up with the problem of provision of adequate sources of pure drinking water throughout the province according to a definite programme. This matter is engaging the attention of Government.

**Small-pox.**—The cyclic rotation of small-pox appears to have reached its lowest point in 1935 with 7,548 deaths. The recorded number of deaths from this disease in the year under review was 46,267, representing 3·8 per cent. of the total provincial mortality and 0·9 per thousand of the population and an increase of 600 per cent. over the figure of 1935 and of 350 per cent. over the average of the previous quinquennium. The rate of mortality was by far the highest among the provinces in British India.

Of the total number of deaths from small-pox, 4,364 occurred amongst children under 1 year of age and 10,099 amongst children between ages of 1 to 10 years. The district of Murshidabad was the worst sufferer with a rate of 7·17 per thousand. Bogra with 0·05 and Bakarganj with 0·03 were the least affected. Of the total deaths in towns, Calcutta was responsible for 44·2 per cent. with a rate of 3·84 per mille against 1·03 in 1935 and against an average of 1·28 in the preceding decade. The number of persons vaccinated during the year under review was 9,137,320 against 9,106,830 in 1935 and constituted a record. The average cost of each successful vaccination remained the same, viz., 1 anna 6 pies. The average cost of the manufacture of vaccine lymphs per dose of half a grain was thus reduced from 1·4 pie in 1935 to 0·94 pie in the year under review. In a country and a province where the provision for compulsory isolation is outside the range of practical considerations and where the sanitary consciousness and responsibility of the individual is undeveloped among the mass of the people, vaccination is the only effective preventive against outbreaks. Although primary vaccination is compulsory throughout the province it is well known that a large number of children escapes primary vaccination and consequently remains unprotected. The responsibility for effectively enforcing primary vaccination lies with the local authorities. The Ministry would impress upon the local authorities the urgent necessity of organising an intensive campaign of vaccination according to a fixed programme spread over a limited number of years so as to cover effectively the population of the whole district. Suggestions have been made

from time to time that secondary vaccination should also be made compulsory. The matter is engaging the attention of Government but a universal practice of repeated vaccinations is likely to remain an ideal, difficult of attainment, until the general public come forward to accept secondary vaccination so as to reduce needless suffering and the risk of premature death from small-pox to a minimum.

**Fevers—Malaria and Kala-azar.**—The number of deaths recorded under "fevers" represented, as usual, the bulk of the number of deaths recorded during the year, viz., 716,142 or 58·4 per cent. against 715,628 or 62·4 per cent. in the preceding year. Not much significance can, however, be attached to this figure as it included deaths from diseases of a widely varying character. The registration of deaths continued to be in the hands of village chowkidars, whose reports cannot be completely relied upon in regard to the causes of deaths. The district recording the highest mortality from fevers was Dinajpur (23·7) and the lowest death rate was returned, as in the previous two years, from Calcutta (3·6).

Malaria was responsible for 337,647 deaths as against 342,955 in the preceding year, giving a rate of 6·8 per mille. The highest death rates were returned by Rajshahi (18·7 per mille) and Jessore (13·9), while the morbidity from malaria was the highest in Nadia. Compared with the death rates in the preceding year, 10 districts showed an upward trend, while 15 districts returned lower rates of mortality.

Deaths from Kala-azar totalled 21,161 as against 17,469 in 1935. The death rate (0·4 per mille) shows a steady though slow increase from 0·35 in 1935 and 0·29 in 1934. There was a decrease of 483 in the number of new Kala-azar cases. This decrease was noticeable in Rajshahi, Rangpur, Malda and Murshidabad. On the other hand Mymensingh, Noakhali and Hooghly showed a marked increase in new cases. Death rate in urban areas remained more or less stationary, but the number of deaths rose in the rural areas by 3,712 or 22·2 per cent. While Kala-azar is fairly amenable to treatment, it tends to reappear as soon as efforts are relaxed by local authorities and treatment centres are closed down. The two towns of Kurseong (1·1 per mille) and Jalpaiguri (1·0 per mille) recorded the highest rates of mortality from Kala-azar.

**Special Anti-malarial Measures.**—The rural mass treatment scheme with cinchona and plasmochin which was started in 1933 in the Memari police-station in the district of Burdwan was continued during the year. A departure was, however, made in the system of treatment by issuing to all school children quinine for seven days and plasmochin for five days from the third day of quinine treatment. Outside the schools all children and adults with enlarged spleen were given similar treatment. After the completion of the distribution of drugs on the above lines the usual treatment centres were reopened as in previous years, a modification being, however, made on the above lines in treating actual fever cases attending these centres.

The year under review was one of excessive rainfall and the incidence of malaria was lower than in the preceding two years. Compared with the first year of the experiment, the morbidity was reduced by 69·3 per cent. in the experimental area whereas in the control area it fell by

53·5 per cent. The average parasitic index among children under 12 years recorded a marked fall both in the experimental and control areas. The spleen index of children under 12 years decreased to 31·4 compared with 66·0 in 1935 in the experimental area.

In connection with the antiludlowii menace, survey and control measures were carried out in the environs of Calcutta. The control measures in the Salt Lake area had received a temporary set-back owing to the non-receipt of contribution from the Corporation of Calcutta, but they were resumed after the receipt of a contribution from that body. The antiludlowii measures were carried out satisfactorily in the Budge Budge area with the willing co-operation of the mill authorities and the district board. The suburban railway areas were treated with successful results in collaboration with the various railway authorities.

**Respiratory diseases.**—There were 94,817 deaths from respiratory diseases, an increase of 9,949 over the figures of 1935, the death rate being 1·9 per mille compared to 1·7 per mille in the preceding year. The recorded death rate in several districts was higher than the average rate of the preceding decade and in 20 districts the death rate showed an increase over that of the previous year. As usual Calcutta recorded the highest death rate (8·9 per mille). Other high figures were Jalpaiguri (5·4), Howrah (4·1), Hooghly (3·8) and Darjeeling (3·5). Malda continued to record the lowest death rate, viz., 0·4 per mille.

Pneumonia accounted for 49,155 deaths, against 41,938 in 1935. The increase in mortality was shared by urban and rural areas. The highest death rate (7·5) was registered in the town of Arambagh. It is noticeable that the towns recording high death rates from pneumonia were, with one or two exceptions, centres of notoriously malariously areas.

Pulmonary tuberculosis (phthisis) was responsible for 15,266 deaths or 0·31 per mille against 16,524 or 0·33 per mille in the preceding year. The average death rate in certain areas was 1·18 per mille. The highest death rate (2·9) was recorded in Kurseong and the next highest (2·5) in Calcutta.

During the year under review inquiries were carried out with a view to finding a suitable site in the province for a climatic sanatorium for tuberculosis with the help of the generous donation of Rs. 2,80,000 made for this purpose by Babu Ram Coomar Bangur in the preceding year, and the services of Dr. Frimodt Moller, Medical Superintendent of the Madanapalli Sanatorium in Madras, were requisitioned by Government for giving advice regarding the best site in the province.

**Other diseases.**—There were 8,359 deaths from enteric fever compared to 8,709 in the preceding year. While the provincial death rate remained the same, the death rate showed an upward trend in all towns including Calcutta, which recorded an increase of 18·4 per cent. There was, however, a decrease of 6·7 per cent. in the rural areas. Dysentery took a toll of 30,905 lives and diarrhoea of 26,307 during the year under review as against 27,349 and 24,581, respectively, in the previous year. The two diseases were responsible for 4·7 per cent. of the total provincial mortality. The combined death rate was highest in Howrah (3·39) followed by Darjeeling (2·94). The Director of Public Health has pointed out that these two districts have for the last few years been returning the largest number of deaths in the province. There was one reported case of death from plague in Calcutta within the year.

**Leprosy.**—Leprosy accounted for 494 deaths in the province. Of this number the urban areas returned 35 deaths of which 20 occurred in Calcutta. The British Empire Leprosy Relief Association has carried on valuable survey and propaganda work which resulted in the establishment of more than two hundred clinics maintained by the local authorities in the various districts. The Director of Public Health has drawn particular attention to the good work done in this connection by the union boards in the district of Bankura which established 26 clinics.

**Fairs and festivals.**—The Director of Public Health has given an interesting account of the medical and sanitary arrangements made by the Public Health Department and the local authorities concerned for the prevention of the outbreak of infectious diseases at the Ganga Sagar and Nangalbandh melas which are attended every year by a large number of pilgrims. It is gratifying to note that there were only 6 cases of cholera at the Ganga Sagar mela and 4 cases in the Nangalbandh mela and that only one case in each mela proved fatal. The suggestions made by the Director of Public Health for adequately safeguarding public health in the various fairs and festivals will receive the careful consideration of Government.

**Sanitary works including water-supply.**—Rs. 47,18,185 or 37·0 per cent. of the total receipts inclusive of opening balance of municipalities was spent on sanitary works during the year under review, showing a decrease of 5 per cent. compared with the expenditure in the previous year. The average expenditure per head of municipal population was Rs. 204 against Rs. 213 in 1934-35. Of the total municipal expenditure on sanitation Rs. 24,23,401 was spent on conservancy, Rs. 9,81,763 on water-supply and Rs. 3,89,349 on drainage.

**Housing and town planning.**—Government have noted the suggestions made by the Director of Public Health with regard to the improvement of housing conditions in urban and rural areas which undoubtedly react on the general health of the people. A good deal of educative work with a view to creating a strong public opinion on the subject will, however, be necesary before any housing policy leading to the improvement of the existing conditions can be effectively adopted in the rural areas. In the meanwhile the Minister would impress upon the municipal authorities the desirability of a strict enforcement of building regulations in urban areas.

**School Hygiene.**—Thirteen School Medical Officers were employed under the Education Department in Calcutta. They visited 33 Government and Government aided secondary schools and examined 4,105 scholars during the year. Detailed examination was also conducted by the medical officers attached to non-government institutions. History sheets were filled up of 7,857 scholars. Of these 36·8 per cent. were found to be well nourished and 18·7 per cent. badly nourished. 26·7 per cent. of the students examined were found to have eye trouble. 9 per cent. had very defective teeth and 6·1 per cent. had enlarged tonsils. In the municipal areas other than Calcutta 28 medical officers visited 103 schools and examined 10,410 pupils an improvement over the preceding year's figures. Of these 29·3 per cent. were well nourished and 27·1 per cent. ill-nourished. 10·3 per cent. had very defective teeth and 9·1 per cent. were found to be suffering from eye trouble. 2·8 per cent. of the students examined bore no vaccination marks.

In the rural areas 4,927 students were medically examined in 86 High English Schools as against 2,146 students in 54 schools in the preceding year. 35 per cent. of these boys were found to be well nourished, while 20 per cent. showed signs of poor nourishment. 6 per cent. of the students examined had enlarged spleen. 5,606 schools were visited by the rural sanitary staff. The number of pupils examined was 179,556 against 172,032 in 1935. Government recognise the fact that the school health service is far from satisfactory, and a combined scheme for school and industrial hygiene work is under the consideration of the Ministry.

**Health propaganda.**—Health publicity work was carried out throughout the province by the publicity staff by means of cinema shows, magic lantern demonstrations, exhibitions, health weeks and lectures. Ten touring cinema parties worked throughout the province. 10,613 cinema demonstrations were given and these were witnessed by 1,264,660 persons. The fall in the attendance compared to that of the preceding year has not been explained. Three new health films were prepared during the year. The Government exhibition van visited Jessore, Midnapore, and Nadia and held 58 demonstrations which were attended by over 70,000 persons.

**General.**—The normal activities of the department were maintained during the year under review although owing, among other reasons, to continued financial stringency, it was not found possible to effect any special development in the public health service. Besides meeting a moiety of the salaries of the health officers employed by the various local bodies, Government incurred an expenditure of Rs. 10,95,300 for maintenance of a skeleton rural health organisation in the province. A Government grant of Rs. 1,90,000 was made for the improvement of rural water-supply and a sum of Rs. 1,73,000 was also spent through the local officers for same purpose out of the Government of India's grant for rural uplift. Other subventions included Rs. 70,000 for combating Kala-azar, Rs. 45,000 for free vaccination and Rs. 2,26,200 for anti-malarial measures, inclusive of free distribution of quinine. The Tuberculosis Association, Bengal, was assisted with the usual annual grant of Rs. 10,000 and the Bengal Branch of the British Empire Leprosy Relief Association received a subsidy of Rs. 5,500 for educative propaganda. For the first time a contribution of Rs. 2,700 was sanctioned for augmenting local resources towards the establishment of leprosy clinics in the rural areas of Bankura, one of the most seriously affected districts.

The calls on the public health department by the local authorities at times of serious outbreaks of epidemics were many and the department was able to render very valuable assistance in combating them.

**Personal.**—Dr. R. B. Khambata held charge of the department till April 1936, when he was succeeded by Major (now Lt.-Col.) A. C. Chatterji, I.M.S. The Minister desires to record his appreciation of the services of Dr. R. B. Khambata and Lt.-Col. Chatterji in efficiently administering the department during the year under review.

By order of the Governor,

G. S. DUTT,
*Secy. to the Govt. of Bengal.*

## DEPARTMENT OF AGRICULTURE, BENGAL.

Dacca, the 11th June 1938.

### Monthly Weather and Crop Report of Bengal for May 1938.

I. *Character of the season.*—During the month under review, the rainfall was much in excess of the normal all over the Presidency. The usual rainfall statement is appended.

(*1*) Where any person has, by means of a transfer of assets, by virtue or in consequence whereof, either alone or in conjunction with associated operations, income becomes payable to a person not resident in British India, acquired any rights by virtue of which he has within the meaning of this section power to enjoy, whether forthwith or in the future, any income of a person not resident in British India which, if it were income of such first mentioned person, would be chargeable to income-tax, that income shall, whether it would or would not have been chargeable to income-tax apart from the provisions of this section, be deemed to be income of such first mentioned person for all purposes of this Act:

Provided that this sub-section shall not apply if such first mentioned person shows to the satisfaction of the Income-tax Officer that the transfer and any associated operations were effected mainly for some purpose other than the purpose of avoiding liability to taxation.

(*2*) For the purposes of this section, an 'associated operation' means, in relation to any transfer, an operation of any kind effected by any person in relation to any of the assets transferred or any assets representing whether directly or indirectly any of the assets transferred, or to the income arising from any such assets, or to any assets representing whether directly or indirectly any of the assets transferred, or to any assets representing whether directly or indirectly the accumulations of income arising from any such assets.

(*c*) such first mentioned person receives or is entitled to receive at any time any benefit provided or to be provided out of that income or out of moneys which are or will be available for the purpose by reason of the effect or successive effects of the associated operations on that income and on any assets which represent that income, or

(*d*) such first mentioned person has power by means of the exercise of any power of appointment or power of revocation or otherwise to obtain for himself, whether with or without the consent of any other person, the beneficial enjoyment of the income, or

(*e*) such first mentioned person is able, in any manner whatsoever and whether directly or indirectly, to control the application of the income.

(*4*) In determining whether a person has power to enjoy income within the meaning of this section, regard shall be had to the substantial result and effect of the transfer and any associated operations, and all benefits which may at any time accrue to such person as a result of the transfer and any associated operations shall be taken into account irrespective of the nature or form of the benefits.

(*5*) For the purposes of this section—

(*a*) the expression 'assets' includes property or rights of any kind, and the expression 'transfer' in relation to rights includes the creation of those rights;

(*b*) the expression 'benefit' includes a payment of any kind;

(*c*) references to income of a person not resident in British India shall, where the amount of the income of a company for any year or period has been deemed to have been distributed under sub-section (*1*) of section 23A, include references to so much of the income of the company for that year or period as is equal to the amount deemed to have been distributed to that person;

(*d*) references to assets representing any assets, income or accumulations of income include references to shares in or obligations of any company to which, or obligation of any other person to whom, those assets, that income or those accumulations are or have been transferred.

## STATEMENT OF OBJECTS AND REASONS.

The object of the Bill is to give effect to such recommendations of the Income-tax Enquiry Report, 1936, as have been accepted and to make such amendments to the Income-tax Act as experience of its working has indicated to be necessary or desirable. The provisions of the Bill (other than some minor or consequential amendments) are explained in detail in the notes on clauses below.

P. J. GRIGG.

NEW DELHI;

*The 2nd April, 1938.*

### NOTES ON CLAUSES.

*Clause 2* of the Bill amends section 2 of the Act—*Definitions.*

*Section 2, Clause (6A)*—a new provision—defines "dividend".

To prevent the avoidance of super-tax which would otherwise be payable by the shareholders by the device of distributing the profits in the form of bonus shares, bonus debentures or some other form which, as the law stands at present, are capital receipts and not income in the hands of the shareholders, dividend is defined in such a way that wherever the shareholders receive profits in any of such forms it can be treated as income for tax purposes. The definition also covers the case where a Company goes into liquidation and the accumulated profits are distributed by the liquidator to the former shareholders. Income is then defined in section 2, clause (6C), to include any dividend as defined in section 2, clause (6A), and also to include distributions from unrecognised Provident Funds.

*Section 2, Clauses (3), (6D), (6E).*—Appellate Assistant Commissioners, Inspecting Assistant Commissioners and Inspectors are defined as the result of the amendment to section 5 (clause 6).

*Section 2, Clause (6B).*—The inclusion of a minor admitted to the benefits of partnership in the expression "partner" obviates further reference to him in the Act.

*Section 2, Clause (11).*—The definition of "previous year" is amended so as to—

(1) allow an assessee to have separate previous years for each separate source of income;

(2) to prevent double assessment of the same profits when the assessee exercises the option to change his "previous year" for the first time after his first year of assessment;

(3) to prevent double assessment of the same profits in the case of a newly set up business;

(4) to prescribe the "previous year" of the firm as the partner's "previous year" in respect of his share.

*Section 2, Clause (15).*—The definition of "total income" is amended and the clause as amended includes a definition of "total world income" which is necessary for the purpose of assessing non-residents.

*Clause 3* amends section 3.—The object of the amendment is to enable assessment to be made on individual partners of firms or on individual members of associations of persons. [Section 23 (5)—Clause 23 (*b*), for example, provides for direct assessment of partners.] Throughout the Act the words "association of persons" are substituted for "association of individuals" in order to cover all cases of associations of persons.

*Clause 4* amends section 4—*Application of the Act.*

*Sub-section (1).*—At present under the provisions of section 4 the Act applies to income which accrues or arises or is received or is deemed to accrue or arise or be received in British India and, in addition, in the case of a resident, to income accruing or arising outside British India if received in or brought into British India. The Bill enlarges the scope of the section by including—

(1) the whole of the foreign income of a person resident and domiciled in British India whether brought into British India or not;

(2) the whole of the foreign income from business, profession or vocation of a person resident but not domiciled in British India whether brought into British India or not. The other foreign income of such a person remains liable only if brought into British India.

These amendments follow the provisions of the United Kingdom law except in respect of the foreign income of domiciled and resident persons other than income from business, securities, stocks, shares or rents. Such income in the United Kingdom is taxed on the remittance basis whereas the Bill proposes to tax it on the accruing or arising basis. The United Kingdom provisions in regard to this class of income were not followed because in practice they have given rise to difficulties.

An important omission from the amended sub-section (1) is the proviso exempting income from agriculture in an Indian State.

*Explanation 2.*—Judicial decisions on the question of the liability to tax of income from "salaries" make it necessary to make the earning of the salary in British India the basis of the liability. Only pensions payable without India are excluded.

*Sub-section (2)* makes taxable the remittances made by a non-resident husband to a resident wife.

*Sub-section (3)—Exemptions—*

*Clause (ia).*—The exemptions in the Act at present do not in terms apply to income from business carried on by religious or charitable institutions though in practice such exemption is given. This amendment gives legal authority for the practice but confines the exemption to cases where the business activities are in themselves a primary purpose of the institution or the work in connection with the business is mainly carried on by the beneficiaries.

*Clause (iii).*—At present all income of local authorities is exempted. If a local authority makes profits from supplying a commodity or service outside its jurisdiction it is considered that exemption should not be given to those profits and this amendment gives effect to that view.

*Clause (v).*—The Privy Council (in Shaw Wallace case—6 I. T. C. 178) has ruled that capital sums received in commutation of pension or as consolidated compensation for death or injuries or in payment of an insurance policy or as the accumulated balance from a Government Provident Fund could not in any scheme of taxation be regarded as income. Specific exemption therefore is superfluous and the provision is deleted. (Note on clause 8 may be referred to.)

The amendment added at the end of sub-section (3) is designed to prevent the abuse of the exemption given to the income of religious trusts. It prescribes that the exemption shall not be given to income of a private religious trust which does not enure to the benefit of the public.

*Clause 5* introduces a new section 4A. Owing to the enlargement of the scope of section 4 of the Act by clause 4 of the Bill, residence and domicile have to be defined for certain cases and they are defined here.

*Clause 6* amends section 5 which deals with Income-tax authorities. It has been decided to divide Assistant Commissioners of Income-tax into Appellate Assistant Commissioners and Inspecting Assistant Commissioners and to place the former under the control of the Central Board of Revenue. This clause amends section 5 accordingly and in addition includes amongst Income-tax authorities Income-tax Inspectors who are to have power to enter premises to make enquiries. [Section 38(2), clause 42(2).]

*Clause 7.*—Section 6 specifies six heads of chargeable income. They are now reduced to five owing to the amalgamation of sections 10 (clause 10) (business) and 11 (clause 11) (profession or vocation). For the sake of consistency some verbal alterations have been made in the classification.

*Clause 8.*—Section 7 which deals with income under the head "Salaries" is here amended so as to make sums due under that head liable on the date when they are due whether paid or not. Advances and loans of such income are deemed to be salary due on the date when received. The object of this amendment is to defeat evasion by postponing drawal of salary or by taking advances or loans.

*Explanation 2* read with the definition of 'income" in clause 2(*d*) nullifies for the future in respect of the payments with which it deals the effect of the Privy Council decision in the Shaw Wallace case (6 I. T. C. 178). [Note on clause 4—section 4 (3)-(*v*) may be referred to.] To mitigate the hardship that would be caused by assessing accumulated payments of this kind at the rate applicable to the total income of the year of receipt an amendment is proposed in section 60 (2) (clause 70).

*Clause 9* amends section 9 which deals with property income.

*Sub-section (1).*—The exemption given to property occupied for business purposes is restricted to property occupied for the purpose of an assessable business, profession or vocation.

*Sub-section (1) (iv).*—At present interest on any capital charge on the property is allowed even though the capital was borrowed for private purposes; and interest on capital borrowed for the purpose of acquiring the property is allowed even though there is no charge on the property. The amended clause (*iv*) alters the position so as to allow only interest on a charge to which the property was subject at the time of acquisition by the assessee and interest on capital borrowed for the purpose of acquiring, repairing, renewing or reconstructing the property. It further allows—what is not now allowed—an annual charge not being a capital charge to which the property was subject at the time of its acquisition by the assessee.

In order to secure that tax shall be collected on such interest or charges payable outside British India it is provided that no allowance shall be made in respect of them unless tax has been deducted therefrom. There is a similar provision in section 10 [clause 10(*b*) (*i*), proviso] and section 12 [clause 12(*b*), proviso (*b*)]. Interest on a public loan issued before 1st April 1938 is excepted.

The proviso to sub-section (1) which restricts the allowances in respect of property to the amount of the annual value is deleted. As a result a loss on property will be allowed.

The proviso to sub-section (2) which restricts the annual value of owner occupied property to 10 per cent. of its owner's total income is also deleted. This amendment remedies the present anomaly of the annual value of the property varying with the assessee's other income.

*Sub-section (3).*—Property is often owned jointly by persons with definite shares and the High Courts have held that such persons are assessable on the income from the property as an association of individuals. This amendment provides that such persons shall not be assessed as an association but that their shares will be included in their individual assessments.

*Clause 10* amends section 10.

*Sub-section (1)* brings income from professions and vocations under the same head as income from business. [Section 11 (clause 11) is deleted].

*Sub-section (2) (vii)* allows interest on capital borrowed for the purposes of the business subject to the condition that the payment of interest is not in any way dependent on the earning of profits. The amendment deletes this latter condition but withdraws the allowance to a firm in the case of interest paid to a partner and to any assessee in the case of interest payable without British India (not being on a public loan issued before 1st April 1938) except interest from which tax has been deducted [see section 9(*i*) (*iv*), clause 9].

*Sub-section 2(vi)* as amended alters the basis upon which depreciation allowance is to be calculated from the "original cost" to the original cost less the sums previously allowed for depreciation, and except in the case of unabsorbed depreciation which the assessee is entitled at the commencement of the amending Act to carry forward to a succeeding year, it treats depreciation on the same footing as any other expense of the business. Consequently depreciation for any year subsequent to the commencement of the amending Act can only be carried forward for as long as any other loss can be carried forward. But the unabsorbed depreciation at the commencement of the amending Act may be carried forward until fully allowed and is to be allowed before the depreciation due in respect of subsequent years.

It is found in practice that frequently the assessee writes off in his accounts much less than the amount of depreciation at the prescribed rates. Proviso (*b*) to section 10(2) (*vi*) has therefore been amended so as to restrict the allowance for depreciation to the amount written off in the assessee's accounts.

*Sub-section (2) (vii)* prescribes the allowance for machinery or plant sold or discarded in consequence of its having become obsolete. This allowance is now to be given in respect of any machinery or plant sold or discarded and is to be the difference between the excess of the written down value over the sale price or scrap value provided that this amount is written off in the books of the assessee. Any excess of the sale price or scrap value over the written down value is to be treated as an assessable profit.

*Sub-section (2) (xi)*, a new provision, which gives an allowance in respect of bad and doubtful debts written off in the accounts of the assessee.

Five new sub-sections (3), (4), (5), (6) and (7) are added in section 10 after sub-section (2). *Sub-section (3)* gives in the case of assets not wholly used for the purposes of the business a proportionate part of the allowance for insurance premia, repairs, depreciation and obsolescence.

*Sub-section* (*4*) repeats the present proviso to section 10(2) (*ix*) forbidding the allowance of cesses, rates or taxes on business profits and also forbids (*a*) the allowance of sums chargeable under the head "salaries if payable without British India" and tax is not deducted therefrom, (*b*) payments by a firm to any partner and (*c*) payments by an employer to a Provident or other such fund if he has not made effective arrangements to have tax deducted from payments made from the fund.

The disallowance of salary payments abroad is repeated in section 12(2), proviso (*c*)—(Clause 12). The disallowance in respect of Provident Funds is necessary because in practice it is found that payments of accumulated balances from such fund are made abroad and the Income-tax authorities have no means of recovering tax on them.

*Sub-section* (*5*) contains definitions the chief of which is the definition of "written down value" for the purpose of depreciation and obsolescence allowances. 'Plant' is defined as including books purchased for the purpose of the business, profession and vocation.

*Sub-section* (*6*) makes liable to tax the profits of a trade, professional or similar association performing services for its members for remuneration.

*Sub-section* (*7*) repeats sub-section (3) of section 11.

*Clause 12* amends section 12.

*Sub-section* (*2*) as amended disallows interest (other than interest on a public loan issued before 1st April 1938) and 'salaries' payable without British India from which tax has not been deducted. [Compare amended sections 9(*i*) (*iv*), proviso (clause 9), 10(2) (*iii*), proviso and 10(4) (*a*) (clause 10)].

*Sub-section* (*3*)—a new provision—grants depreciation on machinery, plant and furniture let out on hire. If the business of the assessee is letting machinery, plant and furniture on hire he will be entitled to the allowance under the provisions of section 10(2) (*vi*).

*Clause 14* amends section 14.

*Sub-section* (*2*) (*a*) exempts from taxation dividends of companies whose profits have been assessed to tax. This provision needed amendment as the result of a Privy Council decision that it exempts the whole dividend even when only part of the Company's profits have been taxed. Instead of amending it, it has been decided to delete it and amend section 16(2) and section 18(5) [clauses 16(2) and 18]. The result of these changes will be that a dividend will no longer be exempt. It will be on the same footing as interest on securities and credit for the appropriate amount of tax on it will be given in the assessment. Other sections affected are sections 48 and 49 (Clauses 51 and 53).

*Sub-section* (*2*), *clauses* (*b*) and (*c*) of section 14 exempt the proportionate shares of the taxed profits of firms and associations of individuals. Since it has been decided [section 23(5)—clause 23] to tax the partners of registered firms directly, this sub-section as amended relates only to unregistered firms and it exempts not the amount (which is now exempted) of the firm's profits proportionate to the assessee's share therein at the time of making the assessment but the portion of the firm's taxed profits which the assessee is entitled to receive. This change is made in pursuance of a decision to take as the basis for income-tax purposes the actual shares of the previous year. The same basis for income-tax purposes the actual shares of the previous year. The same principle has been adopted in amending section 26 (clause 30).

*Sub-section* (*2*) (*c*) of section 14 as now amended exempts not the amount which a member of an association receives but the amount that he is entitled to receive.

*Clause 15.*—Section 15 gives exemption in the case of life insurance premia and payments to Provident Funds and limits the exemption in respect of those payments and payments to Family Pension Funds to 1/6th of total income. In the case of large incomes this is too generous an allowance and therefore sub-section (3) as amended limits it to Rs. 6,000.

*Sub-section* (*4*)—a new provision—prescribes that the foregoing exemption shall be given at the average of the rates applicable to the total income. This method of giving the exemption is based on the "slab" system which it is proposed to adopt in future in prescribing rates of income-tax in the annual Finance Act. Under the present system of rates of income-tax, tax is charged at the same rate on the whole income; under the slab system progressive rates are applied to successive slices of income. This is the system now in operation for the charge of super-tax.

*Clause 16.*—Section 16 specifies certain sums which are to be included in "total income". It is amended by this clause in the following ways:—

*Sub-section* (*1*) (*b*), a new provision, prescribes the way in which the share (whether profit or loss) of a partner in a firm is to be computed. This method of computation follows the amendment of section 10(4) (*b*), (clause 10) disallowing in the firm's assessment payments to partners.

*Sub-section (1) (c)*, is an important provision designed to prevent the avoidance of tax by the simple device of settling income upon another person whose rate of tax is lower than that of the settlor, or the transfer of assets, so that the income therefrom arises to such other person. This amendment provides that the income in such a case is to be treated as the income of the settlor or transferor. Where, however, the assets are irrevocably transferred to another person, other than in the circumstances dealt with in sub-section (3) (*b*) or in clause 48, the income therefrom is not to be deemed to be income of the transferor.

*Sub-section (2)* of section 16 provides for the inclusion in "total income" of the tax on the dividend along with the dividend. As amended it provides for the inclusion in "total income" of only the appropriate amount of tax in the case of a dividend from partly taxed profits (see note on clause 14). The form of the sub-section has been altered to suit the definition of "dividend" in section 2(6A), (clause 2).

*Sub-section (3) (b)*—The wording of this clause has been found to be defective as it may be possible for a person to transfer income to an association of individuals which includes a person other than that individual or his wife but in such circumstances that the income becomes the income of the wife or minor child. For this reason the words "consisting of such individual and his wife" are being omitted and the words "for the benefit of his wife or a minor child or both" are being added. It will be seen that the provisions in sub-section (1) (*c*) cover all cases of transfers of income and also cover cases of revocable transfers of assets. This clause as now amended covers the further cases of irrevocable transfers of assets where the income accrues to the benefit of the wife or minor child of the transferor.

*Clause 17* deletes section 17 (marginal relief) which becomes superfluous owing to the adoption of the "slab" system of rates, and substitutes a new section 17 prescribing the way tax is to be determined in certain cases.

*Section 17(1)*.—Husband and wife are to be assessed separately at the rate applicable to the total income of both, subject to an allowance up to Rs. 500 in the case of income earned by the personal exertions of the wife.

*Sub-sections (2) and (3)*, determine the tax payable by non-residents with non-taxable foreign income and persons with exempted income which is included in total income. The principle adopted is to calculate the tax (including super-tax) on the whole income of the assessee and levy that proportion of it which the liable income bears to the whole income. The important point about this amendment is that the rate applied to the taxable income is the rate applicable to the whole income. In the case of non-British non-residents income-tax will be payable at the maximum rate.

*Clause 18*.—Section 18 deals with deduction of tax at source and this clause amends it in the following ways:—

*Sub-section (2)* as amended provides for deduction of super-tax at source from "salaries" and is otherwise amended to conform with the "slab" system of rates.

*Sub-section (2B)*, a new provision, provides for the deduction of income-tax at the maximum rate and super-tax at source from "salaries" payable to non-residents.

*Sub-section (3A)*, a new provision, provides for deduction of tax at source from interest and other payments made to non-residents. In the case of residents it is not advisable to make such deduction because of practical complications, but in the case of non-residents it is advisable to secure the tax in this way if it can be done. Where deduction at source is not practicable, the payments will be disallowed in the payer's assessment (clauses 9, 10 and 12). Consequential amendments are made in sub-sections (3B), (3C) and (3D) [which are renumbered (3C), (3D) and (3E)].

*Sub-section (5)*, as amended, includes income-tax on a dividend as a sum for which credit is to be given to the shareholder in his assessment (see notes on clauses 14 and 51).

*Sub-section (7)*, as amended, provides, in the case of tax not deducted at source under sub-sections (3D) and (3E), for its recovery from the company as well as from the principal officer.

*Clause 19* expands section 19 in consequence of the amendment of section 18. Income-tax shall be payable by the assessee direct if not deductable and deducted under section 18.

*Clause 20* reduces from Rs. 1,000 to Rs. 200 the minimum amount of the interest payment which the payer has under section 20A to report annually to the Income-tax Officer.

*Clause 21* amends section 21 so as to make the annual return of salaries of employees verifiable. A penalty is provided in section 52 (clause 58).

*Clause 22* introduces a major change in section 22 by prescribing compulsory returns of income.

*Section 22 (1)*, as amended, prescribes compulsory returns and section 22 (2) in consequence makes optional the issue by the Income-tax Officer of the notice, now compulsory, calling for a return of income. This change in the law follows the United Kingdom law and it is intended as in the United Kingdom that the Income-tax Officer should (as he now does) issue notice to each person whom he believes to have an assessable income. The object of the provision prescribing compulsory returns is to enable the Income-tax authorities to deal with defaulters who conceal the fact that they have taxable incomes. It is not considered right that the onus of finding such persons should be on the Income-tax authorities and this provision coupled with the penalty provisions (clause 32) and the extension of the time for initiating assessments (clause 39) is designed to put the Income-tax authorities in a position to deal adequately with defaulters.

*Section 22(3)* allows an assessee to file a return or revised return before assessment is made and so to escape an assessment under section 23(4). He is to retain this right [see section 23(4)—clause 23], but in order to prevent him escaping the consequences of submitting an original false return or evading the penalty for failure to submit a return (clause 32), the closing words of this sub-section have been omitted and a suitable proviso has been inserted in section 28 (clause 32).

*Section 22 (5)*, a new provision, takes the place of section 38 (3) which is deleted (clause 42). It is considered that these particulars should be furnished as part of the return of income.

*Clause 23* amends section 23.

*Sub-section (4)*, as amended, will not apply to a person who makes a return under section 22 (3) [see note on Section 22 (3) above]. In the case of assessment under this sub-section there has hitherto been no provision in terms for refusal of registration to a firm. This has now been remedied.

*Sub-section (5)*, a new sub-section, provides that in the case of a registered firm the partners and not the firm are to be assessed and that the partners of an unregistered firm may be assessed in the same way if they are avoiding tax by non-registration. A partner's share is to be his share of the previous year's profits (compare clause 14 and clause 30) and he may carry forward his share of loss. The firm is to be assessed on a non-resident partner's share.

*Clause 24.*—Section 23A of the Income-tax Act, 1922, has proved practically a dead letter, mainly because it imposes upon an Income-tax Officer the duty of determining whether the profits and gains of a Company are allowed to accumulate beyond its reasonable needs, existing and contingent, having regard to the maintenance and development of its business. The present clause substitutes a simple arithmetical criterion for the determination of the applicability of the section to the circumstances of a Company in any year. Subsidiary Companies, and Companies in which the public are substantially interested are still excluded from the operation of the section, but the opportunity has been taken to amend the definition of "Subsidiary Company" so as to remove any doubt as to the meaning of the expression "a Company not being a company to which the provisions of this sub-section apply". The clause also alters the procedure under the section. Instead of passing an order to the effect that the sum payable as income-tax by the Company shall not be determined and that the proportionate share of each member in the profits and gains of the Company shall be included in his total income, the Income-tax Officer has under the present clause merely to deem the profits of the Company to have been distributed as dividends on a given date. The assessment of a Company to both income-tax and super tax will therefore be made whether or not an order is passed under the section in its proposed new form.

*Clause 25* makes a major change in section 24 and in the whole scheme of the Act by allowing the carry forward of losses.

*Sub-section (1)* is amended by a proviso which does not allow any of the partners of an unregistered firm to set off any part of the firm's loss against their incomes. In the case of a registered firm the loss that cannot be set off in the firm's assessment shall be apportioned amongst the partners who alone will be entitled to set off the loss.

*Sub-section (2)* allows losses in a business, profession or vocation to be carried forward and set off against the profits of the *same business, profession or vocation*. The period of carry forward is to be six years but to mitigate the effect on the revenue of this concession losses of the first "previous year" after the commencement of the Amending Act are to be carried forward for one year, losses of the next year for 2 years, and so on until the full period of 6 years is reached.

The provisions regarding registered and unregistered firms in sub-section (1) are *mutatis mutandis* repeated in sub-section (2) and in accordance with the principle

given effect to elsewhere that the liability or benefit should attach to the person receiving the profits or incurring the loss it is provided that in the case of a change in a firm's constitution or of a succession only the person incurring the loss will be able to set it off.

*Sub-section (3)* provides for the computation of the loss in an order in writing and its communication to the assessee (See clause 34).

*Clause 26* makes it clear that section 24A applies to a person not previously assessed.

*Clause 27* amends section 24B in consequence of the amendment of section 22 (1) (Clause 22) prescribing compulsory returns of income.

*Clause 28* amends section 25 [by amending sub-section (3) and adding a new sub-section (4)] so as to give to the first successor to a business, profession or vocation after the commencement of the amending Act the benefit now given by section 3 to the owner of a discontinued business assessed under the 1918 Act. That benefit, *viz.*, being allowed to substitute the profits from the end of the previous year up to the date of discontinuance for the profits of the previous year, is given because otherwise those assessed under the 1918 Act would be assessed for one year more than the number of years the business was in exisience. Since clause 30 provides that whenever there is a succession the predecessor shall be assessed on the previous year's profits it is necessary to give this relief to the predecessor in the case of succession to a business assessed under the 1918 Act.

*Sub-section (5)* prescribes a period of limitation for claims under sub-sections (3) and (4).

*Clause 29* amends section 25A so as to give effect to the principle (given effect to elsewhere, *e.g.*, clause 30) that the assessment on the profits of the previous year should be made on the person who received the profits—in this case the disrupted Hindu Undivided Family.

*Clause 30* amends section 26 by giving effect to the principle mentioned in the preceding clause. In cases where a firm has changed its constitution or has been newly constituted or where there has been a succession to a business, profession or vocation except in the case of an unregistered firm (where the partners entitled to the profits get credit for the tax paid) the persons who are entitled to receive the profits are to be assessed on them. Provision is made for assessment on and recovery of tax from the successor in the case where the predecessor cannot be found or where he will not or cannot pay the tax.

*Clause 31* omits section 27 which becomes unnecessary owing to the amendment of section 30 allowing an appeal against an assessment under section 23 (4).

*Clause 32* makes important changes in section 28—a penalty section—which are designed to give the Income-tax Department more effective means of dealing with illegal evasion. The penalty is increased from the amount of the tax avoided to twice that amount; it is to include super-tax as well as income-tax and it is to be imposable for failure to file a return or to submit accounts or to submit other evidence in support of a return. To prevent hardship in the case of a person with no income liable to tax the penalty is limited to Rs. 50 and in the case of the agent of a non-resident the penalty for failure to file a return can only follow the issue of a specific notice calling for a return. Provision is also made [proviso (*c*) to sub-section (1)] to prevent an assessee scenting penalty proceedings from avoiding them by the submission of a return.

*Clause 33* makes an amendment in section 29 (notice of demand) consequent on the amendment made by clause 53 (*b*) and provides also for the issue of a notice of demand where the Central Government succeeds before the Privy Council.

*Clause 34* extends the scope of section 30 (Appeals). Provision is made for appeal in the following cases:—Assessment under section 23(4); assessment resulting in loss; refusal of refund or full refund under sections 48, 49, 49B or 49C (section 50A then becomes superfluous and is deleted—clause 57). Provision is also made to prevent an assessee questioning an assessment on a firm or an order under section 23A in respect of a Company otherwise than in an appeal against the firm's or the Company's assessment.

*Clause 35* amends section 31 (hearing of appeals) so as to give power to the Appellate Assistant Commissioner to admit fresh grounds of appeal and to direct the Income-tax Officer to amend the assessments of partners of firms or members of associations in

accordance with the appellate orders in the firm's or association's assessment. It also gives him power to enhance a penalty. The Income-tax Officer is given the right to be represented at the hearing of an appeal. Owing to the institution of separate Appellate Assistant Commissioners it is considered necessary for the Department to be so represented.

*Clause 38* deletes section 33A which prescribes the reference to a Board of Referees of an order under section 23A. Owing to the amendment of section 23A (clause 24) it is considered that this section is unnecessary and that the appeal can be heard by the Appellate Assistant Commissioner in the ordinary way.

*Clause 39* makes important changes in section 34 which deals with income escaping assessment. The most important change is the extension of the period for making such assessments from one year to six years. This follows the United Kingdom law and in conjunction with compulsory returns (clause 22) and penalties (clause 32) it is expected to be a very effective provision for dealing with illegal evasion. Owing to a recent decision of the Calcutta High Court which has narrowly restricts the scope of section 34 it is considered necessary to amend it so as to make it clear that it is applicable where the Income-tax Officer is of opinion that income has escaped assessment. This amendment follows section 22 (2) which has given rise to no difficulty in practice. The section is also amended so as to remove any doubts as to its applicability to cases of under assessment.

At present there is no time limit for the completion of assessment proceedings begun in time. Sub-section (2) provides that they shall be completed within the period of six years from the end of the assessment year.

*Clause 40* besides making minor amendments in section 35 (rectification of mistakes) extends the period for rectification from one year to six years.

*Clause 42* makes important additions to section 38. It gives the Income-tax Officer or Assistant Commissioner power to call for lists of persons to whom rent, interest, commission or the like of any year amounting to more than two hundred rupees is paid. It gives the Income-tax Officer and the Inspector power to visit premises and make enquiries. This only gives legal sanction to existing practice. It also gives the Income-tax Officer power when visiting such premises to call for accounts and examine them. The object of this provision is to cope with cases in which false accounts are submitted for assessment or in which at the time of assessment the existence of accounts is denied. For failure to comply with the Income-tax Officer's request a penalty is provided in section 51 (clause 58).

*Clause 43* amends section 40 so as to make it clear that an assessment can be made on a non-resident direct instead of on his resident agent. Further, in order to cover all cases, it changes the basis of assessment on the guardian, trustee or agent from assessment on what he receives to assessment on what he is entitled to receive, on the beneficiary's behalf.

*Clause 44* makes alterations in section 41 corresponding to the alterations made in section 40 by clause 43. In addition it makes trustees assessable in respect of the trust income and provides for assessment at the maximum rate of income chargeable under the section which is not specifically the income of a beneficiary or where the individual shares in the income are indeterminate or unknown. In other cases the income will be assessed at the rate applicable to the individual beneficiary. Provision is also made for cases where part only of the trust income is chargeable.

*Clause 45* amends section 42 which deals with the income of non-residents accruing or arising without British India but deemed to accrue or arise within British India. At present sub-section (1) applies to income accruing or arising through or from any business connection or property in British India. In order to bring within the net of taxation all income arising in a practical sense from British Indian sources, the sub-section has been amended so as to include income accruing or arising "from any asset or source of income in British India or through or from any money lent at interest and brought into British India in cash or in kind."

*Sub-section (1)* has been also amended so as to make it clear that either the non-resident or his agent may be assessed and so as to allow the agent to retain enough of his principal's moneys to pay the tax.

*Sub-section (2)* has been amended so as to put a British subject or subject of an Indian State in no worse position than a non-British subject or person who is not a subject of an Indian State.

*Sub-section (3)*, a new provision, narrows the scope of the whole section by confining it to that part of the profits attributable to operations in British India.

*Clause 46* expands section 44 so as to include cases of business, profession or vocation discontinued by an association of persons as well as a firm and makes members of such an association liable to assessment on the firm's or association's profits as well as for the tax payable.

*Clause 47* remedies a minor defect in section 44C.

*Clause 48* introduces a new Chapter dealing with a particular type of evasion.

One of the methods of avoiding the payment of tax without breaking the law is to transfer the assets from which the income arises to a Company which is resident outside British India, and then to receive payments from that Company in a form and in such circumstances that the amounts received from the Company are never in fact repayable or repaid to it. The effect of these arrangements is that the real owner of the assets receives the income therefrom indirectly and in a capital form. These receipts cannot, as the law stands at present, be treated as income in the hands of the recipient, nor, since the Company is a non-resident Company, can it be subjected to the provisions of section 23A which deals with a Company which, to enable its proprietor to avoid super-tax fails to distribute its income.

It is the object of the present clause to prevent the loss of tax through such devices. It will be seen that the first effect of a device of this kind is that the income which in reality is the income of a person liable to pay income-tax or super-tax or both becomes the income of a non-resident person (which term, of course, includes a Company) which is either not liable or liable for only a smaller amount of tax. By means of the loans the real proprietor continues to have power to enjoy the income from the assets.

It is difficult, if not impossible, to draft a *simple* preventive clause which a skilled lawyer cannot evade. The clause has, therefore, been drafted in wide terms and follows the wording of section 18 of the United Kingdom Finance Act, 1936. Its terms are very comprehensive, and the net effect intended is that wherever income which really belongs to a person liable to income-tax and super-tax becomes by means of an artificial set of transactions the income of somebody liable to pay less tax or no tax at all, such income can for tax purposes be treated as the income of the person to whom it really belongs.

*Clause 50* amends section 46(7) to accord with the scheme of the Act which prescribes the financial year as the assessment year.

*Clause 51* makes sweeping changes in section 48 which deals with refunds of tax on dividends, of tax paid by registered firms and of tax deducted at source. The section in its reference to rates is unnecessarily cumbrous; it would no longer apply to registered firms whose partners are to be assessed directly (Section 23 (5)—clause 23) and it leaves the position regarding double income-tax relief in doubt. Instead of the main provisions of the section a simple provision has been inserted giving an assessable person (Section 3) a refund of any excess tax paid by him or on his behalf or treated as so paid over the amount with which he was properly chargeable. (As to dividend, see Section 18(5)—clause 18). The amended section does not require any distinction to be made between British and non-British subjects as their rates of tax are dealt with elsewhere (see section 17 (2)—clause 17).

*Clause 52* omits section 48A which the amendment of section 48 (clause 51 above) makes superfluous.

*Clause 53* amends section 49 which deals with double income-tax relief. The amendments accomplish the following objects:—Relief is restricted to half the Indian rate; the relief granted to the Company is taken into account in computing the refund admissible to the shareholder under section 48; and any excess relief granted to the Company over the relief admissible to the shareholder can be recovered from him.

These are the main objects of the amendments and they are designed to prevent any assessee getting more relief than he is entitled to. The other amendments in the section are only technical improvements on the existing provisions.

*Clause 56* amends section 50 which prescribes a period of limitation for claims to refunds. The period is extended from one year to six years in accordance with a similar extension in other sections (Sections 34 and 35).

*Clause 57* (the omission of section 50A) follows the amendment of section 30 (clause 34).

*Clause 58.*—Note on clause 42 may be referred to.

*Clause 59.*—Note on clause 21 may be referred to. Section 52 is also amended so as to make it clear that action under any relevant section of the Indian Penal Code is open to the Income-tax authorities.

*Clause 61* amends section 54 which forbids disclosure of information contained in income-tax proceedings. Certain self-explanatory clauses are added to the existing clauses which permit such disclosure.

*Clause 62* amends section 55, the super-tax charging section, by exempting a member of an association of persons from super-tax where the income of the association has been assessed to super-tax. It also takes out of the exemption given to partners of unregistered firms the case (Section 23 (5) (*b*)—clause 23) of an unregistered firm assessed as a registered firm.

*Clause 64.*—Section 57 makes the resident partners of a firm responsible for the super-tax on a non-resident's share of profits. The amended section 23 (5) (*a*) [clause 23 (*b*)] makes this section superfluous and it is therefore omitted.

*Clause 65* makes consequential amendments in section 58 which deals with the application of the provisions of the Act to super-tax.

*Clause 67* amends section 58F (Recognised Provident Funds). The limit of exemption is cut down to Rs. 6,000 as in section 15 (clause 15) and in order to simplify the provision regarding the exemption of interest on the employee's accumulated balance it is provided that such interest shall be exempted in so far as it does not exceed one-third of the employee's salary for the year.

*Clause 68.*—It is the intention to give the benefits of participation in a recognised Provident Fund only to those employees who have rendered continuous service with the employer for at least 5 years. Section 58C (3) is here amended so as to put the employee belonging to a recognised Provident Fund who has not rendered 5 years' service in the same position as he would have been if the fund had not been recognised.

*Clause 69* amends section 58K(2) so as to ensure that an employer will not be allowed payments which would be disallowed under section 10 (4) (*c*) (clause 10 (*c*) ).

*Clause 70* amends section 59 (which confers rule making power) as so to remove any doubts as to whether the rules regarding the computation of profits of life insurance business are *ultra vires* in so far as they vary the substantive provisions of the Act.

*Clause 71.*—Note on clause 8, Explanation (2), may be referred to.

*Clause 72* amends section 61 and is designed to correct abuses in respect of the representation of assessees. The provisions are self-explanatory and they give the assessee a wide field from which to choose his representative. The amended section does not affect existing Income-tax practitioners, however incompetent, so long as they are not guilty of misconduct in connection with income-tax proceedings.

*Clause 74* amends section 64 (3) so as to debar the assessee from questioning the place of assessment after the time allowed by notice under section 22 (1) for submitting a return. Assessees frequently obstruct income-tax proceedings by raising questions of jurisdiction and the amendment is designed to check this practice. The subsection is also amended so as to make it clear that the Income-tax Officer has to refer to the Commissioner before assessment a question regarding the place of assessment.

*Clause 75* amends section 66 so as to allow the High Court in cases of appeal to the Privy Council, where a refund of the tax to the assessee who has succeeded before the High Court is inadvisable, to authorise the Commissioner to withhold the refund. If the assessee succeeds before the Privy Council he will get the refund with interest.

*Calcutta, the 18th May 1938.*

**Minister-in-charge : The Hon'ble Mr. Syed Nausher Ali.**

READ—

The reports of the Commissioners of Divisions on the working of district and local boards in Bengal during the year 1936-37.

1. **District Boards.**—Of the 26 district boards in the Presidency, six viz., Hooghly, Murshidabad, Khulna, Faridpur, Tippera and Noakhali were reconstituted during the year under review. The reconstitution of the 24-Parganas district board was due in November 1936. But as section 7 of the Bengal Local Self-Government (Amendment) Act was brought into force in the district of 24-Parganas, the term of office of the members of the district board was automatically extended by one year. The total number of members was 697, of whom 449 were elected and 248 appointed. The appointed members consisted of 101 officials and 147 non-officials.

With the exception of the district board of Darjeeling, which continued to be presided over by an official Chairman appointed by Government, and of Midnapore and Bankura where it was still considered necessary to appoint an official Chairman, all the boards elected their own Chairman.

All the district boards, with the exception of Mymensingh, Chittagong and Darjeeling, held at least one meeting every month. The total number of meetings held by all the boards fell from

404 to 376, of which 22 were adjourned meetings. One proved abortive for want of a quorum. The highest percentages of attendance were attained in Faridpur (94·11), Khulna (88·2), Dinajpur (87·16), Hooghly (87), Noakhali (85·33), Bankura (85·2); and the lowest in Murshidabad (60·8), Jalpaiguri (65·18), Rajshahi (70·3) and Jessore (70·51). The percentages of attendance of official members were highest in Hooghly (97), Bankura (89·7), Burdwan (83·33), 24-Parganas (82·8) and Faridpur (82·35); and lowest in Nadia (16·5), Tippera (46·25), Jalpaiguri (51·79), Jessore (52·30) and Bogra (53·33).

2. **Local Boards.**—The number of local boards was 84 as in the previous year; and all of them, with the exception of four, were presided over by non-official Chairmen. The total number of members was 1,386, consisting of 80 officials, 419 appointed non-officials and 887 elected members.

With the growth and expansion, throughout the province, of union boards to which many of the functions of rural self-government have been transferred under the Village Self-Government Act, the local boards have lost their importance in the scheme of local self-government. Government have, therefore, in the exercise of the power vested in them by the Local Self-Government (Amendment) Act, 1936, adopted a policy of gradual abolition of local boards with the consent of the district boards concerned.

3. **Union Committees.**—The total number of union committees in the province was reduced from 12 in the preceding year to 4 only in the year under review; 3 of these viz., Hazipore, Mograhat and Mollarchak, being in the district of 24-Parganas and the fourth, viz., Takdah, in the district of Darjeeling. Only two of these, however, viz., Hazipore and Takdah, actually functioned during the year, and each of them received a contribution from the district board concerned.

4. **Financial features.**—The total receipts during the year, excluding the opening balances, amounted to Rs. 188·75 lakhs, representing a net increase of Rs. 7 lakhs over the preceding year's receipts, in spite of a decrease under "Interest" from Rs. 2·86 lakhs to Rs. 2·34 lakhs, under "Local rates" from Rs. 95·82 lakhs to Rs. 95·16 lakhs, under "Police" from Rs. 1·32 lakhs to Rs. 1·16 lakhs, under "Education" from Rs. 13·23 lakhs to Rs. 11·71 lakhs, under "Medical" from Rs. 17·76 lakhs to Rs. 16·75 lakhs and under "Scientific and other minor departments" from Rs. 38,695 to Rs. 31,037. The increase in the total receipts was due to an increase under "Land revenue" from Rs. 28,057 to Rs. 58,122, under "Miscellaneous" from Rs. 4·81 lakhs to Rs. 6·64 lakhs, under "Civil Works" from Rs. 24·80 lakhs to Rs. 25·18 lakhs and under "Debt" from Rs. 19·06 lakhs to Rs. 27·61 lakhs.

The total expenditure chargeable to current income rose from Rs. 159·73 lakhs to Rs. 168·01 lakhs, representing an increase of approximately Rs. 8 lakhs over the previous year's figure. A noticeable feature was the increase of expenditure under the head "Famine relief" from Rs. 2·85 lakhs to Rs. 8·16 lakhs. There was also a rise in expenditure under "Interest" from Rs. 41,470 to Rs. 44,401, under "Administration" from Rs. 7·42 lakhs to Rs. 7·48 lakhs, under "Ports and pilotage" from Rs 4,823 to Rs. 5,500, under "Medical" from Rs. 39·54 lakhs to Rs. 40 96 lakhs, under "Scientific and other minor departments" from Rs. 2·57 lakhs to Rs. 2·69 lakhs and under "Civil Works" from Rs. 70·85 lakhs to Rs. 73·34 lakhs There was a decrease in expenditure under "Police" from Rs. 13,922 to Rs. 9,966, under "Education" from Rs. 30·21 lakhs to Rs. 29·33 lakhs, under "Stationery and printing" from Rs. 57,801 to Rs. 43,197 and under "Miscellaneous" from Rs. 2·28 lakhs to Rs. 2·22 lakhs. The credit balance at the close of the year was 63·67 lakhs as against Rs. 61·04 lakhs in the preceding year.

5. **Education.**—The income and expenditure under this head amounted to Rs. 11·71 lakhs and Rs. 29·33 lakhs against Rs. 13·23 lakhs and Rs. 30·21 lakhs respectively, in the preceding year The fall in income under this head was due to the transfer of the Government grant for primary education in 11 districts to the District School Boards consequent on the latter's taking over the control and management of primary education.

The number of primary schools maintained or aided by district boards was 28,940, with 1,134,681 pupils, of whom 259,981 were girls. The decrease in the number of institutions and students as compared with the preceding year's figures was due to the transfer, alluded

to above, of the control of primary education in 11 districts to the District School Boards. The total expenditure of district boards on primary education, including the amount spent out of their own funds, was Rs. 16,81,372 against Rs. 21,55,142 in the preceding year.

The total number of middle English schools maintained and aided by district boards was 43 and 1,275 respectively, with a total number of 116,876 pupils. No high English school was maintained by any district board, but 11 such schools, with a total number of 2,525 pupils, received financial assistance from them.

The district boards continued to maintain or aid, by stipends or otherwise, the existing technical and industrial schools. The enterprise of the Burdwan, Khulna and Mymensingh district boards in maintaining technical schools at a cost of Rs. 7,651, Rs. 11,777 and Rs. 25,496, respectively, deserves special mention. Many district boards rendered substantial aid to muktabs and tôls.

6. **Public Health and Medical Relief.**—Almost all districts in the province recorded progress in the matter of medical relief. The total outlay under the head "Medical," which included sanitation and vaccination as a sub-head, amounted to Rs. 40·96 lakhs, showing an excess of Rs. 1·42 lakhs over the expenditure of the preceding year. An amount of Rs. 1·1 lakhs out of this excess represents the increase in expenditure under the sub-head "Hospitals and Dispensaries."

The annual grants given by Government to village and thana dispensaries helped to increase the number of such institutions and were effective in promoting the ideal of the establishment of one dispensary for each thana.

The total number of dispensaries maintained or aided by the district boards, including a number of homeopathic and a few Ayurvedic and Unani dispensaries, was 1,173, including 76 added during the year under review.

The scheme for the establishment of a small dispensary for each union board or group of union boards elicited popular enthusiasm. A share of the Central grant for rural uplift was utilised to meet the non-recurring expenditure towards the establishment of simple dispensaries of this type on the condition that the recurring expenditure would be guaranteed from local sources.

The scheme of conversion of the hospital attached to the Jackson Medical School, Jalpaiguri, into a first class modern hospital with financial assistance from the various district boards in the division and the tea interest in the district was completed during the year.

The public health activities of the district boards consisted, as usual, in combating the outbreak of epidemic diseases by preventive and curative measures. The education of public opinion in the villages in the general principles of sanitation and hygiene by lantern lectures, health talks, health exhibitions, baby shows and cinematograph shows formed an important feature of the activities of the health staff of almost all the boards. In several districts, school hygiene work was taken up by the sanitary staff. School boys were medically examined and instruction was given where necessary.

Murshidabad and Malda continued to be in the grip of small-pox during the year under report. In Dacca and Pabna the outbreak of small-pox synchronised with an epidemic of cholera which raged for a considerable time. Prompt arrangements were made to combat the epidemics. Temporary regulations under the Epidemic Diseases Act were promulgated; the permanent health staffs of the district boards were augmented by a large temporary staff, part of it being drafted by Government officers of the Public Health Department who visited the affected areas and guided the campaign. In spite of all efforts, however, there was serious loss of life before the epidemics could be completely controlled. Severe outbreaks of cholera and small-pox occurred in Bakarganj, Burdwan and Howrah. Small-pox also made its appearance in the districts of Birbhum, Rajshahi and Bogra, while cholera prevailed in the districts of Faridpur, Noakhali and part of Rangpur. It is reported that the health staffs of the district boards were able to control these epidemics by taking prompt and adequate measures, both curative and preventive.

The campaign against malaria and kala-azar, the two major scourges in most districts in Bengal, was carried on with unabated vigour by the district boards, Government making the usual subventions. The Anti-Malaria Societies were of considerable assistance. While the eradication of malaria, constitutes a vast and intricate problem, kala-azar is comparatively easy to control;

and adequate provision of facilities for treatment in the affected areas has been generally followed by marked decline of the disease, although a relaxation of such effort in certain areas has resulted in a setback.

Treatment centres for kala-azar were maintained by almost all district boards in the areas affected by the disease. As usual, kala-azar was specially prevalent in the district of Rangpur which borders on the province of Assam. In that district 3 new centres were added to the 53 centres of the previous year. In the adjoining district of Bogra, 10 special treatment centres and 11 subsidised centres were maintained during the year. In both these districts, however, the disease appeared to be on the increase, indicating that the measures taken had proved inadequate. The Dacca district board maintained 16 kala-azar centres and the anti-kala-azar work was greatly appreciated by the people.

Anti-malarial work undertaken by the various district boards consisted, as usual of free distribution of quinine, deputation of doctors to the affected areas for giving treatment and advice and filling up of insanitary tanks and ditches and treating them with kerosine, cutting down jungles and carrying out anti-pistia work. Travelling fever dispensaries were opened where necessary. Some district boards also subsidised local medical men for giving free treatment.

The experiment to control malaria by the administration of plasmochin and quinine inaugurated in 1933-34 within a highly malarial tract in Memari thana in the district of Burdwan was continued during the year under review and is reported to have been attended with considerable success.

The scheme of prophylactic quinisation by free distribution of quinine through union boards in 5 selected thanas in West Bengal, also financed with a special Government grant, met with a fair measure of success.

Several district boards, viz., Bankura, Midnapore, Birbhum, Howrah, Dinajpur, Rangpur and Bogra, continued to maintain centres for the specialised treatment of leprosy, while certain other boards contributed towards maintenance of leprosy clinics.

The scheme of decentralised anti-rabic treatment continued to work satisfactorily.

The district boards paid increased attention to the prevention of adulteration of food stuffs, but it cannot be said that an appreciable impression has yet been made on the vicious practice of adulteration which is still rampant.

7. **Veterinary charges.**—There was a slight increase in the income and expenditure under this head which, during the year under review, stood at Rs. 3,065 and Rs. 1,90,822 as against Rs. 2,791 and Rs. 1,83,922 respectively in the previous year.

Several district boards in the Burdwan Division, viz., Birbhum, Bankura, Midnapore and Howrah, and almost all the district boards of the Rajshahi Division maintained stud bulls. One hundred and twenty-four stud bulls were supplied by the Malda district board up to the beginning of the year under review. The district board appointed an officer to look after the bulls and to carry on propaganda to impress upon the people the necessity and utility of the improvement of their live-stock.

Several district boards maintained veterinary dispensaries and hospitals. In the course of their tours the Itinerant Veterinary Assistant Surgeons imparted instruction for the control of the spread of contagious cattle diseases and for the increase and improvement of fodder cultivation. Some of them carried on propaganda with the help of magic lanterns. In Darjeeling the veterinary work was carried on with good results in close cooperation with the Darjeeling Himalayan Society for the prevention of cruelty to animals.

Cattle epidemics broke out in several districts. The veterinary staff promptly attended to the cases and prevented the spread of the epidemics. There was a widespread outbreak of anthrax in two places in the Dacca district. It was, however, brought under control after two months of intensive inoculation.

8. **Civil Works.**—The income under this head rose from Rs. 24·80 lakhs to Rs. 25·18 lakhs. There was also a corresponding increase in expenditure from Rs. 70·85 lakhs to Rs. 73·33 lakhs. As in the preceding year, a substantial portion of this expenditure was on "Communications," viz., Rs. 45·32 lakhs against Rs. 44·44 lakhs in the previous year. This indicates that largely assisted by grants from the Motor Vehicles Tax Fund and, in certain instances, from

the provincial share of the Road Account, the district boards have been able to undertake new programme for road construction and improvement of existing roads. The actual expenditure incurred by district boards, during the year under review on "Original Works" was Rs. 15·76 lakhs against Rs. 14·56 lakhs and on "Repairs" Rs. 29·56 lakhs against Rs. 29·87 lakhs in the previous year.

The expenditure on "Civil Works" in the Burdwan Division amounted to Rs. 15·38 lakhs against Rs. 14·25 lakhs in the preceding year, representing 34·4 per cent. of the total expenditure. The increase was shared by all the districts except Howrah, and was due mainly to the special Government allotments from the Motor Vehicles Tax.

In the Presidency Division the expenditure on "Civil Works" fell from Rs. 16·62 lakhs to Rs. 15·16 lakhs, and the decrease was shared by all the districts except Murshidabad. In Nadia only about half the programme of Civil Works was carried out. This was mainly due to floods in the district.

The expenditure on "Civil Works" in the Dacca Division increased from Rs. 15·64 lakhs to Rs. 17·90 lakhs. There was an increase of Rs. 1·43 lakhs in the Dacca district alone owing to heavy expenditure on the Dacca Narainganj Road under the Road Fund Scheme.

The total expenditure on "Civil Works" in the Chittagong Division was Rs. 6·03 lakhs against Rs. 6·39 lakhs in the previous year.

The total expenditure on "Civil Works" in the Rajshahi Division rose from Rs. 17·94 lakhs to Rs. 18·84 lakhs. The district boards of Rajshahi, Jalpaiguri, Pabna and Darjeeling shared in this increase, while decrease occurred in the remaining districts of the Division. The decrease, which was most marked in Rangpur (Rs. 91,245), is accounted for by the fact that heavier allotments had been made in the previous year out of the large opening balances available in that year. The system of having repairs of roads and bridges as well as new works carried out through honorary contractors under the supervision of the District Engineer was continued by the Darjeeling district board with satisfactory results.

9. **Water Supply.**—A total sum of Rs. 9·41 lakhs was spent under this head during the year under review, as compared with Rs. 8·03 lakhs in the preceding year.

The total expenditure on water-supply in the Burdwan Division rose from Rs. 2,12,035 to Rs. 2,22,149 of which Rs. 1,85,963 was spent on original works and Rs. 36,186 on repairs. The expenditure on original works increased in the districts of Birbhum, Bankura, Midnapore and Howrah, while it fell in the remaining districts. The Burdwan district board spent a sum of Rs. 36,791 against Rs. 44,524 in the preceding year, on the excavation of 21 masonry wells and the re-excavation of 17 old wells. In Birbhum, the expenditure on water-supply amounted to Rs. 43,949 against Rs. 40,561 of the previous year. 50 tube-wells, 21 masonry wells and 41 cement ring wells were completed by the district board. In Midnapore the total expenditure on water-works was Rs. 71,918 against Rs. 62,530 in the previous year. Eight experimental wells with casing, 131 tube-wells, 27 masonry wells and 5 pottery wells were the total output of the year in this district. In Hooghly the problem of drinking water-supply is reported to have been solved to an appreciable extent. The Commissioner observes that there is now hardly any village in the district without at least one efficient tube-well. In Howrah, the total expenditure on water-supply was Rs. 14,599 against Rs. 12,655 in the preceding year. This amount was spent on the construction of 56 tube-wells and 4 ring wells and the re-excavation of 8 tanks.

In the Presidency Division there was an increase of Rs. 43,246 in the disbursement under this head. The expenditure on original works increased in the districts of the 24-Parganas, Murshidabad and Khulna owing to the sinking of a large number of tube-wells, while it declined in the district of Nadia and Jessore. Two hundred and forty-one tube-wells were completed in the Murshidabad district. Khulna constructed even a larger number of tube-wells, viz., 436. Eighteen tanks were also excavated and four tanks were improved during the year under review. The district board of Khulna also contributed a sum of Rs. 2,000 towards the Bagerhat Water-supply Scheme and gave Rs. 4,000 to the Khulna municipality for waterworks.

In the Dacca Division the total expenditure on water-supply increased from

Rs. 2,67,041 to Rs. 3,22,579. Of the total outlay, Rs. 2,80,062 was on account of "Original works" and Rs. 42,517 for "Repairs." The expenditure on "Original works" increased in all the districts except Dacca, where there was a decrease of Rs. 9,871. The Mymensingh district board constructed 827 tube-wells and 258 masonry and ferro-concrete wells and excavated 2 tanks. The district board of Bakarganj completed the excavation of four tanks taken up in the preceding year and spent a sum of Rs. 11,550 towards excavation of 67 tanks in the various subdivisions, including 49 in the Patuakhali subdivision. Altogether there were 368 reserved tanks under this Board's direct control, while 222 new tanks were excavated by the colonization and Khas Mahal Department or by union boards with the assistance of contributions from the district board.

The total expenditure on waterworks in the Chittagong Division amounted to Rs. 42,600 against Rs. 38,900 in the preceding year. The district boards of Chittagong and Noakhali spent only Rs. 4,004 and Rs. 1,299 respectively, while the district board of Tippera incurred an expenditure of Rs. 37,297 under this head during the year. Of this amount Rs. 33,012 represented the cost of sinking 247 tube-wells, resinking of 28 tube-wells and construction of pucca platforms of 190 tube-wells. One hundred and ninety-three tanks were excavated or re-excavated by the Tippera district board up to the end of 1936-37. The total number of tube-wells sunk by this board up to the end of 1936-37 was 750. In Chittagong a sum of Rs. 4,004 was spent by the board on re-excavation of tanks and sinking of tube-wells in rural areas.

In the Rajshahi Division the total outlay on waterworks rose from Rs. 1,27,561 to Rs. 1,53,589. In Rajshahi 4 reinforced concrete ring wells, 19 tube-wells and one tank were completed and the construction of one masonry well and 25 tube-wells was in progress at the close of the year. In Dinajpur 16 ring wells and 3 tube-wells were constructed with grants from the District Fund; and 60 cement concrete ring wells and 19 tube-wells were constructed with the Government of India's rural development grant under the supervision of the district board. The district board of Rangpur constructed one tube-well, 13 masonry wells, 43 cement concrete ring wells and one country ring well during the year. Fifty tube-wells, 40 double ring wells and 5 cement concrete wells were also constructed with the Government of India's rural uplift grant. In addition to the above, the district board spent Rs. 15,000 on water-supply and drainage through the union boards. In Bogra 324 tube-wells were sunk during the year. The Commissioner has pointed out that while the water-supply scheme adopted by this Board was satisfactory and while a very large number of new tube-wells was being sunk every year, the arrangements for their maintenance were still inadequate. In Pabna 72 tube-wells, 77 masonry wells, and 161 ring wells were completed during the year and about 200 masonry wells were under construction. The Malda District Board prepared a scheme of water-supply and Government have recently approved of a loan of Rs. 47,000 towards financing it.

10. **General Remarks.**—The Minister has read with great interest the reports of the Commissioners of Divisions and has noted with satisfaction the progress recorded during the year in several directions in the sphere of Local Self-Government. Much useful work has been done in spite of the handicap of inelastic resources, and the increasing calls on the District fund. As in the preceding year, several district boards were faced with widespread scarcity bordering in some cases on famine and the Commissioners have paid well deserved tribute to the district boards concerned for having taken prompt and adequate measures for relief of distress in willing co operation with local officers and voluntary workers.

The constitution of district school boards in a number of districts and the transfer of charge of primary education by the district boards to these bodies was a noticeable feature of the year.

The question of the provision of a system of adequate supply of pure drinking water appears to have received increased attention from the local authorities. The Central grant for rural uplift, a considerable portion of which was allotted towards the augmentation of sources of water-supply, proved of great benefit to the rural public. The solution of the problem of rural water-supply is, however, still far from satisfactory, and the Ministry trusts that the interest which the local bodies have evinced in the matter will be sustained in future.

The rural public health organisation maintained with the usual contributions from Government continued to do valuable work in controlling epidemics and in carrying on a moderate amount of educative propaganda. It is realised, however, that any startling results towards improvement of public health cannot be expected from this inadequate agency. A scheme for the provision of a more comprehensive and adequate rural health organisation for the entire province is now receiving the active consideration of the Ministry.

The Minister regrets to have to note that while the district boards displayed commendable energy and zeal in the sphere of rural improvement, there was little or no improvement noticeable in that of financial administration, and irregularities, some of which amounted to grave abuse of responsibilities, continued to recur during the year under review. Some of the Divisional Commissioners have been constrained to suggest the adoption of some form of financial control over transactions in respect of the District Funds which would be more effective than the present method of control through periodical audit, under which the comments made in audit go unheeded year after year. The Minister trusts that in the interest of the efficient administration of Local Self-Government the defects and irregularities revealed in the audit reports will not be allowed to recur in future.

In the Rajshahi Division the total outlay on waterworks rose from Rs. 1,27,561 to Rs. 1,53,589. In Rajshahi 4 reinforced concrete ring wells, 19 tube-wells and one tank were completed and the construction of one masonry well and 25 tube-wells was in progress at the close of the year. In Dinajpur 16 ring wells and 3 tube-wells were constructed with grants from the District Fund; and 60 cement concrete ring wells and 19 tube-wells were constructed with the Government of India's rural development grant under the supervision of the district board. The district board of Rangpur constructed one tube-well, 13 masonry wells, 43 cement concrete ring wells and one country ring well during the year. Fifty tube-wells, 40 double ring wells and 5 cement concrete wells were also constructed with the Government of India's rural uplift grant. In addition to the above, the district board spent Rs. 15,000 on water-supply and drainage through the union boards. In Bogra 324 tube-wells were sunk during the year. The Commissioner has pointed out that while the water-supply scheme adopted by this Board was satisfactory and while a very large number of new tube-wells was being sunk every year, the arrangements for their maintenance were still inadequate. In Pabna 72 tube-wells, 77 masonry wells, and 161 ring wells were completed during the year and about 200 masonry wells were under construction. The Malda District Board prepared a scheme of water-supply and Government have recently approved of a loan of Rs. 47,000 towards financing it.

10. **General Remarks.**—The Minister has read with great interest the reports of the Commissioners of Divisions and has noted with satisfaction the progress recorded during the year in several directions in the sphere of Local Self-Government. Much useful work has been done in spite of the handicap of inelastic resources, and the increasing calls on the District fund. As in the preceding year, several district boards were faced with widespread scarcity bordering in some cases on famine and the Commissioners have paid well deserved tribute to the district boards concerned for having taken prompt and adequate measures for relief of distress in willing co-operation with local officers and voluntary workers.

The constitution of district school boards in a number of districts and the transfer of charge of primary education by the district boards to these bodies was a noticeable feature of the year.

The question of the provision of a system of adequate supply of pure drinking water appears to have received increased attention from the local authorities. The Central grant for rural uplift, a considerable portion of which was allotted towards the augmentation of sources of water-supply, proved of great benefit to the rural public. The solution of the problem of rural water-supply is, however, still far from satisfactory, and the Ministry trusts that the interest which the local bodies have evinced in the matter will be sustained in future.

The rural public health organisation maintained with the usual contributions from Government continued to do valuable work in controlling epidemics and in carrying on a moderate amount of educative propaganda. It is realised, however, that any startling results towards improvement of public health cannot be expected from this inadequate agency. A scheme for the provision of a more comprehensive and adequate rural health organisation for the entire province is now receiving the active consideration of the Ministry.

The Minister regrets to have to note that while the district boards displayed commendable energy and zeal in the sphere of rural improvement, there was little or no improvement noticeable in that of financial administration, and irregularities, some of which amounted to grave abuse of responsibilities, continued to recur during the year under review. Some of the Divisional Commissioners have been constrained to suggest the adoption of some form of financial control over transactions in respect of the District Funds which would be more effective than the present method of control through periodical audit, under which the comments made in audit go unheeded year after year. The Minister trusts that in the interest of the efficient administration of Local Self-Government the defects and irregularities revealed in the audit reports will not be allowed to recur in future.

CALCUTTA, THE 17TH JUNE 1938.

RESOLUTION No. 1854M.

READ—

Reports of the Commissioners of Divisions on the working of municipalities in the Bengal Presidency (except Calcutta) during the year 1936-37.

1. **Number of municipalities.**—As in the previous year, the total number of municipalities in the Presidency (excluding the Calcutta Corporation) was 118. The name of the Joynagar municipality in the district of the 24-Parganas was changed to Joynagar-Majilpur. The provisions of the Bengal Municipal Act, 1932, were brought into force in the two hill municipalities of Darjeeling and Kurseong from the beginning of the year under review. The boundaries of five municipalities, viz., Burdwan, Bansberia, Bankura, Baruipur and Joynagar-Majilpore, were revised and proposals for the revision of the boundaries of a few others were under consideration.

2. **Elections.**—The Garden Reach municipality, which had been administered by appointed commissioners for the first two years after its separation from the Corporation of Calcutta, had its first general election under the Bengal Municipal Act of 1932 during the year under review. General elections were held in 25 municipalities. Most of them were contested. The ratepayers took a keen interest in the proceedings and in some cases more than 80 per cent. of the voters attended the poll. An interesting feature of the year was the keenness shown by female voters in exercising their franchise in some of these elections. In one ward of the Naihati municipality more than 83 per cent. of women ratepayers exercised the franchise; the attendance of women voters at the poll was 100 per cent. in one ward of the small town of Gaibandha, and exceeded 90 per cent. in some of the wards of the municipalities of Nator, English Bazar and Nawabganj.

3. **Meetings.**—Out of 2,957 meetings held during the year, 115 proved abortive for want of a quorum and 265 meetings were adjourned, against 76 and 274, respectively, during the preceding year. The Hooghly-Chinsurah municipality again held the largest number of meetings, viz., 61, but no fewer than 29 of these had to be adjourned. The credit for the best record for the year goes to the Garden Reach municipality which held 55 meetings of which none failed for want of a quorum and only one had to be adjourned. On the other hand, the commissioners of the Moheshpur, Murshidabad and Kanchrapara municipalities failed to meet even once a month, and the commissioners of the Rajpur municipality in the district of the 24-Parganas met only seven times before they were superseded under section 553 of the Bengal Municipal Act towards the end of the year.

The attendance of commissioners was on the whole fair. The highest percentage of attendance (85·5) was reached in the Kotechandpur municipality and the lowest (31·8) in Howrah.

4. **Ratepayers.**—The number of ratepayers increased from 360,377 to 373,954 and the ratio of ratepayers to the total urban population averaged nearly 16 per cent. in the Presidency as a whole. It varied from 49·9 per cent. in Baraset to 3·3 per cent. in Bhatpara, a mill town with a floating population of labourers who pay no rates themselves. Other towns in which rates were paid by less than one-tenth of the population were Mymensingh, the mill municipalities of Champdany, Bhadreswar, Kamarhati, Naihati, Halisahar, Garulia and Titagarh and the hill stations of Darjeeling and Kurseong.

5. **Rates and taxes.**—The average incidence of taxation per head of population showed a slow but steady increase. It was Rs. 3-3-9 in the year 1934-35, Rs. 3-4-6 in 1935-36 and Rs. 3-5 in the

year under review. The incidence of income showed the same upward tendency, the figures being Rs. 3-14-5, Rs. 3-15-2, and Rs. 4-1-4, respectively, for the three years mentioned above. The maximum divisional average incidence of taxation was Rs. 4-5-8 in the Burdwan Division, the Rajshahi Division coming next with Rs. 3-10. A more accurate idea of the incidence of taxation can be gained by considering the amount paid by the actual ratepayers who comprise about one-sixth of the municipal population. On this basis of calculation, the incidence comes to about Rs. 20 13-4 per ratepayer for the whole Presidency. The variation in individual towns was, however, great; the ratepayers in Darjeeling, for instance, paying Rs. 175 per head, while those in the petty rural towns paid on an average about Rs. 2 each. Generally speaking, the incidence of municipal taxation in the Presidency is still very low and any striking improvement in municipal services and amenities cannot be expected until the popular aversion to higher local taxation is overcome and the existing resources of municipal bodies are substantially augmented.

General or partial revision of assessment made in a number of municipalities resulted in an increase of Rs. 3,81,966 in the municipal demand of the Presidency as a whole. In Howrah, a net increase of Rs. 54,572 resulted from the imposition of a consolidated rate of 18 per cent. under the provisions of the Calcutta Municipal Act as extended to that municipality. The South Suburban and Budge Budge municipalities secured an increase of Rs. 47,244 and Rs. 32,002, respectively. The largest increase, viz., Rs. 1,22,508 occurred in Dacca where the general revaluation took effect during the year under report. The Garden Reach municipality, on the other hand, suffered a decrease of Rs. 38,382 owing to the adoption of a rate of 15 per cent. under section 135 of the Bengal Municipal Act in place of the consolidated rate of 19½ per cent. which had been in force in the municipality during the preceding year.

6. **Collections.**—The total collections rose from Rs. 73,38,135 to Rs. 74,66,136 or by 3·9 lakhs above the figure recorded in 1934-35. This increase however, was more apparent than real, in as much as the rate of collection, instead of keeping pace with the growth of the demand, showed a decided tendency towards falling off. The percentage of the total collections on the total demand fell from 67 to 65·4, while the percentage of the current collections on the current demand and of the arrear collections on the arrear demand fell from 77·8 to 75·8 and from 37·1 to 36·2, respectively. The result was that the arrears outstanding at the close of the year mounted to Rs. 32·8 lakhs against Rs. 30·2 lakhs in the preceding year in spite of an increase in the amount of total remissions which rose from Rs. 6·17 lakhs to Rs. 6·57 lakhs, representing 5·7 per cent. of the total demand as compared with 5·6 per cent. in the preceding year.

The Garulia municipality established a commendable record by collecting its entire demand for the sixth year in succession. Its example was closely emulated by Bhadreswar and Nalchiti which collected 99·4 and 98·5 per cent., respectively, of their total demands. In 9 municipalities, on the other hand, collections fell below 50 per cent. of the total demand. Taki in 24-Parganas collected only 37 per cent. while Rajpur in the same district collected only 7·6 per cent. The meagre collection in Rajpur was due to the complete breakdown in the administration owing to internal feuds and party factions among the municipal commissioners. Thirty seven municipalities, however, collected more than 80 per cent. of their total demand, and in thirteen of them collections exceeded 90 per cent.

The Howrah municipality again granted the largest remissions amounting to Rs. 1,90,600, of which Rs. 91,502 was on account of vacant holdings. It had also the heaviest outstanding balance, viz., Rs. 12,80,892. The special attention of the municipal commissioners was drawn in the last resolution to the exceptionally heavy outstandings which had become almost a chronic feature of this municipality; but nothing appears to have been done to improve the position. Other municipalities with heavy outstanding balances were Dacca (Rs. 1,76,880), Mymensingh (Rs. 1,15,202), Garden Reach (Rs. 1,13,905), Hooghly-Chinsurah (Rs. 1,06,892), Tollygunge (Rs. 83,030) and the South Suburban (Rs. 74,673). The large outstandings in Garden Reach, Tollygunge and the South Suburban are mainly ascribed to a large number of appeals against the general

revision of assessment, but no explanations have been furnished for the exceptionally heavy arrears in Dacca, Mymensingh and Hooghly-Chinsurah.

7. **Income and Expenditure and closing balance.**—The total receipts including opening balances fell from Rs. 127·5 lakhs to Rs. 125·8 lakhs, the decrease under the heads "Opening Balance" and "Extraordinary and Debt" more than counterbalancing the increase in the receipts from taxation and grants and contributions. The total municipal expenditure, however, remained practically stationary at about Rs. 108·1 lakhs.

The total closing balance at the end of the year amounted to Rs. 17·8 lakhs against Rs. 19·5 lakhs in the preceding year, the largest balance (Rs. 2,39,524) for which no explanation has been furnished, being held by Darjeeling. Other municipalities with noticeably large closing balances were Dacca (Rs. 2,08,243), Howrah (Rs. 1,33,895), Budge-Budge (Rs. 64,493), Garden Reach (Rs. 63,303), Baranagore (Rs. 57,981), Jalpaiguri (Rs. 43,850), Bhatpara (Rs. 42,163) and Kanchrapara (Rs. 40,261). The greater portion of the balances held by Baranagar and Kanchrapara was earmarked for their respective water-supply schemes, while the balances shown against Budge-Budge, Garden Reach and Bhatpara were in reality funds set apart for the general improvement of the towns. Several municipalities, on the other hand, failed to keep adequate working balances, and in the case of no fewer than 36 municipalities the balances were quite insufficient to meet outstanding liabilities.

8. **Education.**—The amount spent on education, including the Government grant of Rs. 1·48 lakhs, was Rs. 6·72 lakhs or about 7 per cent. of the municipal income as against 7·12 per cent. in the preceding year. The expenditure on primary education rose from Rs. 4,56,889 to Rs. 4,74,491 and it is satisfactory to note that only 9 municipalities, as against 13 in the preceding year, failed to spend on primary education 3·2 per cent. of their ordinary income which is the minimum percentage required to be spent for the education of half the number of boys of primary school-going age in a town. The percentage was, however, above 6 in 61 municipalities and above 10 in 27, the highest ratio being reached in the Chittagong municipality which devoted 38·4 per cent. of its ordinary income to primary education.

The Kurseong municipality formulated a scheme for the regular medical examination of school children and for the supply of additional nutrition to defective children at its own cost. The work was started with the help of a part-time school medical officer employed by the municipality. Government trust that this example will be emulated by other municipal bodies and that school hygiene will receive more adequate attention from them than it has received in the past. The Kurseong municipality also opened an industrial school. As in the previous years, the commissioners of the Chittagong municipality evinced a keen interest in the spread of primary education, although the administration of some of the primary schools is reported to have been far from satisfactory. Among other municipalities which took considerable interest in the spread of education generally and of primary education in particular, were Madaripur, Garden Reach, South Suburban, Bhatpara, Bhadreswar, Burdwan, Asansol and Howrah.

The total municipal expenditure on education represented 4·5 annas per head of urban population and that on primary education 3·2 annas, as compared with 4·5 annas and 3·1 annas, rspectively, in the preceding year. The *per capita* expenditure on primary education from municipal funds alone averaged 2·2 annas against 2·1 annas in 1935-36.

9. **Water-supply.**—The total expenditure on water supply rose from Rs. 9·82 lakhs in 1935-36 to Rs. 12·87 lakhs during the year under review. The increase, which was shared more or less by all the Divisions was most marked (viz., Rs. 83,778) in the Burdwan Division owing mainly to increased expenditure on water-supply by the municipalities in the Howrah, Bankura and Midnapore districts. The municipalities of the Dacca Division accounted for an increase of Rs. 68,391, of which Dacca alone was responsible for Rs. 42,702 and Barisal for Rs. 16,030;

while the municipalities of the Presidency and Rajshahi Divisions increased their expenditure on water-supply by Rs. 29,287 and Rs. 28,375, respectively.

The total number of waterworks in operation in municipalities was 48. The approximate number of persons served was 1,296,916 and the average quantity supplied was 16,404,902 gallons per day. It is a satisfactory feature of the year under review that, although financial stringency prevented Government from making the usual grants from provincial revenues towards the cost of water-supply projects, the municipal boards as a whole were able to devote greater attention to the problems of water-supply in their areas and several municipalities financed such projects with the help of loans and local contributions.

The first part of the independent water-supply scheme of the Serampore municipality was completed and administrative approval of Government was accorded to the scheme for completion of the water-supply extension project of the municipality at an estimated cost of Rs. 75,000. The detailed scheme of the Hooghly-Chinsura municipality for the extension of its water-supply at an estimated cost of Rs. 1,33,000 was also sanctioned by Government. The joint water-supply scheme of the Baranagore and Kamarhati municipalities was approved by Government and the work was in progress. The water-supply project of the Garden Reach municipality received administrative approval during the year. The separate water-supply scheme for the non railway area of the Kanchrapara municipality, however, made no progress as the municipal commissioners could not come to a decision in regard to the question of taking a loan. Dacca took up a scheme for the erection of an overhead tank and the sinking of a tubewell at an estimated cost of about Rs. 60,000. The first part of the waterworks improvement scheme at Mymensingh was almost completed and the municipality laid out a further sum of Rs. 60,000 for the completion of the second part. The Bhola municipality formulated a scheme for the construction of waterworks at a cost of Rs. 40,000. Chittagong submitted a project for remodelling the waterworks at a total estimated cost of Rs. 3,99,000. A sketch project for the improvement of water-supply at Comilla at an estimated cost of Rs. 34,000 was approved by Government. The first and second sections of the water-supply scheme of the Rajshahi municipality almost reached completion. Sanction of Government was accorded to a loan of Rs. 35,000 asked for by the municipal commissioners in connection with the project and the third section of the scheme, which was estimated to cost Rs. 93,000 to be met partly from donations (Rs. 62,000) and partly from the usual one-third grant from Government (Rs. 31,000), was also administratively approved. The project for extension of water-supply at Nator and the water-supply scheme for Pabna made no progress. Bogra drew up a scheme of water-supply estimated to cost Rs. 56,000. The Darjeeling municipality had under consideration a large scheme of improvement for the removal of the shortage of water-supply in the town.

Minor schemes for improvement of water-supply were carried out in several municipalities.

Several smaller municipal towns sank a large number of tube-wells to improve the supply of drinking water, their resources being insufficient for undertaking expensive schemes of piped water-supply. Some of the larger municipalities also adopted this plan to supplement the supply from their water works and to provide drinking water for outlying areas.

10. **Conservancy.**—The conservancy charges, which rose slightly from Rs. 24·23 lakhs to Rs. 24·38 lakhs, were about Rs. 7½ lakhs in excess of the receipts from the conservancy rate, the deficit being met, as usual, by contribution from the general fund. Government regret to note that in spite of repeated exhortations by the local officers, most of the municipal authorities do not appear to have realised the necessity for making this special rate fund self-supporting so as to prevent the continuous drain on the general fund which involves the sacrifice of other important services. Several municipalities, notable among them being Bogra, Serajganj and Jalpaiguri, increased the conservancy rate while the Kurseong municipality reduced the rate from 3 per cent.

to 2 per cent. owing to the large credit balance in its conservancy fund. The Kurseong municipality built sweepers' barracks on the site of the segregation shed after removing the latter outside the town. The incinerator constructed by the municipality worked satisfactorily.

11. **Drainage.**—The total expenditure on drainage fell from Rs. 3,89,349 to Rs. 3,68,388. Drainage became an urgent problem in many municipalities, e.g., Pabna, English Bazar and Comilla, but financial difficulties stood in the way of their undertaking complete and effective schemes. The detailed sewerage scheme of the Asansol municipality was sanctioned by Government at an estimated cost of Rs. 1,43,000. A revised scheme for improving the drainage at Dinajpore was under preparation, but the drainage schemes of the Nabadwip and Rajshahi municipalities made little progress on account of difficulties in solving the financial questions involved.

12. **Lighting.**—The total outlay under this head fell from Rs. 8·08 lakhs to Rs. 7·20 lakhs, the decrease being most marked (Rs. 87,000) in the Rajshahi Division owing to decrease in expenditure on lighting in the Darjeeling municipality. Although the total receipts from the lighting rate rose from Rs. 1·66 lakhs to Rs. 1·79 lakhs, the expenditure incurred by most of the municipalities was considerably in excess of their income under this head.

A fairly large number of the municipal towns in the Presidency continued to be lit with electricity supplied by the local Electric Supply Companies. A partial scheme for the introduction of electric lights in some of the main streets of the Baidyabati municipality was under preparation and the municipal commissioners of Nator also took up the question of electrification of the town. The installation of electric lights in the municipalities of Pabna and Serajganj removed a long-felt want, while the inauguration of a system of electric supply at Faridpur resulted in a notable addition to the amenities of the town. The scheme for the supply of electric energy to the town of English Bazar also made fair progress. Darjeeling is the only municipality in the province to hold its own license for electric supply. The recent change-over from the single-phase system to a three-phase system having proved inadequate, particularly in the dry season when supply of water-power becomes scanty, the municipal commissioners submitted for the approval of Government a proposal for obtaining the supply in bulk from a company offering 6,600 volts high tension current at Sidrapong at the lowest rate and for extending the range of transmission of power to Sikkim in the north and the district of Jalpaiguri in the south. A lighting rate of 2 per cent. of the annual value of holding was imposed for the first time by the Kurseong municipality during the year under review. But the receipts from this source being inadequate to meet the expenditure, the municipal commissioners approached the Hydro-electric Company for a reduction of their existing high rate of Rs. 40 per light per annum.

13. **Public Health.**—Generally speaking, the municipal authorities showed keenness and energy in taking measures for the improvement of public health and specially for the prevention and control of epidemic diseases. There were outbreaks of smallpox in an epidemic form in Raniganj and Bankura, but the adoption of timely preventive measures checked the spread of the disease. In Dacca, the small-pox epidemic of the preceding year continued unabated during the first few months of the year under report and took a toll of 83 lives, while cholera also broke out in an epidemic form and accounted for 151 deaths, against 53 in the preceding year. Mymensingh was threatened with an outbreak of small-pox in an epidemic form, but the prompt measures taken by the municipality averted the danger. Small-pox broke out in a serious epidemic form in Chittagong in December 1936. There were 648 attacks, of which 140 ended fatally. The Epidemic Diseases Act was promulgated throughout the municipal area and the municipal commissioners took prompt and effective measures for the control of the epidemic. There were outbreaks of cholera in certain municipalities in the Rajshahi Division especially in Rajshahi, Dinajpore, Rangpur and Pabna, but the prompt adoption of precautionary measures, such as inoculation, disinfection, isolation and segregation of patients, arrested the spread of

the disease. Sporadic cases of cholera and small-pox occurred in a large number of municipalities but the permanent health staff maintained by the municipalities was able to check the epidemics by the timely adoption of preventive and curative measures. The Public Health staff was also employed in the work of vaccination and revaccination. Temporary vaccinators were appointed, when necessary, by some of the municipalities.

There was an alarming increase in the number of deaths from typhoid fever in Dacca, where 1006 persons died of it, as against 102 in the preceding year. The number of deaths from typhoid in Dacca is reported to have steadily increased during the last 14 years, and the existing privies are said to be active sources of propagation.

Beri-Beri broke out in an epidemic form at Rajbari in the district of Faridpur and affected a large portion of its population. Steps were, however, taken to circulate the instructions of the Public Health Department regarding the treatment of the disease and to induce the shop-keepers to stock fresh vegetables, rice, oil, etc. and fortunately almost all the patients recovered.

As regards preventive measures against malaria, most of the municipalities took steps for cutting down jungle and undergrowth, filling up insanitary ditches, *khals* and *dobas*, etc., and treating tanks and ditches with kerosene or other larvaecides. The notices issued by the municipalities to the owners and occupiers of private lands enjoining clearance of jungle and filling up of insanitary ditches are reported to have been complied with in the majority of cases. Raniganj spent Rs. 990-from the municipal fund in addition to a Government grant of Rs. 1,000 on anti-malarial measures, while Serampore and Arambagh also received grants from Government which were spent on such measures. The Bally municipality carried out anti-malarial works in co-operation with the East Indian Railway administration at Lillooah. Preventive and curative schemes for combating malaria on scientific lines were undertaken by a large number of municipalities in the Presidency Division with the co-operation of local anti-malarial societies where they existed, the activities of the Baruipur Budge-budge, North Barrackpore and Baranagore Municipalities being worthy of mention in this connection. As in the preceding year, anti-malarial work was carried out in the Baruipore Municipality according to the plan drawn up by the Entomologist of the Public Health Department. In Budge Budge, the control measures initiated by the Director of Public Health, for which the municipality paid an annual contribution of Rs. 1,000 proved beneficial. Bhatpara, Krishnagar, Kushtia, Santipur and Jessore also did good work in this direction with financial help from Government. Anti-malarial measures were carried on in the Halisahar Municipality with the co-operation of the Eastern Bengal Railway authorities who deputed two medical officers for the purpose. It is regrettable that the Birnagar Palli Mandali, in the Presidency Division, which had been highly commended in previous resolutions, practically ceased to function during the year owing to lack of public support. The anti-malaria committee at Dacca carried on its operations in an area of 6 square miles at an annual recurring expenditure of over Rs. 8,000 and dealt with 21,916 patients. The spleen index recorded in the course of the malaria survey of the Skrine Canal area at Rangpur showed a considerable reduction in the incidence of malaria in the town and another survey was undertaken to ascertain the result of the improvement effected in the canal area. A scheme for carrying out anti-malarial measures in the town of Dinajpore was drawn up by the Entomologist of the Public Health Department and was adopted by the municipality with a Government grant of one-half of the estimated cost of the scheme. As in the previous years, steps were also taken by several municipalities to eradicate water-hyacinth and other noxious vegetation, the municipalities of Kanchrapara, Jessore, Narayanganj, Nator and Jalpaiguri doing particularly useful work in this connection.

The South Dum-Dum Municipality continued to maintain a kala-azar centre at the municipal charitable dispensary and also an anti-rabic treatment centre in co-operation with the Dum Dum Municipality. Centres for treatment of anti-rabic cases under the decentralised

scheme were maintained by the South Suburbun, Baruipur and Bally Municipalities. At Suri in the Birbhum district such cases were treated at the Sadar Hospital, the municipality meeting the cost of vaccine in the case of indigent residents. Arrangements for treatment of leprosy were maintained by a number of municipalities, the most prominent among them being Sonamukhi, Raniganj, Asansol, Berhampore, Chittagong and Dacca. In the last named municipality no fewer than 635 leprosy cases were treated during the year, of which 282 were new cases.

The Nabadwip Municipality continued to maintain a maternity home and orphanage in conjunction with the local lodging house committee. A fully equipped maternity home was constructed at Sherpur in the district of Mymensingh, thanks to the generosity of the Chairman of the municipality. The Rangpur Municipality also opened a maternity and child welfare centre, including a baby clinic, besides maintaining a training class for indigenous *dais*.

The administration of the Food Adulteration Act appears to have engaged the attention of most of the municipalities in the province; and the Municipalities of Nabadwip, Krishnagar, Dacca, Faridpur, Barisal, Gaibandha, Rangpur and Bally are reported to have been particularly active in this respect. There is, however, still considerable room for improvement in the activities in this sphere as the action so far taken cannot be said to have had any appreciable effect in checking the growing evil of adulteration of foodstuffs.

14. **Public Works.**—The amount spent on public works rose by about Rs. 94,000 to Rs. 14·71 lakhs, the increase occurring mainly under the heads "Roads" (Rs. 45,393) and "Establishment" (Rs. 33,470). The total mileage of roads maintained by the municipalities during the year was 3048·3 of which 1455·5 miles were metalled and the rest unmetalled. The condition of the roads is reported to have improved to some extent and the grants made by Government from the Motor Vehicles Tax Fund were very helpful in this connection and were usefully spent by the municipalities receiving them. In 8 municipalities in the Rajshahi Division, viz., Nator, Dinajpore, Gaibanda, Bogra, Sherpur, Sirajganj, English Bazar and Old Malda, however, the expenditure on roads, fell below the minimum standard fixed by Government. The Municipalities of Sherpur and Old Malda incurred no expenditure whatever from their own funds and the Dinajpore Municipality spent Rs. 7,358 less than the prescribed minimum. Four roads in the Rangpur Municipality were treated with coal-tar during the year and a progressive programme for painting the surface of all the principal roads was also drawn up. A five-year scheme for improvement and reconstruction of roads and drains at a cost of Rs. 27,000 was prepared by the Kurseong Municipality. Several municipalities, particularly in the Presidency Division were, however, handicapped by an excessive mileage of metalled and unmetalled roads, under their control which they could not properly maintain, as the expenditure involved was far beyond their resources.

15. **Audit of accounts.**—The accounts of all the municipalities, except Katwa, Serampore, Nabadwip, Debhatta, Noakhali and Brahmanbaria, were audited during the year. A case of defalcation of a sum of Rs. 1,943 was detected in Hooghly-Chinsura. The tax collector and the two collecting sarkars, who were implicated in the matter, were placed under suspension and prosecuted. The tax collector died during the pendency of the case but the other two persons were convicted and a portion of the defalcated amount was recovered from their security deposits and provident fund money. A case of embezzlement by the collecting sarkar occurred at Nabadwip and the accused was sent up for trial. A collecting sarkar of the Joynagar-Majilpur Municipality, who defalcated a sum of Rs. 11-6-3, was dismissed and his security deposit of Rs. 100 together with the interest accrued thereon and the sum earned by him as commission was forfeited. Instead however, of taking measures for his prosecution, which would have had a deterrent effect on other municipal employees, the municipal commissioners practically allowed the offence to be compounded by the

payment of a sum of Rs. 200 to the municipal fund. A collecting sarkar of the Nawabganj Municipality was criminally prosecuted for defalcating a sum of Rs. 457-7 out of the taxes collected by him. Criminal proceedings were started against the tax daroga of the Rajshahi Municipality who was alleged to have dishonestly remitted a certain amount of municipal taxes as being irrecoverable. All these cases of defalcation and embezzlement appear to have been due mainly to lack of control and supervision by the municipal executives and non-compliance with, and laxity in the observance of, account rules and audit inspections.

16. **General Remarks.**—While the reports of the Divisional Commissioners present an encouraging record of useful work done by a majority of the municipalities of the Province, they also disclose serious lapses in certain cases and a tendency on the part of a few towards concentration of their resources on one single objective at the expense of other essential functions. The Chittagong Municipality, for instance, devoted an unusual proportion (about 38 per cent.) of its income towards an ambitious scheme of free primary education within the municipal area which was launched without due regard to the financial implications involved. Such a disproportionate diversion of effort and resources is not likely to achieve a maximum measure of social advantage, which can only be gained by a balanced distribution of funds among the various legitimate objectives of municipal self-government in proportion to the degree of their relative urgency and importance. It is hoped that the municipalities will aim at regulating their expendutre according to a carefully planned and balanced programme of work.

While the Divisional Commissioners' reports credit the municipalities with a sensitiveness to the various needs of urban life and a keen desire to supply them, they at the same time emphasise the general reluctance of the municipal commissioners to face the unpopular task of fresh and enhanced taxation and the laxity on their part in the matter of prompt and punctual recovery of municipal demands, which necessitated unduly heavy remissions, the writing off of large amounts and the accumulation of unduly heavy outstanding balances.

The position regarding the collection of taxes seems to be deteriorating from year to year in a large number of municipalities, mainly owing to the laxity on the part of the municipal executive in enforcing coercive measures. Most of these municipalities, which had been in arrears from the previous year or years, appear to have looked upon this deplorable state of affairs as irremediable and to have made no serious exertions to improve their financial position during the year under review, with the result that the situation was worse than ever at the end of the year. Government would appeal to these municipal executives to loose no further time in retrieving the position by adopting a policy of firmness, courage and vigour in discharging their responsibility in the matter of the prompt and punctual recovery of arrear dues as well as of current demands.

The audit reports disclosed numerous irregularities, financial or otherwise, indicating the same inattention to the comments and criticisms of the auditors and delay in attending to audit objections, as in the previous years.

On the other hand, it is satisfactory to note that in the year under review there were clear indications of very keen interest taken in elections by the voters as well as the candidates. The percentage of attendance at the polls was very satisfactory, and in several municipalities more than four-fifths of the total recorded female voters exercised their franchise. This points unmistakably to the growth of civic consciousness among the electors, which, as it gains in volume and intensity, will, it is hoped, exercise a salutary influence upon their elected representatives on the municipal boards and evoke in them a corresponding growth of the sense of civic responsibility and thus lead to an improvement in the general standard of municipal administration in the province.

## DISTRICT REPORTS ON WEATHER AND CROPS.

**For the week ending on the 15th June 1938.**

Summary.—Excepting light showers in places the rainfall was generally moderate to heavy. Preparation of lands for and sowing of winter paddy in seed-beds continue favourably. Sowings of jute and autumn paddy are almost over; weeding is in brisk progress. Growth of standing crops has been affected in places by the recent heavy rainfall. The average price of common rice for the province has risen by about 0·78 per cent. as compared with that of the previous week.

N. G. A. EDGLEY, *President.*

*The 23rd June 1938.*

To His Excellency the Governor of Bengal.

In the matter of an election petition under Part III, Rule 3 (read with other rules of the said Part III) of the Government of India (Provincial Elections) (Corrupt Practices and Election Petitions) Order, 1936, read with Part III, Rules 26, 27 and 28 and others of the Bengal Legislative Assembly and the Bengal Legislative Council Electoral (Election Expenses and Election Petitions), Rules, 1936, of the Bengal Electoral Conduct of Election Rules,

And

In the matter of Khan Bahadur Haji Badi Ahmad Chowdhury, M.L.C. (Ex), Chittagong, *petitioner*,

*versus*

1. Mr. Md. Anwarul Azim, Bar.-at-Law, Khan Bahadur, Anderkilla, Chittagong, *opposite party*.
2. Maulvi Mastafizur Rahman Khan, retired Deputy Magistrate, son of late Maulvi Faizullah Khan of village Chunati, police-station Satkania, Chittagong.
3. Maulvi Golam Sobhan Master, son of late Munshi Nazir Ali, village Noapara, police-station Satkania, Chittagong.
4. Khan Sahib Maulvi Abdul Hamid, retired Lecturer, Chittagong Government Madrassah, village Satbaria, police-station Patiya, Chittagong.

(Nos. 2, 3 and 4), respondents,

*opposite parties.*

The humble petition of Khan Bahadur Haji Badi Ahmad Chowdhury, M.L.C. (Ex), son of late M. Muzherunnabi Chowdhury of Bailchari, police-station Banskhali, by caste Muhammadan, by profession Zamindar, district Chittagong.

Most respectfully sheweth :—

1. That your Excellency's humble petitioner is the voter No. 227 of village Bailchari, Union No. 6 Katharia Bailchari, police-station Banskhali, district Chittagong, South Muhammadan Constituency.

2. That your petitioner was duly nominated as a candidate for a seat in the Bengal Legislative Assembly (Lower House) this time from the aforesaid Chittagong South Muhammadan Constituency bye-election.

3. That the rival candidates of your Excellency's petitioner were opposite parties Nos. 1, 2, 3 and 4.

4. That the opposite party No. 1 is alleged to have secured 6,661 and your Excellency's petitioner secured 6,015 votes and that the opposite parties Nos. 2, 3 and 4 obtained the lowest numbers of votes respectively and hence opposite party No. 1 is alleged to have been returned in the election held on the 9th and 10th March 1938.

5. That the notice under Rule 9 of the Bengal Legislative Assembly and the Bengal Legislative Council Election Petition Rules, 1936, and that the return of the election expenses of the opposite party No. 1 and the declaration made in respect thereof have been with the Returning Officer, has been published in the *Calcutta Gazette* of the 12th May 1938, Part I, page 914.

6. That your Excellency's petitioner begs to present this election petition against opposite party No. 1, calling in question the election of opposite party No. 1 on the grounds that the election is not a free election and that the election is void by reasons of a large number of votes in which undue influence, under influence, bribery and corrupt practices have been exercised and committed.

7. That your Excellency's petitioner joins opposite parties Nos. 2, 3 and 4 as respondents to this petition, as the petitioner in addition to calling in question the election of the returned candidate opposite party No. 1, he claims a declaration that your Excellency's petitioner has been duly elected.

8. That besides the general repute throughout the district that the opposite party No. 1 has bribed the voters and has thus got himself returned, the material facts upon which your Excellency's petitioner relies are as stated below:—

(*i*) (*a*) That the opposite party No. 1 tried to withdraw from the contest, your Excellency's petitioner and opposite parties respondents Nos. 2 and 3, by offering bribes.

(*b*) That one Maulvi Abdul Jabbar Ansari of Amirabad wanted to stand as a candidate for the seat in the bye-election. He canvassed and made publications and spoke in several meetings in support of his candidature but subsequently he was induced by opposite party No. 1 not to stand as a candidate on payment of illegal gratification and opposite party No. 1 made him his canvasser.

(*c*) That Maulvi Abdul Jalil, B.L., a pleader of Patiya Munsiff's court, who was a candidate at the last General Election from the aforesaid Constituency was induced not to stand as a candidate in the bye-election. For this purpose Md. Mian, D.B. Contractor and the opposite party No. 1 himself went to Maulvi Sheikh Md. Wazed Ali Chowdhury, an influential Zamindar of Jaldi, and brought him to Patiya and thereby succeeded in inducing rather compelling Maulvi Abdul Jalil, B.L., not to stand as a candidate by offering illegal gratification.

(*ii*) That opposite party No. 1 himself and his agents and other persons with the connivance and sanction of opposite party No. 1 and his agents made and offered pecuniary gratifications to several voters, for inducing them to vote for opposite party No. 1.

(*iii*) That the opposite party No. 1 himself and his agents and other persons with the connivance and sanction of opposite party No. 1 and his agents gave out entertainments to voters for the purpose of inducing voters to vote for him.

(*iv*) That the opposite party No. 1 himself and his agents and other persons with the connivance and sanction of opposite party No. 1 and his agents exercised and attempted to exercise undue and under influence on voters to vote for him, in various ways and capacities, as Chairman of the District Board and threatened the voters (electors) with various sorts of injuries.

(*v*) That the opposite party No. 1 himself and through his agents and by other persons with the connivance and sanction of the opposite party No. 1 and his agents published false statements both orally and in writing and printing which they believed to be false and did not believe to be true in relation to the personal character and conduct of your Excellency's petitioner and in relation to the candidature and withdrawal of this petitioner, which were calculated to prejudice the prospects of your petitioner's election.

(*vi*) That the opposite party No. 1 and his agents incurred and authorised expenditures and employment of persons, in contravention to Bengal Electoral Orders and other laws.

(*vii*) That the opposite party No. 1 gave a false return in material particulars of election expenses.

(*viii*) That the opposite party No. 1 himself and through his agents induced and attempted to induce voters to believe that if they voted for your petitioner they would incur Divine displeasure.

(*ix*) That the opposite party No. 1 himself and his agents and other persons with the connivance and sanction of opposite party No. 1

and his agents issued circulars, placards and posters full of false statements regarding personal conduct and character of this petitioner having reference to the election which did not bear on its place the name and address of the printers and publishers thereof.

(*x*) That the opposite party No. 1 himself and his agents and other persons with the connivance and sanction of the opposite party No. 1 and his agents offered bribes in the colour of charities to several public institutions and public causes calculating to interfere with the free exercise of the electoral right of the electors.

(*xi*) That the opposite party No. 1 himself and his agents and others at their connivance and sanction raised rumours that he has made donations to public institutions and public causes calculating to induce voters to vote for him.

(*xii*) That the opposite party No. 1 paid to Maulvi Abdul Aziz, President of Battali Union Board, police-station Anwara, Rs. 1,800 in order to influence the voters. Out of the aforesaid amounts Rs. 1,000 was paid under the garb of help to the new Battali H. E. School. Rs. 500 was paid for payment as bribes to the voters and Rs. 300 as election expenses of the polling centre at Battali. There were three meetings for the purpose of canvassing votes for the opposite party No. 1 held on 28th February, 1st, 4th and 8th March 1938 at Battali Rustum's Hat. The aforesaid facts were stated openly and publicly by Abdul Aziz and other supporters of opposite party No. 1 in the meeting at the connivance of opposite party No. 1. Also threats of dire consequences were held out to those who would not vote for the opposite party No. 1.

(*xiii*) That further, the result of the election has been materially affected by the improper acceptance of the nomination of opposite party No. 1 and by reason of the fact the opposite parties who were nominated were not qualified.

(*xiv*) That the result of the election has been materially affected by the improper receptions of votes and by reception of void votes.

(*xv*) That the opposite party No. 1 himself and his agents and other persons with the connivance and sanction of opposite party No. 1 and his agents have procured and abetted and attempted to procure the application by persons for voting papers in the names of the other persons, living and dead, and also in fictitious names.

(*xvi*) That the opposite party No. 1 and his agents and other persons with the connivance and sanction of opposite party No. 1 and his agents have procured and abetted and attempted to procure the application by persons for voting papers in their own names when, by reason of the fact that they have already voted in the constituency in question, they are not entitled to vote.

(*xvii*) That the opposite party No. 1 and his agents and other persons with the connivance and sanction of opposite party No. 1 and his agents, in complete furtherance of their game of bribery, removed voting papers from the Polling Station during polling hours by many persons.

(*xviii*) The opposite No. 1 who is the Chairman of the District Board, Chittagong, got small coins (Sikis and Adhulies, *i.e.*, quarter and half rupee pieces) through Harendra Kumar Dey, a peon of the District Board of Rs. 900 (Rs. 700 and Rs. 200) on the 8th March 1938 from the Chittagong Imperial Bank. Attention of the Khajanchi Babu Pran Kumar Banerjee was drawn to the incident. The attention of Dr. Kundu, Assistant Surgeon of Chittagong, who happened to be there at that time, was also drawn. Both these gentlemen and other servants of the Imperial Bank were told distinctly that the aforesaid small coins were being taken for the purpose of giving bribes to the voters on the next two days.

(*xix*) That on the 9th March in the Bazalia Polling Centre two persons, namely, Abdul Bari, son of Miajan, of village Maniabad, police-station Satkania, voter No. 275 of Union No. 8, Purangarh, police-station Satkania, and Mohammad Kalu, son of Abdur Rahman

arrested persons confessed to him the receipt of the bribes from Tabrej Ali Chowdhury who was identified therein. They were detained for some time by Maulvi Haji Md. Hossain Ali, M.A., C.O., Hathazari, the Presiding Officer, and subsequently they were let off. By wire the District Magistrate was informed of the matter.

(*xx*) That one Abdur Rahman Chowdhury of Chambal, an agent of the petitioner, and many voters were threatened, pursued and beaten by men of Sheikh Md. Wazed Ali Chowdhury, agent of the opposite party No. 1, during the election, on the 10th in Jaldi Centre. Similar treatment were meted out to several other voters and thereby they were induced to vote for the opposite party, No. 1.

(*xxi*) That in almost every polling centre at the connivance of opposite party No. 1, the agents and supporters of the opposite party No. 1 made their seats with chairs and tables and sometimes with mats, keeping money in the bags openly and publicly and invited the voters to accept the money and to vote for the opposite party No. 1. In this way the opposite party purchased a large number of votes.

(*xxii*) That on the 10th March 1938 the opposite party No. 1 himself went to Chandpur and there he called the following prominent persons of the locality and there he paid money to :—

1. Munshi Siddique Ahmad Kerani, member, Pukuria Union Board.
2. Matiar Rahman, Saddar of Pukuria.
3. Abdul Karim Master, Natmura.
4. Makhlesur Rahman of Natmura.
5. Nasarat Ali, son of Mukhlesur Rahman of Natmura and many others.

At that time he offered bribes to the following persons but they refused to accept :—

1. Umar Ali, Post Master, Belgoan.
2. Asad Ali, clerk, Pukuria Union Board.
3. Anwar Ali, President, Pukuria Union Board.
4. Munshi Moqbul Ahmad of Natmura.
5. Maulvi Abul Khair Master of Chandpur.
6. M. Ali Ahmad Chowdhury of Natmura.
7. Munshi Abdul Salam Chowdhury of Pukuria.
8. Munshi Abdul Wahed Mia of Dakhin Barumchara and others.

(*xxiii*) These sorts of lavish payments of bribes, corrupt practices, exercise of undue influence, threats, assaults were brought to the notices of the Presiding Officers in almost all polling centres. In some cases information was given to the thanas. Maulvi Hafez Ahmad, B.L., election agent of the respondent opposite party No. 2, informed all such facts to the District Magistrate by registered post on the 11th March 1938.

(*xxiv*) That the respondent opposite party No. 2 Maulvi Mastafizur Rahman Khan, retired Deputy Magistrate, informed by telegram on the first election date (9th March 1938) the Additional District Magistrate of Chittagong that opposite party No. 1 and his agents and other persons with the connivance and sanction of the opposite party No. 1 and his agents gave bribes to the voters openly at all polling stations of police-station Satkania and requested the Additional District Magistrate to take prompt action to stop bribings.

(*xxv*) The opposite party No. 1 being the Chairman of the Chittagong District Board mobilised all contractors, sanitary inspectors, vaccinators, health assistants, overseers, sub-overseers, doctors, compounders, clerks, peons, pound-keepers, ferry izradars, toll-izradars, etc., to canvass votes and induce voters to vote for him by exercise of undue influence, threats and all sorts of injuries.

(*xxvi*) That the opposite party No. 1 withdrew several thousands of rupees from his accounts of the Islamabad Town Co-operative Bank, Ltd., and other banks immediately before the election. There was no necessity for withdrawal of huge sums of money except that of expending the same in bribing the voters.

(*xxvii*) That the opposite party No. 1 secured the votes by lavish payments of bribes, paying the bribes openly and publicly. During the election he practised several other corrupt practices. He is guilty of an offence punishable under section 171(E), Chapter IXA of the Indian Penal Code, clause (*i*), sub-clause (*i*), read with clause (*2*) of section 171(B) and section 171(A), clause (*b*).

9. (*a*) That the opposite party No. 1 induced Hon'ble Nawab Khwaja Habibullah Bahadur of Dacca to publish a pamphlet on 5th March 1938 not to vote for your Excellency's petitioner and opposite party No. 3 in Bengali. It is as follows:—

"অন্য দুইজন প্রার্থী খান বাহাদুর হাজী বদি আহাম্মদ চৌধুরী ও মাষ্টার গোলাম ছোবহান সাহেবান মোছলেম সম্মিলিত দলে যোগদান করেন নাই এবং নির্বাচিত হইলে সম্মিলিত দলে যোগদান করিবেন এমন কোন প্রতিশ্রুতিও দেন নাই। এমতাবস্থায় তাঁহাদের কাহাকেও ভোট দেওয়া মোছলমান স্বার্থের বিরোধীয়। সুতরাং তাঁহাদের কাহাকেও ভোট দিবেন না।"

The English translation of the aforesaid paragraph is as follows:—

"That two other candidates Khan Bahadur Haji Badi Ahmad Chowdhury and Master Golam Sobhan Sahebs did not join the Muslim Coalition Party and they did not hold out any promise that they would join the party in case they would be elected. Under the circumstances to vote for them is against the interests of the Muslims. So no one should vote for them."

(*b*) Inducement not to vote for a candidate is an offence under section 171(A) of the Indian Penal Code. This is also a serious corrupt practice.

(*c*) This notice was printed and distributed to the voters throughout the constituency. It should be noted that signatures of some influential Muslims were published in that pamphlet. It is believed that the signatures of Maulvi Abdul Khaleq, retired Sub-Judge and several others were not taken at all. Maulvi A. Khaleq was then in Calcutta.

(*d*) The crucial point to be considered in this connection is that the aforesaid pamphlet of Nawab Habibullah Bahadur of Dacca recommended the voters to vote not only for the opposite party but also for Maulvi Mastafizur Rahman Khan, another candidate.

(*e*) But it appears another pamphlet bearing the same date and purporting to be signed by Khaja Habibullah Nowab Bahadur of Dacca was printed in the Suniti Press belonging to the opposite party No. 1 without the name of the printing press. It was distributed by the opposite party No. 1 and his supporters. The only difference between the two pamphlets is that the later pamphlet recommended to the voters to vote for only the opposite party No. 1 and the name of Maulvi Mastafizur Rahman Khan was omitted. So the later pamphlet is a downright forgery.

(*f*) That several other pamphlets were published purporting to be signed by several persons though their signatures, even their consent were not taken at all and the names of the printing press were not printed in them which is an offence under the law. Another similar pamphlet was printed and published by the opposite party No. 1 abusing your Excellency's petitioner with a view to lower him in the estimation of the public and thereby influencing the voters.

10. The opposite party No. 1 being the Chairman of the District Board gave promises of public works such as construction of district board road, bridges and re-excavation of tanks, etc., to voters of many localities in order to obtain votes and gave undertakings to several others to give employment under the district board. The opposite party No. 1 held out threats to several influential men to demolish their houses constructed on the verge of district board road and prosecute them for encroaching on public road.

11. The agents and canvassers of the opposite party No. 1 had recourse to all sorts of corrupt practices with the consent, connivance, direction and approval of the opposite party No. 1 who actually paid them for all these corrupt practices.

12. That the returns of election expenses as lodged by the opposite party No. 1 and submitted by him to the Returning Officer together with the declaration are false, irregular, and defective on the following grounds among others:—

(*a*) That neither the date of receipts nor the names and descriptions of payers have been shown in "heads 1 Receipts" of the returns

presumably to avoid the disclosures of the large sums of money which have been withdrawn from the Islamabad Town Co-operative Bank, Ltd., Chittagong, and other banks so that the bribery and illegal gratifications resorted to by opposite party No. 1 and his agents and other persons with the connivance, consent and sanction of the opposite party No. 1 and his agents might not be detected.

(*b*) In part A no details have been shown as to the dates and expenses incurred in order to avoid the detection of travels for the purpose of giving and offering bribes and illegal gratifications to the voters.

(*c*) That in part B, Maulvi Fazlur Rahman Khan, B.L., Maulvi Md. Ibrahim, B.L., and Maulvi Manir Ahmad, B.L., have been shown as election agents of the opposite party No. 1 with handsome payments. But the declaration of the election agents shows that the opposite party No. 1 himself was his election agent. The vouchers Nos. 2, 3 and 4 given by the aforesaid Maulvis Fazlur Rahman Khan, B.L., Md. Ibrahim, B.L. and Manir Ahmad, B.L., respectively, show that they accepted sums for election expenses in police-station Anwara, but no details are forthcoming. So it is true that these sums were spent in purchasing votes by giving bribes and illegal gratifications to the voters through them. Vouchers Nos. 5 to 15 granted by agents and canvassers as entered in Part B, except vouchers Nos. 9 and 10, do not disclose the names of the canvassers, propagandists, volunteers and workers employed and the rate of their remunerations as well as the dates and places of the meetings held by the aforesaid agents. The secrecy of the details are suspicious and bring to the conclusion that the disclosures would lead to the fact that most of these sums have been spent in illegal gratifications and bribery.

(*d*) That in Parts D, E and F, no accounts have been shown though actual expenditures were incurred under these heads. The opposite party No. 1 being the Chairman of the Chittagong District Board deputed almost all the district board employees in propaganda work and canvassing, but their travelling expenditures have not been shown in Part "D". In Part "E", cost of printing has not been shown as according to the admission of opposite party No. 1, his pamphlets, posters, cards and other election literatures were printed in his own press. But it is found that some publications bearing the names of printing press were printed in other presses not belonging to him.

(*e*) That some untrue accounts have crept in the returns. Some actual cost has not been shown, particularly the cost of travels of the Polling Agents of the opposite party No. 1 who were present at the various polling booths on the dates of election has not been shown. As for instances the travelling expenses of Maulvi Abdul Latif, B.L., Polling Agent of the opposite party No. 1 at Bailchari Polling Station and other Polling Agents have not been entered in the accounts.

13. That with a noble purpose of vindicating the honour of free exercise of electoral rights and a desire of checking the corrupt practices and bribery as resorted to by the opposite party No. 1 during the aforesaid bye-election, your Excellency's petitioner together with respondent opposite party No. 3 and Maulvi Hafez Ahmad, M.A., B.L., election agent of the respondent opposite party No. 2, has submitted under section 196, Criminal Procedure Code, sanction petition to bring in a prosecution against opposite party No. 1 under sections 171B and 171E of the Indian Penal Code, Chapter IXA, before the District Magistrate, Chittagong, who has been pleased to ask the opposite party No. 1 to show cause why sanction should not be granted to prosecute the opposite party No. 1 under the aforesaid sections of the Indian Penal Code. But the District Magistrate refused sanction on 21st May 1938 with the remarks: —

"I consider that the interests of justice will best be served by discouraging attempts to have matters decided by the criminal courts that should properly be brought before the highly qualified and specialised agency of an Election Tribunal." The aforesaid order of the Magistrate is annexed herewith as Enclosure "I".

14. That in collusion with Maulvi Ahmad Kabir Chowdhury, a big zamindar and money-lender of Satkania, Chittagong, who was returned at the last general election by the adoption of various sorts of corrupt practices and who was subsequently convicted under Chapter IXA, section 171E., Indian Penal Code, and in consequence of whose conviction, the aforesaid bye-election has been held, the opposite party No. 1 exercised all sorts of corrupt practices such as undue influence, illegal gratifications and publication of inflammatory pamphlets against your Excellency's petitioner printed at the Art Press, Chittagong,

under the nick-name of one Neki Ahmad Chowdhury (Enclosure No. C). The aforesaid Ahmad Kabir Chowdhury personally canvassed for the opposite party No. 1 and employed his manager, tahsildars, amnioktears and khataks as canvassers for the said opposite party No. 1 and purchased through them the votes by giving bribes and illegal gratifications. Some of them Mafzal Ahmad, Madan Mia and Abdul Hakim gave false vouchers Nos. 13, 14 and 15 as entered in the return of the election expenses of the opposite party No. 1 and others of Maulvi Ahmad Kabir Chowdhury's men who actually canvassed for the opposite party No. 1 and exercised undue influence over the voters and bribed them openly at the various Polling Stations have been kept in back ground and their names have not been disclosed in the return of the expenses. Prominent among them Maulvi Haji Sultan Ahmad Chowdhury, zamindar and uncle of Maulvi Ahmad Kabir Chowdhury, Maulvi Serajul Islam, B.A., President, Khaguria Union Board, police-station Satkania, Maulvi Yusuf Ali Chowdhury, zamindar, Amirabad, and his brother Ensanali Chowdhury, Maulvi Malihul Alam Chowdhury, Abdul Wadud Chowdhury, of Malliksoang, Haji Wali Baksh of Dhemsha, resorted to corrupt practices and illegal gratifications.

16. That the election of opposite party No. 1 is hence void.

17. But for the votes obtained for opposite party No. 1 by corrupt practices mentioned above the petitioner would have obtained the majority of valid votes.

18. That, in fact, it is the petitioner who has received a majority of the valid votes and not opposite party No. 1.

19. That for these reasons, the petitioner is entitled to have declaration that the petitioner has been duly elected, the petitioner hereby claims a declaration that the petitioner has been duly elected.

The opposite party No. 1 personally went to the Rajakhali Zamindari Katchary, police-station Chakaria, belonging to the late Ershadali Sarkar's Estate, of which the petitioner is Manager, and attempted through Maulvi Yar Ali Khan Chowdhury, owner of the aforesaid estate, who happens to be cousin-in-law of the opposite party No. 1 to induce the petitioner not to stand by offering bribes and to give pressures for the purpose. Besides this Khan Bahadur Maulvi Abdus Sattar, B.L., Public Prosecutor of Chittagong, and uncle-in-law of the opposite party No. 1, attempted through Babu Jiban Krishna Chakroborty, B.L., pleader, Judge's Court, Chittagong, and through other men of position and influence to induce the petitioner to withdraw from the contest some days after the scrutiny of the nomination papers by offering illegal gratifications.

Further the said Khan Bahadur Maulvi Abdus Sattar went to the Mirzakhil Darbar Sharif on the 20th February 1938 and attempted to induce the respondent opposite party No. 2 to withdraw from the contest. Thereafter the opposite party No. 1 circulated the false news that the said respondent opposite party No. 2 had withdrawn from the contest in favour of the opposite party No. 1 in the local newspapers and in printed hand-bills. But such false news was contradicted by Maulvi Hefazatur Rahman Khan, B.L., brother of the respondent opposite party No. 1 and others in the local weekly Satyabarta, dated the 4th March 1938 (Enclosure D).

Over and above this the opposite party No. 1 tried to induce the respondent opposite party No. 3 to refrain from the contest in various ways by offering money. The statement of the respondent opposite party No. 3 as published in the local "Weekly Janamat", dated 22nd March 1938, under head line "Desherkatha" is attached herewith (enclosure No. E).

Maulvi Abdul Jabbar Ansari advertised his intended candidature both in the newspapers and in the meetings held in the Constituency particularly at a meeting held in front of the Satkania Bar Association Hall under the presidency of Babu Jagat Bandhu Chowdhury, senior pleader of the Satkania Bar. But subsequently he was induced by the opposite party No. 1 on acceptance of money not to stand. Voucher No. 19, dated the 1st March 1938, as attached with the return of election expenses of the opposite party No. 1 shows that the said Abdul Jabbar Ansari received with thanks from the opposite party No. 1 a sum of Rs. 42 as travelling allowances with no details of the travels.

**চট্টগ্রামবাসী মুসলমান ও হিন্দু ভাই ভগ্নিদিগের প্রতি নিবেদন—**

সদাশয় গভর্ণমেণ্ট আমাদিগকে সায়ত্ব শাসন দিয়াছেন তৎমতে গত বৎসর প্রত্যেক প্রদেশে দেশের ছোট, বড়, ধনী, দরিদ্র, শিক্ষিত ও অশিক্ষিত সকলে মিলিয়া প্রত্যেকের প্রতিনিধি নির্ব্বাচন করতঃ নিজ নিজ দেশ শাসন করিবার জন্য পাঠাইয়াছেন। দক্ষিণ চট্টগ্রাম অর্থাৎ সাতকানিয়া, বাঁশখালী ও আনোয়ারা থানা হইতেও সকলের অধিক সংখ্যক ভোট প্রাপ্ত হইয়া মৌলবী আহমদ কবির চৌধুরী মেম্বর হইয়াছেন। তিনি একজন উৎসাহী লক্ষপতি জমিদার। অল্প সময়ের মধ্যে তিনি সমাজ ও দেশের হিতার্থে যেইরূপ ভাবে অগ্রসর হইয়াছিলেন তাহা ভুলিবার নহে। স্কুল, মাদ্রাসা, ডাক্তারখানা ও বন্যা ইত্যাদিতে তাঁহার অকাতর দান বিশেষ উল্লেখযোগ্য। আমাদের বড়ই আশা ছিল তাঁহাকে দেশের কাজে টানিয়া আনিয়া সম্পূর্ণরূপে উৎসাহিত করিতে পারিলে তাঁহার দ্বারা দেশের ও সমাজের অতি বড় বড় কাজ সমাধা করিতে সক্ষম হইব কিন্তু বড়ই দুঃখের বিষয় এই যে আমাদের সেই আশা সমূলে ধ্বংস হইল। আমরা প্রায় দশ হাজার লোকের এক কথার উপর তিনি মেম্বর হইয়াছিলেন, এখন এই দশ হাজার লোকের কথা নিষ্ফল হইয়া গেল। আমরাই তাঁহাকে উৎসাহিত করিয়া দেশ সেবায় নামাইয়াছিলাম নতুবা তাঁহার সম্মান বা অন্য কিছুর অভাব ছিল না। এখন তাঁহার মূল্যবান জীবনে একটী দাগ পরিল এবং টাকা পয়সার দিকেও যে তাঁহার কত ক্ষতি হইয়াছে তাহা অনেকেই অবগত আছেন। প্রকৃত বলিতে গেলে আমরা যদি তাঁহাকে সর্ব্বাগ্রে এই বিষয়ে উৎসাহিত না করিতাম তাহা হইলে তাঁহার এই প্রথম জীবনে কখনও এইরূপ আঘাত পাইতেন না। তাঁহার এই ভীষণ আঘাত আমরা বন্ধু, বান্ধব, আত্মীয় স্বজন দেশবাসী সকলে মিলিয়া অংশ গ্রহণ করিয়া যদি তাঁহার শরীর হাল্কা করিয়া না দি তাহা হইলে আমাদের পক্ষে অন্যায় কাজ হইবে। যাহার দ্বারা আমাদের হাজার হাজার লোকের তৈয়ারী জিনিষ ভাঙ্গিয়া গেল, যাহার দ্বারা দুই জন নিরীহ লোক ফৌজদারীতে শাস্তি পাইল, যাহার দ্বারা দেশের হাজার হাজার টাকা বিদেশে চলিয়া গেল, যাহার দ্বারা আমাদের ভবিষ্যতের অনেক আশা ভরসা নষ্ট হইল, যাহার দ্বারা একজন মূল্যবান খোদার বন্দার আলোকময় মূল্যবান জীবনটী নিরুৎসাহের অন্ধকারে পড়িল সেই ব্যক্তির সম্বন্ধে আপনাদের কি করা কর্ত্তব্য তাহা আপনারাই বিচার করিবেন। অবশেষে বেচারা ছৈয়দ ছমুদল হকের কথা একটু না লিখিয়া পারিলাম না, বেচারা একমাত্র সরলতা ও প্রতিবেশীর উপকার করিতে যাইয়া জেল খাটিল।

যেই ছোট ব্যাপারে আমাদেরই দুই জন বন্ধু, আমাদেরই আত্মীয়, আমাদেরই প্রতিবেশী, আমাদেরই মুছলমান ভাই ফৌজদারীতে দণ্ড পাইল, আবার সেই ছোট ব্যাপার আমাদের নিকট উপস্থিত। আশা করি এইবার আপনাদের কি করা কর্ত্তব্য ঠিক করিয়া লইবেন।

আহা! মৌলবী আহমদ কবীর চৌধুরীকে আমরা দেশবাসী বন্ধু বান্ধব, আত্মীয় স্বজন সকলে ভোট দিয়া মেম্বর করাতে তাঁহার বৃদ্ধ পিতা মাতা ও শিশু ছেলেগণ কত যে সুখী হইয়াছিল লিখা অসাধ্য। তাঁহারা আমাদিগকে অন্তরের সহিত কত যে দোয়া করিয়াছিলেন তাহার নমুনা আহমদ কবীর চৌধুরী মেম্বর নির্ব্বাচিত হইয়া সহর হইতে যেইদিন সাতকানিয়া উপস্থিত হইয়াছিল সেই দিন তাঁহার বৃদ্ধ পিতা হাজী মহাং জাতু বহদ্দার দুর্ব্বল শরীর লইয়া উপস্থিত সকলের সঙ্গে কিরূপভাবে গলাগলি করিয়াছিল অনেকেই দেখিয়াছেন। কিন্তু আবার হঠাৎ তাঁহাদের সেই আনন্দ, সেই উৎসাহ, সেই আশা নষ্ট হইয়া তাঁহাদের অন্তরে কিরূপ আঘাত লাগিয়াছে চিন্তা করার বিষয়।

**যেই ব্যক্তি নিজের রাস্তা পরিষ্কার করার জন্য রাস্তায় দাঁড়ান একজন লোককে ধ্বংশ করে সে দেশের প্রতিনিধি হওয়ার যোগ্য কিনা বিচার করিবেন।**

## আনোয়ায়া, বাঁশখালী ও সাতকানিয়া থানাত্রয়ের অধিবাসীবৃন্দের প্রতি সতর্কবাণী।

আচ্ছালামু আলায়কুম!

আমাদের স্বাক্ষরিত উল্লেখে ২০।২।৩৮ ইং তারিখে "সাতকানিয়া, বাঁশখালি ও আনোয়ারা বাসীর কর্ত্তব্য" শীর্ষক একখানা এস্তেহারে অবসর প্রাপ্ত ডিপুটী ম্যাজিষ্ট্রেট মৌলবী মোস্তফিজুর রহমান খাঁ, এম, এ, সাহেব "বিনা প্রতিদ্বন্দ্বিতায় আইন সভার মেম্বর হওয়া অসম্ভব বিধায় নির্ব্বাচনে প্রার্থী হইবেন না বলিয়া স্থির করিয়াছেন" বলিয়া এক মিথ্যা বিজ্ঞাপণ প্রচার করিয়াছেন। আমরা নিশ্চিত ভাবে জানি যে তিনি একজন নির্ব্বাচন প্রার্থী এবং তিনি তাঁহার মনোনয়ন পত্র প্রত্যাহার করেন নাই। তিনি নির্ব্বাচন প্রতিযোগিতা করিবেন না বলিয়া স্থির করার উক্তি সর্ব্বৈব মিথ্যা। আমরা কখনও উদ্রূপ কোন কাগজে দস্তখত করি নাই কিম্বা আমাদের তদ্রূপ কাগজ ছাপাইবার নিমিত্ত সম্মতি বা অনুমতি দেওয়ার উক্তি মিথ্যা। উক্ত কাগজে অন্যান্য অনেক কথা ও অপর স্থানের লোকের অভিমতের সঙ্গে পোষ্টেল কর্ম্মচারীর স্বার্থ রক্ষার্থে পোষ্ট কার্ড নাম ইত্যাদির মূল্য বৃদ্ধির বিষয় ও ইঙ্গিত আছে। তাহা কোন ছাপাখানায় মুদ্রিত হইয়াছে তাহা লিপিবদ্ধ করা হয় নাই। আবশ্যক মত এইরূপ মিথ্যা সংবাদ প্রচার ও জাল কাগজ মুদ্রনের নিমিত্ত যথোচিত প্রতিকারের ব্যবস্থা হইবে।

নির্ব্বাচন প্রতিযোগিতায় আসিয়াই এইরূপ প্রতারণামূলক কাগজ ছাপাতে মূল উদ্দেশ্যই প্রতিপালিত হইতেছে। যদি উক্ত বিষয় সত্য হয় তবে যে পীরের দোহাই দেওয়া হইয়াছে সেই রাজনীতিবিদ দরবেশ সাহেবের পরিচয়, স্যার এয়াকুব ও স্যার জেয়াউদ্দিনের সার্টিফিকেটের মূল ভাষা ও প্রকাশক এবং প্রেসের নাম থাকা উচিত ছিল। আশাকরি ভবিষ্যতে এইরূপ জাল নোটিশ জারীর প্রথা বন্ধ হইবে। কোন মতলববাজের চক্রান্তে এই কাজ সংঘঠিত হওয়া অনুমান করি এবং তজ্জন্য আমরা অত্যন্ত দুঃখিত ও প্রকাশকের নির্লজ্জতার জন্য স্বয়ং লজ্জিত। উক্ত এস্তেহারের স্থানে স্থানে অন্যান্য কোন অতিরঞ্জিত সত্যের অপলাপ থাকিলেও তদ্বিষয়ে আমরা আপাততঃ কোন অভিমত প্রকাশ করিলাম না। আবশ্যক হইলে সেণ্ট্রেল এসেম্বলীর গত ১২ বৎসরের কার্য্য তালিকা প্রকাশ করা হইবে। আমরা দেশ বাসীর নিকট সানুনয় অনুরোধ করিতেছি যেন সকলে খেজুর গাছ মার্কা বাক্সে ডিপুটী সাহেবকে ভোট দিয়া দেশের মুখোজ্জল ও জাতির স্বার্থ রক্ষা করেন। ইতি—

# দেশের কথা।

## কেন আমি পরাজিত হইলাম।

আমি দক্ষিণ চট্টগ্রাম মোহলেম কেন্দ্রের উপনির্ব্বাচনে নিখিলবঙ্গ কৃষক প্রজা সমিতির মনোনীত প্রার্থীরূপে প্রতিদ্বন্দ্বিতা করিয়া মাত্র ৮২০টী ভোট পাইয়াছি। নিরন্ন, উৎপীড়িত করভার নিপীড়িত, ঋণভার জর্জ্জরিত সুপ্ত কৃষক প্রজাগণের মধ্যে আত্মবোধ জাগ্রত করাই আমার নির্ব্বাচন সংগ্রামে যোগদানের প্রথম ও প্রধান উদ্দেশ্য ছিল। নির্ব্বাচনে জয় পরাজয় যেখানে অর্থের বিনিময়ে ভোটের বাজারের সওদায় নির্দ্ধারিত হইয়াছে, সেইখানে আমার ন্যায় গরীব লোকের পরাজয় যে অবশ্যম্ভাবী তাহা আমি পূর্ব্বাহ্নেই বুঝিতে পারিয়াছিলাম। অনেক হিতৈষী বন্ধু আমাকে অর্থ লইয়া মানে মানে সরিয়া পড়িতে অনুরোধ করিয়াছিলেন। কিন্তু নিজের ও নিজের দলের নীতি বিসর্জ্জন দিয়া অর্থের বিনিময়ে সংগ্রাম ত্যাগ করা কাপুরুষতা মনে করিয়া আমি শেষ মুহূর্ত্ত পর্য্যন্ত Non money fight (নিঃস্ব সংগ্রাম) চালাইয়া আসিয়াছি। আমার পরাজয়ের কারণ ৫টী:—(১) আমি কংগ্রেসের অর্থে নির্ব্বাচনে দাঁড়াইয়াছি বলিয়া বিপক্ষগণ জোরে সোরে আমার বিরুদ্ধে নিছক মিথ্যা প্রচার চালাইয়াছে। ভারতের পূর্ণ স্বাধীনতা প্রয়াসী হিসাবে আমি আবাল্য কংগ্রেসের সহিত সংশ্লিষ্ট থাকিলে ও আমি কংগ্রেস টিকেটে বা কংগ্রেসের অর্থে নির্ব্বাচন প্রার্থী হই নাই। (২) বাঙ্গলার প্রধান মন্ত্রি ও অন্যান্য মোহলেম মন্ত্রীগণ আমাকে ভোট না দেওয়ার জন্য প্রচার কার্য্য চালাইয়া নির্ব্বাচক মণ্ডলিকে উত্তেজিত করিয়াছেন। (৩) কৃষি মন্ত্রী নবাব হাবিবুল্লাহ বাহাদুর আমাকে ভোট দিতে নিষেধ করিয়া বিজ্ঞাপন প্রচার করতঃ ভোটার দাতাগণকে বিপথগামী করিয়াছেন। (৪) আমি ইছলামী শরিয়তের আহকাম ও আইনের মর্য্যাদা রক্ষা করিতে গিয়া বাজারে ভোট খরিদ করি নাই। (৫) নির্ব্বাচকমণ্ডলী অজ্ঞতাবশতঃ আপাততঃ প্রলোভন এড়াইয়া বা বড় লোকদের প্রভাব হইতে মুক্ত হইয়া স্বীয় অবস্থা ও অবস্থান বুঝিতে সক্ষম হয় নাই।

এই পরাজয়ে আমি বা আমার কৃষক প্রজা দরদী বন্ধুগণ কখনো দমিয়া যাইবেন না। আগামী ইউনিয়ান বোর্ড ও ডিষ্ট্রীক্ট বোর্ড নির্ব্বাচনে আমরা প্রত্যেক আসনের জন্য প্রার্থী খাড়া করাইতে চেষ্টা করিব। তজ্জন্য আমি একটী স্কীম তৈয়ার করিতেছি। আমার বিশ্বাস আগামী সাধারণ নির্ব্বাচনের পূর্ব্বে আমরা দেশকে জাগ্রত করিতে সক্ষম হইব। বাঙ্গলার মন্ত্রীমণ্ডলী কৃষক প্রজার স্বার্থ লইয়া যেরূপ ছিনিমিনি খেলিতেছেন, তাহাতে দেশের দুঃস্থ দরিদ্র কৃষকগণ অভাবের তাড়নায় ও বনকর শিক্ষাকর ইত্যাদির চাপে সহসা সুপ্তোত্থিত হইবে বলিয়া আমার ধারণা।

পরিশেষে আমি খোদাতালার শোকর গোজারী করিতেছি যে ৮২০ জন নির্লোভ, নিঃস্বার্থ, নিষ্ঠীক ইমানদার মোহলমান আমার প্রতি আস্থা জ্ঞাপন করিয়াছেন। যে সকল সহকর্ম্মী কৃষক প্রজাদরদী, আলেম ওলমা, ছাত্র শিক্ষক, সাংবাদিক ও সমাজসেবক নিঃস্বার্থ ভাবে আমার জন্য আর্থিক ক্ষতি ও কায়িক শ্রম স্বীকার করিয়াছেন, আমি তাঁহাদিগকে আন্তরিক ধন্যবাদ জ্ঞাপন করিতেছি।

# ভোট সমস্যায় খোলা চিঠি

## মৌং হাজী (২) বদি আহমদ চৌধুরী, (খান বাহাদুর) প্রতি—

প্রিয় হাজী (২) সাহেব,

দেশের ও সমাজের জন সাধারণের স্বার্থে এই ক্ষুদ্র চিঠি নিয়ে আপনার সমীপে আমাদিগকে উপস্থিত হইতে হইল। অনেক সময় নীরব থাকা সমিচীন কিন্তু সময় সময় দেশে এমন সমস্যা উপস্থিত হয় যাহার সমাধানের উপর দেশের প্রকৃত স্বার্থ ও মর্য্যাদা নির্ভর করে। এমন সময় নীরব থাকা অবিবেচকের কাজ এবং তদ্দারা দেশ ও সমাজের ক্ষতি হওয়ার সম্ভাবনা। বিশেষতঃ কোন ব্যক্তি দেশসেবা করিবার আবশ্যকীয় উপযুক্ততা ও শিক্ষা না থাকা স্বত্বেও নিজে "সবজান্তা ও সব সমজনে ওয়ালা" বলিয়া আত্ম গরীমা প্রকাশ করে এবং তদ্দ্বারা জন সাধারণকে বিপথগামী করিবার জন্য নানা প্রকার ফন্দি আঁটে তাহাদের সম্পর্কে প্রকৃত অবস্থা জন-সাধারণ অবগত হওয়া আবশ্যক; কেননা তাহারা এই সম্পর্কে প্রকৃত অবস্থা না জানিলে তাঁহারা ভাল মন্দ বিবেচনা করিয়া যাহাতে দেশের প্রকৃত উপকার হয় সেইরূপ ভাবে কাজ করিতে বা মত প্রকাশ করিতে পারিবেন না।

এখন আমাদের দেশের জন-সাধারণ পূর্ব্ব হইতে অনেকাংশে জাগ্রত হইয়াছেন। এমতাবস্থায় তাঁহাদের নিকট নকল জিনিষ আসল রূপে চালাইবার সম্ভাবনা নাই। চট্টগ্রামে পাড়িওয়ালা আমির আলী ও আইউপ আলী কোম্পানীর কাউন্সিলে যাওয়ার দিনও অতীত হইয়াছে। বর্ত্তমান অবস্থায় আর সেই দিন ফিরিয়া আসা কল্পনাও জন-সাধারণের মনে স্থান পাইতেছেনা। যে দেশ বা সমাজ ইছলামী নিয়মানুযায়ী শিক্ষার উপযুক্ততার মর্য্যাদা করেনা সেই দেশ বা সমাজের অবনতি অবশ্যম্ভাবী।

আপনাকে এক প্রকার চিনি। আপনি বর্ত্তমানে এক সঙ্গে দুই নির্ব্বাচনের প্রার্থীক হইয়াছেন জানিতে পারিয়াছি। সর্ব্বসাধারণের নিকট যে সব কথা শুনিতেছি তাহাতে এবং উপরোক্ত বিষয়াদির বিবেচনায় জনসাধারণের অবগতির জন্য ও তাঁহাদের উপকারার্থে নিম্নলিখিত কয়েকটী প্রশ্নের যথাযত ও সত্য উত্তর জানা নিতান্ত আবশ্যক হইয়া পরিয়াছে। আশা করি আপনি জনসাধারণের অবগতির জন্য অনুগ্রহ পূর্ব্বক তাহার উত্তর দানে আপনার সম্বন্ধে প্রকৃত ধারনা বা মত পোষণ করিতে সুযোগ দিবেন। ইহার দ্বারা আপনার কোন অনিষ্ট করা আমাদের অভিপ্রায় নহে কেবল জনসাধারণের স্বার্থের খাতিরে এই খোলা চিঠিযোগে নিম্নলিখিত প্রশ্ন করিতেছি :—

১। আপনি কোন্ বিদ্যালয়ের কোন্ শ্রেণী পর্য্যন্ত অধ্যয়ন করিয়াছেন? কত খৃষ্টাব্দে বা বঙ্গাব্দে পড়া ছাড়িয়া দিয়াছিলেন? কোন কোন ব্যক্তি বলিয়া থাকে আপনিনিম্ন প্রাইমারী পর্য্যন্ত পড়িয়াছেন; তাহা কি সত্য? এবং আপনার কি কোন অধ্যয়নের সার্টিফিকেট আছে?

২। আপনি কোন্ সনে মৃত এর্শাদ আলী সরকার ষ্টেটে চাকরিতে প্রবেশ করিয়াছিলেন? এবং কি চাকরি ও কত বেতনের চাকরি?

৩। আপনি কোনদিন ইংরেজী পড়িয়াছেন কিনা? পড়িয়া থাকিলে কোন্ স্কুলে বা কোন্ শিক্ষকের নিকট? আপনি ইংরেজী বুঝেন কিন্তু লিখিতে ও পড়িতে জানেন না এই কথা যদি আমরা কেহ বিশ্বাস করি জনসাধারণ আমাদিগকে পাগল বলিবেনাত?

৪। বেঙ্গল কাউন্সিলের ও ডিষ্ট্রীক্ট স্কুল বোর্ডের কার্য্য বিবরণী বা প্রসিডিং ইংরেজীতে পরিচালিত হয়। আপনি এই সমস্ত বুঝিবার জন্য নিজে সক্ষম নাকি কোন ওস্তাদের সাহায্য নিয়া থাকেন? যদি এইরূপ সাহায্য নিয়া থাকেন তাহা হইলে কাউন্সিলে কিম্বা স্কুল বোর্ডের প্রসিডিং পাঠ করিয়া বুঝাইয়া দেওয়ার জন্য অতিরিক্ত একজন শিক্ষিত মেম্বার লোকের আবশ্যক বলিয়া বুঝেনত? এই সব দায়ীত্বপূর্ণ কাজে ধার নেওয়া বিদ্যা কিম্বা বুদ্ধির আবশ্যকতা অনুভব করিয়া ঐ সমস্ত গুণ নিজের থাকা উচিৎ নহে কি?

১০। উঃ—এই প্রশ্নের উত্তর দিতে হাসি পায়। বাঙ্গালার কাউন্সিলে তখন ১৪০ জন মেম্বার ছিলেন। এই ১৪০ জন মেম্বারদের মধ্যে তিনি সর্ব্বোচ্চ ভাড়া পাইয়াছেন কেন তাহা আপনারা একবার যাচাই করিলে হইত। তিনি কাউন্সিলের প্রত্যেক সিলেক্ট কমিটী, সাব-কমিটীতে বিনা প্রতিদ্বন্দ্বিতায় কর্ম্মী হিসাবে নির্ব্বাচিত হইতেন এবং তিনি কর্ম্মী হিসাবে কাজ করিয়া আসিয়াছেন বলিয়া সকলের চেয়ে বেশী ভাড়া পাইয়াছেন ইহা কর্ম্মীর কর্ম্মের বাহাদুরী নহে কি?

কাউন্সিলে কত প্রশ্ন করিয়াছেন, কতবার বক্তৃতা করিয়াছেন, তাহা তাঁহাকে জিজ্ঞাসা করার দরকার কি? কাউন্সিলের প্রসিডিং বহি একবার দেখিয়া নিলে হইত। কাউন্সিলের কার্য্যকলাপ পুস্তকাকারে যে প্রকাশিত হয় তাহা আপনারা জানেন না? আপনাদের অবগতির জন্য জানাইতেছি প্রত্যেক গভর্ণমেণ্ট লাইব্রেরীতে, প্রত্যেক এম, এল, সি এবং এম, এল, এর নিকট কাউন্সিলের প্রসিডিং বহি মজুত আছে বিশেষতঃ চন্দনপুরার বাংশাল বিল্ডিংএ সকল সময়ে দেখিতে পারে মত প্রসিডিং বহি রাখা হইয়াছে, সেই সকল প্রসিডিং বহি দেখিয়া চক্ষুকর্ণের বিবাদ ভঞ্জন করিতে আপনাদের কষ্ট হইবে কি?

১১। উঃ—এই বেকার সমস্যার দিনে বেকার যুবকগণের অন্নের সংস্থান করা সমাজ নেতাদের কর্ত্তব্য নহে কি? খান বাহাদুর সাহেব বেকার যুবক ভ্রাতৃবৃন্দের অন্ন সংস্থানের ব্যবস্থা করাকে কর্ত্তব্য বলিয়া মনে করেন। তিনি কাউন্সিলে যাওয়ার পর হইতে ৫০০ বেকার ব্যক্তির অন্ন সংস্থান করিয়া দিয়াছেন, যাহার প্রমাণ চট্টগ্রামের বিভিন্ন থানায় মজুত রহিয়াছে। কর্ম্মময় জীবনের খান বাহাদুর সাহেবের ইহা বিশেষত্ব। খান বাহাদুর সাহেব বিশেষ উদার বলিয়া লোকের কষ্ট মোচনে সর্ব্বদা দৃঢ়সঙ্কল্প।

১২। প্রঃ—আপনার কোন প্রশ্নের উত্তরে গভর্ণমেণ্টের একজিকিউটিভ কাউন্সিলার আপনাকে keen litigant or জবরদস্ত মামলাবাজ বা টম্নিবাজ লোক" বলিয়া আখ্যা দিয়াছিলেন। ইহা কি কারণে হইয়াছিল তাহা আমাদিগকে জানাইবেন কি?

১২। উঃ—খান বাহাদুর সাহেব সূক্ষ্মদর্শী, মামলায় তাঁহার অদ্বিতীয় জ্ঞান, তাই প্রত্যহ শত শত লোককে বিনা ফিসে পরামর্শ দেন। তাঁহার সেই "উদারতাকে" "টম্নিগিরী" বলিয়া আখ্যা দেওয়া প্রশ্নকর্ত্তাদের নীচতা নহে কি? খান বাহাদুরকে keen litigant বলিয়া আখ্যা দেওয়ার কথা আপনারা লিখিয়াছেন তাহার কোন প্রমাণ দিতে পারেন কি? তিনি আইন কানুনে বিশেষ অভিজ্ঞ বলিয়া স্বয়ং গভর্ণমেণ্ট তাঁহাকে স্পেসিয়েল বেঞ্চে বিচারপতি করিয়াছেন।

১৩। প্রঃ—১৯০০ ইংরেজীর বঙ্গীয় প্রাথমিক শিক্ষা আইনে টেক্স ধার্য্য করার যেই বিধান ছিল তৎবিরুদ্ধে আপনি কোন আপত্তি করিয়াছিলেন কি? আপনি কি টেক্স ধার্য্যের বিধানসহ উক্ত আইন পাশ হইতে ভোট দেন নাই কি? তবে এখন নির্ব্বাচন সময়ে শিক্ষা করের বিরুদ্ধে আপনার ছবিযুক্ত ছাপানো কাগজ বিলি করিতেছেন কোন্ যুক্তিতে এবং কোন্ স্বার্থের খাতিরে? এইরূপ কার্য্য "গাছের গোড়া কাটিয়া আগায় জল ঢালিবার চেষ্টা করার" মত নহে কি? মোছলমানদের পক্ষে বিশেষতঃ হাজিদের ফটো বা ছবি তোলাইয়া প্রচার করা জায়েজ আছে কি?

১৩। উত্তর—প্রাইমারী শিক্ষা আইন পাশের সময় তিনি টেক্স ধার্য্যের বিরুদ্ধে মহা যুদ্ধ করিয়াছেন এবং টেক্সধার্য্য বিরুদ্ধে ভোট দিয়াছেন। বিনা টেক্সে সর্ব্বত্র প্রাইমারী শিক্ষা উচ্চ ধরণের প্রবর্ত্তন করার জন্য মিঃ ফজলুল হক সাহেবের সঙ্গে একমতে ভোট দিয়াছেন। তাঁহাদের চেষ্টার ফলে ১৯৩০ ইংরেজী হইতে এযাবৎ শিক্ষাটেক্স হইতে দেশবাসী বাঁচিয়া রহিয়াছে। খান বাহাদুর সাহেব তাঁহার ইলেক্সন ব্যাপারে হাত দেওয়ার বহু পূর্ব্ব হইতে শিক্ষাটেক্স ধার্য্যের বিরুদ্ধতা করিতেছেন এবং দেশবাসীকে তাঁহার সহযোগিতা করিতে অনুরোধ করিয়া আসিতেছেন। যুগধর্ম্ম ও অন্যান্য সংবাদপত্রে তাঁহার বিবরণী প্রকাশিত হইয়াছে। সেই সকল বিবরণী আপনাদের অবিদিত হইল কেন? তিনি কোনদিন পাড়াগাঁয়ের টেক্স ধার্য্য করার সপক্ষতা করেন নাই, ঐ সত্য কথা লিখিয়া তিনি নিজের ছবি দিয়া "সেবাকার্য্য" নামক বহি প্রচার করিয়াছেন। ছবি না দিলে যে কেহ ছাপাইতে পারে, তাই সত্য কথার দায়িত্ব স্বীকারে খান বাহাদুর সাহেব ছবি দিয়াছেন। সত্যের অপচয় হইলে তাঁহাকে ফৌজদারীতে সোপর্দ্দ করিতে শত্রুরা নীরব কেন? এই বহির সত্যতা স্বীকারে স্বয়ং গভর্ণমেণ্ট বাঙ্গালার লাইব্রেরীর ৪১২নং পাঠ্য বহিরূপে পরিগণিত করিয়াছেন। মওলানা আবুল কালাম আজাদ, খলিফায়ে রাশেদিন, আরবরাজ ইবনে ছাউদ আরও বড় বড় লোকদের ছবি প্রচার হইতে কাহারও কোন আপত্তি হয় না। এই ছবিতে আপত্তি কেন?

১৪। প্রঃ—আপনি দুইবার হজ্জ করিয়াছেন বলিয়া আমরা শুনিয়াছি উভয় বারই কি আপনি নিজ খরচে হজ্জ করিয়াছেন? অন্যের খরচে কিম্বা ফ্রি পাশ লইয়া হজ্জ করিলে তাহার কতদূর হজ্জ আদায় হয় তাহা আমাদিগকে বলিবেন কি?

১৪। উত্তর—প্রথমবার খান বাহাদুর সাহেব ১৯২১ ইংরেজী সনে নিজের পবিত্র টাকা খরচে তাঁহার ফরজ হজ্জ (আমার মর্জ্জিতে সেই বৎসর হজ্জ আকবর হইয়াছিল) আদায় করিয়াছেন।

১৯৩৪ ইংরেজী সনে ভারতীয় হজ কমিটীর কলিকাতা পোর্টের তিনি মেম্বর নির্ব্বাচিত হইয়া ১৯৩৫ ইংরেজী সনে হজ কমিটীর মেম্বর হিসাবে জাহাজ কোম্পানির প্রথম শ্রেণীর (চাকরসহ) ফ্রি পাশে আরবভূমিতে পৌঁছেন। তখন ভারতের হজ যাত্রীদের ৭৫০৲ টাকা দিতে হইত। খাঁন বাহাদুর সাহেব আরবে যাইয়া রিপোর্ট দেওয়াতে প্রত্যেক হজ যাত্রীর ২০০৲ টাকা খরচ কমিয়া যায়। খরচ কমিয়া যাওয়ায় হজ যাত্রীর সংখ্যা অনেক বৃদ্ধি পাইয়া আসিতেছে। খান বাহাদুর সাহেবের এই চেষ্টার ফলে নেওয়া মতামতের কোন মূল্য আছে কি ?

*versus*

| Serial No. of order. | Date. | Order. | Signature. |
|---|---|---|---|
| | 21-5-1938 | This is an application under section 196, Cr. P. C., for the permission of the District Magistrate to make a complaint under Chapter IXA, I. P. C., against Khan Bahadur Md. Anwarul Azim who was declared elected at the recent bye-election of the Chittagong South Muhammadan Constituency. Two of the applicants are unsuccessful candidates and the third is the agent of another defeated candidate.<br>2. The allegations are that the opposite party secured votes by wholesale bribery and all manner of corrupt practices.<br>3. Notice was issued on 28th March 1938 calling on the opposite party to show cause why sanction should not be granted to his prosecution under Chapter IXA, I. P. C. On 19th May 1938 the opposite party filed a petition showing cause. In this petition the opposite party denies the allegations *in toto* and prays that the present application be rejected on the ground that it is malicious and vexatious and has been prompted by the failure of the petitioners in the recent election. This petition goes on to say that if the allegations made by the petitioners were true their proper course was to have proceeded by way of an election petition under paragraph 3 of Part III of the Government of India (Provincial Elections) (Corrupt Practices and Election Petitions) Order, 1936.<br>4. In support of the cause shown it has been argued that out of the score or more allegations alleging corrupt practices on the part of the opposite party some two or three only can be brought within the scope of Chapter IXA and the present application is an attempt to utilise the criminal courts for purpose of unseating the successful candidate in lieu of the Election Tribunal contemplated by the Legislature.<br>5. I have little doubt that the main purpose of the applicants is to secure the unseating of the successful candidate and in view of the fact that the Legislature has made special provision for the decision of doubts and disputes regarding the validity of elections I am of opinion that when as in the present case it is alleged that the successful candidate has been guilty of all manner of corrupt practices and that his success in the election was due to the abuse of his position as Chairman of the District Board, to improper threats and promises, as well as wholesale bribery, the proper course for a dissatisfied candidate is to proceed by way of an election petition even though the conduct of which he complains includes action that would bring the author within the mischief of Chapter IXA, I. P. C. I consider that the interests of justice will best be served by discouraging attempts to have matters decided by the criminal courts that should properly be brought before the highly qualified and specialised agency of an Election Tribunal.<br>6. The application is accordingly rejected. | R. L. WALKER,<br>*District Magistrate.* |

Short title.

1. These rules may be called the Administrator General's (Bengal) Rules. They shall come into force on the first day of July 1938.

Rule under section 9.

4. In discharging the duty imposed by section 9 of the Act the Administrator General shall have regard to the following directions, namely:—

(1) If no steps have been taken in any Court of competent jurisdiction to obtain probate or letters of administration, within one month of the date on which the Administrator General has had notice of the death, the Administrator General shall proceed to take the necessary steps to obtain administration:

Provided that, when the name and address of the executor or next-of-kin is known to the Administrator General, the Administrator General shall not proceed in the administration

until he has communicated with such executor or next-of-kin in order to ascertain whether he proposes to apply for administration and until a reasonable time has elapsed for the receipt of a reply to such communication; and when a reply in the affirmative has been received, until the expiration of such further time as would admit of an application for administration being made.

(2) Notwithstanding anything in clause (1) the Administrator General may take immediate action under section 9 if, in his opinion, such a course is necessary to protect the estate.

Notices under section 26.

5. (1) The notice to be given under section 26, sub-section (1) of the Act shall, so far as may be, be in like form to the notice given by the High Court in an administration-suit, and shall be advertised in such papers as the Administrator General thinks fit, provided that more than one estate may be included in the same notice.

(2) Notice of rejection or disallowance of a claim under section 26, sub-section (3) of the Act, shall be given by a letter addressed to the creditor at the address given by him in his communication or other known address, and shall be served (*a*) personally, or (*b*) on his agent, or (*c*) by registered post. In no event shall the funds of the estate be distributed, if there be any doubt as to the sufficiency thereof, until the expiration of one month from the date of the service of notice under section 26 (3).

In any such cases the Administrator General shall pay the cost of such advertisement from his commission account.

Fees under section 42.

8. The fees mentioned in Schedule I to these rules shall be the fees prescribed under section 42 of the Act, as from and including the first day of July 1938.

Provided that they may be reduced, compounded for, or remitted as provided in these rules.

Provided also that in the case of an estate the administration of which has been committed to the Administrator General before the first day of July 1938, or of which he has before that date agreed in writing to undertake the administration, the Capital and Income fees to be charged on the assets of the estate shall be those leviable immediately prior to that day in accordance with the rules then in force.

Reduction of fees.

9. If in any case it appears to the Administrator General that the circumstances of an estate proposed to be administered by him are, or probably will be, such as to render his duties in relation thereto exceptionally simple or otherwise of an exceptional character justifying this course, he may remit any part (not exceeding

one-half) of any prescribed fee; and in every such case the reasons for so doing shall be recorded by him and a report of such case shall forthwith be submitted to the Government.

Composition of fees.

10. Where, in the opinion of the Administrator General, the income of any assets appertaining to an estate is not liable to serious fluctuations, he may, from time to time, agree with the person or persons entitled to such income to accept, in lieu of the income-fee payable in pursuance of Schedule I, a fixed half-yearly fee of such amount as shall appear to the Administrator General to be approximately equal to the average income-fee which, but for such agreement, would be payable in respect of such income. A report of each case shall forthwith be submitted to the Government.

Valuation for calculating fees under section 42.

11. For the purpose of calculating fees under section 42 of the Act, the following procedure shall be adopted :—

**As to Capital Fees.**

*A. Value of movable assets (other than cash).*

This shall be taken at the value placed thereon for the purpose of probate or administration subject to adjustment on sale or valuation thereof by an expert or at a figure to be agreed upon between the Administrator General and the beneficiaries or legatees, as the case may be.

*B. Value of immovable assets.*

This shall be taken at the value placed thereon for the purpose of probate or administration or on the valuation of an expert subject to adjustment on sale, if sold.

**As to Income Fees.**

This shall be calculated on actual assets realised as and by way of income from any source whatsoever.

Fees paid for services under section 11 to be part payment of fees of subsequent administration.

12. Where, after an order has been made under section 11 of the Act, letters of administration are subsequently granted to the Administrator General, the fees charged by him under head "(*c*)" of Schedule I shall be deemed to be a part payment of the fees payable to the Administrator General under head "(*a*)" of the said schedule.

Time of payment.

13. All fees payable under section 42 of the Act shall be paid by or debited to the estates on taking possession or on realization of the assets, as the case may be, and no further fees shall be charged on distribution.

Method of payment of fees.

14. The Administrator General may agree to the payment of any fee payable to him under the Act, by such instalments and in such manner as shall seem to him just and reasonable.

Adjustments of fees in accounts.

15. The account of each estate in regard to fees payable shall be adjusted every half-year on 30th June and 31st December, respectively.

Provided that previous to the final winding up of any estate the Administrator General shall adjust his account in regard to fees charged or payable in accordance with the rules herein contained.

Provided that where any such sums as aforesaid have remained to the credit of such account for a period of twelve years from the date of transfer the same shall be transferred to the Government as if it were a sum transferable under section 52 of the Act.

**Audit.**

26. (*i*) The accounts of the Administrator General shall be audited by the person or firm appointed in that behalf from time to time by Government. Such appointments shall be notified in the *Calcutta Gazette*.

(*ii*) The accounts of the Administrator General in regard to estates under administration shall be balanced every half-year, *viz.*, on 30th June and 31st December.

The Auditor of the Administrator General's accounts shall not, in any respect, be concerned with the Administrator General's management or administration of any estate in his hands.

(*iv*) Any person who is summoned under the Act by the Auditor shall be entitled to be paid his travelling and other reasonable expenses, which upon being certified by the Auditor shall be paid by the Administrator General and debited to the estate concerned.

(3) All sums of money which have been transferred to the Dividend Account as hereinbefore provided for, and which shall remain unclaimed in such account for a period of three years from the date of the transfer, shall, if they exceed the aggregate of Rs. 500 in any estate, thereafter be invested in Government securities, which shall be earmarked to the particular estate in that account, and all interest realized on such securities shall be credited to that account. Short title.

1. These rules may be called the Official Trustee's (Bengal) Rules. They shall come into force on the first day of July 1938.

Definitions.

2. In these rules, unless there is anything repugnant in the subject or context:—

"The Act" means the Official Trustee's Act, 1913 (II of 1913);

"Official Trustee" means Official Trustee of Bengal and includes the Deputy Official Trustee;

"Bank" means the Imperial Bank of India;

"Government" means the Government of Bengal.

Rules under section 7, sub-section (5) of the Act.

(*2*) The Official Trustee may, if he thinks fit, accept a trust which involves the management or carrying on of any business, subject to the following conditions, namely—

(*a*) that he is satisfied that the management or carrying on of the business involves no risk of loss; and

(*b*) that his intervention is with a view to the sale, disposition, or winding up of the business; and

(*c*) that his management or carrying on of the business shall not, save with the sanction of Government, last longer than one year.

Rule under section 9.

4. The prescribed manner of notifying the contents of a Will under section 9 shall be by delivering or sending by registered post to the Official Trustee a certified copy of the Will.

## Revised curriculum for Primary Schools in Bengal.

### INTRODUCTORY NOTES.

*Duration of primary course.*

A primary school shall consist of four classes, and for this purpose, the classes shall be known as Classes I, II, III and IV. Primary education shall thus ordinarily last for four years. Normally, all children at the end of four years of primary education should be so equipped that if they wish to go higher, they may be able to finish the Matriculation Standard at the end of another six years. Hence, a pupil after passing the Primary Final Examination with English as an optional subject will be entitled to be admitted to class V of a High or a Middle English School. Otherwise he will be admitted normally to class III.

*Staff.*

Each school should ordinarily have three teachers—one headmaster and two assistant teachers; at least two of these three teachers shall be trained teachers.

*Pay of teachers.*

(1) Every School Board shall pay the teachers the following minimum salary, provided that the local authority may fix any higher salary that they may decide in individual cases or generally:—

| | Per mensem. Rs. |
|---|---|
| Headmaster (who shall be a trained teacher) ... ... | 16 |
| A trained assistant teacher ... ... | 12 |
| An untrained assistant teacher ... ... | 10 |

Any School Board at their option may fix a graded scale of pay for the teachers.

(2) Every School Board shall, as far as financially possible, appoint a certain number of teachers specially trained under the new scheme and such trained teachers shall receive the following scale of salaries:—

| | Rs. |
|---|---|
| Headmaster ... ... ... | 25—½—30 |
| Assistant teacher ... ... ... | 20—½—25 |

*Roll strength.*

The average roll strength of a school shall not ordinarily exceed 135, distributed approximately as follows:—

| | | | | |
|---|---|---|---|---|
| Class I | ... | ... | ... | 40 |
| Class II | ... | ... | ... | 35 |
| Class III | ... | ... | ... | 30 |
| Class IV | ... | ... | ... | 30 |
| | | Total | ... | 135 |

If the roll strength goes substantially beyond this figure, an additional teacher shall be appointed for every 40 additional pupils.

*Name.*

It shall be open to School Boards or to a school committee to name a school as they like, so long as the general principles outlined in the scheme are followed.

*Curriculum.*

(1) There shall be the same general curricula for primary schools and maktabs and no essential difference in the standard of secular education in these two classes of schools.

(2) The primary curriculum shall be as follows:—

(*a*) Vernacular Reading and Writing.

(*b*) Arithmetic.

(*c*) Geography and Rural Civics.

(*d*) Elements of Science.

(*e*) Games and Physical Exercises.

(*f*) Handwork or Gardening.

(*g*) Religious Instruction.

(*h*) English (for those schools only which teach it).

(3) The following shall be the daily duration of school hours for the above subjects:—

| Class II | ... | ... | 3 hours 10 minutes. |
| Class III | ... | ... | 3 hours 10 minutes. |

| Class III | ... | ... | ... | 1 hour. |
| Class IV | ... | ... | ... | 1 hour. |

*School garden or farm.*

To create an interest for the child in agricultural work and in his natural and social environments and to develop a taste for manual labour attempts should be made to attach a farm or school garden to primary schools.

*School age.*

For the purpose of primary education the following shall ordinarily be the school age:—

| | | | |
|---|---|---|---|
| Age 6 to 7 years | ... | ... | Class I |

*Holidays.*

Every School Board shall arrange holidays in primary schools in such a manner as to be suitable to local and seasonal needs, but the total number of holidays excluding Sundays shall not exceed 75 days; the Director of Public Instruction may, from time to time, issue instructions relating to holidays.

*Compulsion.*

Steps should be taken to introduce free and compulsory education for boys in conformity with the provisions of the Primary Education Act. There will be no compulsion for girls at the beginning, but it will be left to local option to demand compulsion for girls.

*Fees in primary schools.*

If a School Board in any district before the levy of the Primary Education Cess desires to levy fees in any primary school, such fees should not exceed two annas per month in any class, and children who are very poor, should invariably be exempted from payment.

*Separate schools for girls.*

Where the number of pupils justifies, there may be separate schools for boys and for girls, but otherwise all primary schools will be open to both boys and girls. No girl will, however, be compelled to attend any boys' school.

*Optional teaching.*

It shall be open to any primary institution to introduce other special features which may be suitably arranged through local and private efforts, such as the teaching of elementary English, Quoran classes, classes for teaching Hindu or Christian scriptures, etc., or any other subject of local interest, provided that all schools teaching such subjects in primary classes shall satisfy conditions to be prescribed by the Director of Public Instruction.

**Syllabus of Physical Training for Primary Schools, Bengal.**

(*Not to be examined.*)

CLASS I.

In arranging a syllabus for this, age, ability and characteristics of children must be carefully studied. Children are individualists and during the early years they must be permitted to develop along these lines. Some method of physical training is essential even from the early stages. This does not mean, however, that there should be formality and great precision. Infant work should be extremely informal. As much freedom of movement as possible should be permitted. Exact positions and stereotyped exercises are to be avoided. It must always be remembered that children should play. Infant lessons should be designed on this knowledge. The body must be kept flexible and those exercises which require free expenditure of energy should be chosen.

Children have vivid imaginations. These should be used and developed by choosing imaginative exercises. Let the children pretend to be birds, animals, trains, etc.

Since children are not able to concentrate for long periods at a time and as their physical training lessons are characterised by great activity, the lesson period should be short—20-30 minutes is the correct length.

The curriculum should include:—

(1) *Running.*—This should be free. Children should be allowed to run to their own rhythm. No outside rhythm should be imposed upon them. Various methods may be used; free running all over the room; running on toes; running with long steps; high steps, on tip-toe very quietly, etc. Playing trains, motor cars, aeroplanes, etc.

(2) *Jumping and leaping.*—This includes free skipping, jumping over low ropes, jumping into hoops or circles marked with chalk, jumping marked lines on the floor; the imitation of animals and birds, *e.g.*, hopping like crows, jumping like kangaroos, leaping like squirrels, etc.

(3) *Trunk exercises.*—In this group movements in which the child bends down towards the floor and returns to an erect position are used, *e.g.*, cross-leg sitting, putting the head on the floor, standing putting the head on the knee or trying to see the person behind by looking through the legs, alternatively being giants and dwarfs, tall and small, picking up flowers, etc. Again these movements should be large and free.

(4) *Balance.*—It is not too soon to begin teaching simple balance movements at this age. They must also be of the informal kind. They include standing on one foot holding the other; hopping on one foot; standing on tip-toe, running on toes flying like birds and then coming to rest on the branch of a tree; walking on toes along a line, etc.

(5) *Games.*—At this age games in which children can take part individually are the best. There are numerous circle games and group games. Those of the chasing variety are best—"Fire on the mountains," "Fox and geese," "Soldiers and brigands," etc. In these games there is an element of suspense which children find particularly attractive. Free play with balls may be started in the kindergarten but must not take the place of games proper. Relay races and team games, games of physical skill and strength have no place at this period.

Action songs and singing games are particularly useful in Class I. For the physical activity lesson, however, only those which have lively activity and large movements should be used. It must be kept in mind that the song and the words are subsidiary to the action which should be performed in a lively energetic manner.

*Apparatus required.* Chalk, ropes, large ball—two or three for the class, small balls—one for each child, bean bags, hoops, coloured bands.

*The lesson.*—This should consist of—

(1) An introductory period of running, skipping, etc.
(2) Trunk exercises.
(3) Balance exercises.
(4) Jumping exercises.
(5) Games—two or three games should be played. These may be chosen from the games group entirely or one action song or singing game may be used as one of the activities.
(6) Final—quiet walking around the room before going to class-work.

## CLASS II.

The transition from Class I to Class II is so slight that it is almost impossible to state any definite change in the exercises. The programme must continue to be characterised by great activity and imagination should still be used.

More formality should be introduced and children should begin to be taught line formations. In the early stages of Class II the lessons should be very similar to those of Class I, but gradually new forms of exercise should be introduced calling for more control and precision. Whereas in previous lessons movements were mostly of the free type, now they can be done with counting. Care however must be taken to see that with the introduction of counting, exercises do not become slow and methodical.

A greater range of exercises will be taught at this age, arriving at more localised movement.

The syllabus for Class II should be based on the following:—

(1) *Walking.*—The foundations of an upright carriage, the correct use of legs and feet should be taught. At first walking should be free and to the children's own rhythm. Later line formations may be used and a class rhythm attempted. There should be no effort yet to insist on right and left feet being used at the same time. Only a short period should be given to this as it is less important. The use of clapping and stamping to teach rhythm should be started. If these methods are used, however, clapping and stamping should be continuous, not on alternative beats or one in four, etc. This interrupts the range of movement.

(2) *Running.* As in the previous class but with more spring and agility. Running following the leader; running into circles, mazes, etc.

(3) *Jumping and leaping.*—A continuation of previous work, attempting lighter landings and more control. There will be fewer imaginative jumps. Rhythm can now be introduced into jumping, *e.g.*, four jumps forward and four backward in rhythm.

(4) *Head exercises.* These are used to increase the flexibility of the neck muscles and of the cervical spine. They will assist in the development of good posture. Head turning, nodding, bending and rolling in all directions should be used. At first these exercises should be in the form of play, *e.g.*, head bending from side to side like a ticking clock; head rolling like a ball; head bobbing like a wood-pecker, etc. The use of imaginative exercises in the early stages is more useful for obtaining mobility and range of movement.

(5) *Trunk exercises.*—In addition to those of the previous class, more flexible movements should be introduced, *e.g.*, trunk bending forward and downward, grasping the ankle with both hands, and pressing the head with little bobbing movements against the knee. This can be done in standing or sitting positions. After the forward and downward bending, children must be encouraged to return to an erect position.

(6) *Arm exercises.*—The introduction of arm exercises is for the purpose of producing mobility and range of movement in the shoulder joint, to strengthen the muscles of the forearm and the shoulder girdle. For Class II arm swinging and circling should be used. *e.g.*, swinging

forward and backwards; upwards and downwards; clapping overhead and behind back; tapping the thighs lightly and arm raising to "yard" or "fly."

(7) *Balance exercises.*—An attempt should be made to increase the difficulty of the balance exercises of the previous class by having positions held for a longer period and by combining two or more of the balances used in the previous year. Balance exercise will progress slowly. Still use imaginative exercises gradually introducing others.

(8) *Lateral exercises.*—Lessons should now be designed to include those exercises which will help to develop the muscles of the lateral trunk to improve the flexibility of the spine laterally and to stimulate the circulation to and the function of the liver and viscera. In Class II these exercises should be of the most simple sideways bending and sideways turning variety. In this group also, imagination must be used, *e.g.*, a cat chasing its tail, shooting bows and arrows; turning to the left and right pointing as far back as possible; kneeling and touching the floor three times to the right and left, etc.

(9) *Class activity or group practice.*—Whereas in Class I the whole lesson was one of great activity and of individualism, now with the introduction of slight formality the class should begin to learn to work together. During the activity and group practice period, children should learn to handle small balls, to practise jumping and leaping in groups, *e.g.*, over low ropes or forms, over a swinging rope, forward and backward rolls and easy stunts.

(10) *Games.*—The games for Class II are very similar to those for Class I including singing games and action songs.

*Lesson plan.*—

(1) Introduction—walking, running, rhythmic jumping, skipping, etc.

(2) Head and neck.

(3) Trunk forward and downward bending.

(4) Arm-swinging, circling, etc.

(5) Balance.

(6) Lateral.

(7) Class activity and group practice

(8) Games.

*Apparatus required.*—

Large and small balls.

Bean bags.

Ropes.

Hoops.

Coloured bands.

## CLASSES III AND IV.

The same general underlying principles as used for Classes I and II will be employed for Classes III and IV. Less imagination and more precision will be attempted. The lesson must still be one of much activity. Exercises should be stronger and a definite attempt be made to produce form. This can be achieved particularly in stressing control in jumping and balancing, by making the children more conscious of movement, its range and its uses.

(1) *Marching.*—Correct marching, all using the left foot at the same time, should now be attempted. Very little time, however, should be put on this exercise.

(2) *Running and jumping.*—Combinations of runs and skips; gallop style forward and sideways; about running, maze running, rhythm jumps, *e.g.*, astride jumping, bob jumping, sky jumping, etc.

(3) *Head exercises.*—Bending, turning, nodding, bobbing, upward stretching, done in cross sit, knelling and standing positions.

(4) *Trunk exercises.*—Forward and downward bends, introducing easy auxiliary arm movement, *e.g.*, long stride sit, tap the floor twice and forward and downward bends to touch the toes; stand, tap the thighs, knees and touch the toes, etc.

(5) *Arm exercises.* In addition to the swinging and circling movements used in the previous classes, there should now be added arm bending and stretching movements. At first these should be done with a single arm and in one direction only. Gradually use two arms, combine directions and combine bending and stretching with swinging and circling. This progression must not be rushed.

(6) *Balance.* Increase the difficulty of balance exercises, *e.g.*, heels raise, knees full bend, hold the position and clap overhead three times, knees stretch, heels lower; arms and leg forward raise, sideways swing, position, wing stand, leg swinging forwards and backwards, etc.

(7) *Abdominal.*—These are introduced to strengthen the muscles of the abdominal wall, to improve the circulation to aid the function of the internal organs of designation and elimination. These exercises include lying on the back and bicycling; bunny jumps on the spot; alternate leg lifting knee upward bending grasping it with both hands and pulling it to the chest; back lying coming to a sitting position, etc.

(8) *Lateral.*—Trunk turning and bending sideways with the addition of arm movements. Good positions should be achieved in lateral exercises at this age.

(9) *Class activity and group practice.*—A continuation of the previous work introducing skipping of various kinds, jumping over benches, on to benches, off benches, the practice of controlling landings in jumps, the better handling of balls of all sizes, fundamental practices of throwing, catching, dodging, etc.

*Games.*—At this stage there should be an introduction of single relay races and team games. The group spirit should be developed and the individualistic element lessened.

The lesson plan followed is the same as that used for Classes I and II with the addition of an abdominal exercise after the balance group.

*Apparatus required.*—

Large and small balls.
Skipping ropes.
Bean bags.
Benches.
Coloured bands.
